**SHIRE OF MENZIES  
NOTICE OF ORDINARY MEETING OF COUNCIL**

Dear Council Member,

The next Ordinary Meeting of the Shire of Menzies will be held on 28 July 2016 in the Shire of Menzies council chambers commencing at 1.00pm.

Rhonda Evans  
Chief Executive Officer

20 July 2016

**DISCLAIMER**

No responsibility whatsoever is implied or accepted by the shire of Menzies for any act or omission or statement or intimation occurring during this meeting.

It is strongly advised that persons do not act on what is heard at this meeting and should only rely on written confirmation of Council's decision, which will be provided within fourteen (14) days of this meeting.

**FINANCIAL INTEREST**

A financial interest occurs where a Councillor, or person with whom the Councillor is closely associated, has direct or indirect financial interest in the matter. That is, the person stands to make a financial gain or loss from the decision, either now or at some time in the future.

An indirect financial interest includes a reference to a financial relationship between that person and another person who requires a Local Government decision in relation to the matter.

**Councillors should declare an interest:**

- a) In a written notice given to the Chief Executive Officer (CEO) before the meeting:  
or**
- b) At the meeting immediately before the matter is discussed.**

A member who has declared an interest must not:

Preside at the part of the meeting relating to the matter: or  
Participate in, or be present during the discussion of decision making procedure relating to the matter unless the member is allowed to do so under Section 5.68 or 5.69 of the Local Government Act 1995.

## 12. REPORTS OF OFFICERS

### 12.1 HEALTH BUILDING AND TOWN PLANNING

#### 12.1.1 JUNE 2016 HEALTH AND BUILDING REPORT- SHIRE OF MENZIES

<b>LOCATION:</b>	Shire of Menzies
<b>APPLICANT:</b>	N/A
<b>DOCUMENT REF:</b>	2536
<b>DISCLOSURE OF INTEREST:</b>	The author has no interest to disclose
<b>DATE:</b>	20 July 2016
<b>AUTHOR:</b>	David Hadden, Environmental Health Officer
<b>ATTACHMENTS</b>	Nil

#### **SUMMARY:**

This report is for the information of Council, and relates to matters addressed by the Environmental Health Officer for the month of June 2016.

#### **BACKGROUND:**

The Shire contracts the services of an Environmental Health Officer for two days per month. The Officer is available for consultation at all times, and attends the administration office once per month to meet with the Chief Executive Officer.

The following is a brief report of the monthly activities.

#### **COMMENT:**

##### **Health**

Carried out inspection of hotel kitchen and septic system.

- Kitchen complies with requirements, owner asked to ensure high standard of cleaning is maintained.
- Septic system noted as operating correctly.

##### **Proposal to reuse stormwater**

Carried out inspection of Councils two stormwater dams to check requirements for a stormwater reuse system to be implemented.

##### **Proposal to set a levy for Kookynie Waste Disposal**

Checked Town Planning Scheme and Waste Avoidance and Resource Recovery Act to ensure ability to create a rubbish collection fee for Kookynie.

##### **Building Regulations 2015**

Correspondence received by the Shire of Laverton regarding a request made to the Building Commission of WA in 2012 will be of interest to the Menzies Shire.

The Shires of Menzies, Laverton and Wiluna determined at individual council meetings in 2012 to request an amendment in Schedule 4 of the Building Regulations 2012 to remove

the exemption that allows building owners to not apply for a building permit for all Classes of buildings outside the Menzies town site.

The Building Commission have advised Laverton that the Regulatory Gate Keeping Unit at the Department of Finance have advised that the proposal to extend building permit requirements to the whole of the shire represents an increase in regulation a full regulatory impact assessment would be required. Because the Building Commission has similar requests from other local authorities it is not feasible for the Commission to undertake the full RIA process for each request. The Commission plans to commence examination of the feasibility to extend building permit requirements to whole of state in 2017.

#### **SUMMARY:**

Statutory Financial Reports submitted to Council for acceptance as a record of financial activity for the period to 30 June 2016.

#### **BACKGROUND:**

The Financial Management Regulation 34 required each Local Government to prepare each month a statement of financial activity reporting on the sources and applications of funds, as set out in the annual budget under Regulation 22(1)(d), for that month with the following details:

- The annual budget estimates,
- The operating revenue, operating income and all other operating income and expenses,
- Any significant variations between year to date income and expenditure and the relevant budget provisions to the end of the relevant reporting period,
- Identify any significant areas where activity is not in accordance with budget estimates for the relevant reporting period,
- Include an operating statement, and
- Any other relevant supporting notes.

#### **COMMENT:**

This report contains annual budget estimates, actual amounts of expenditure and income to the end of the month. It shows the material differences between the budget and actual amounts where they are not associated to timing differences for the purpose of keeping Council informed of the current financial position.

<b>ATTACHMENTS:</b>	12.4.1 Attachment #1

#### **SUMMARY:**

To receive information relating to the activities at the Lady Shenton for the month of June 2016.

#### **BACKGROUND:**

The Menzies Community Resource Centre, Visitor Centre, Community Postal Agency and Caravan Park operate from the Lady Shenton Building on the corner of Brown and Shenton Street. The following is a brief report of the monthly activities.

#### **COMMENT:**

##### **Community Resource Centre (CRC)**

June saw a total of 32 visitors to the CRC 8 of those attending using the Government Services Access point.

During the Cyclclassic weekend, (4 June 2016) the conference room was used as a first aid room for the participants of the race. \$31.20 was raised from the sale of tea and coffee. This money is donated to the Menzies Community School.

The St John's Ambulance Menzies sub branch ran a sausage sizzle in the front of the Visitors Centre and raised \$1,500.

Westlink screenings have been advertised, but we had no attendees this month.

Fuel cards which have been available for sale for residents and passing traffic are no longer available as Eagle Petroleum no longer support this service.

Menzies Matters was distributed on time, and in the new format.

##### **Visitor Centre**

July saw 1,336 visitors to the Visitors Centre. Of these, 979 attended seeking information and retreat.

We continue to encourage customer feedback by way of the Lake Ballard Surveys. The outcome of these will be collated to assist with future planning for the attraction.

We look forward to participating in the preparation for the Golden Quest Festival which is in the planning phase.

Stock from the Tjuntjuntjara Women's Centre has arrived. Both bush medicine and handmade soaps are available for sale.

The "On the Road Again" Road Rally Committee are seeking accommodation and meals for 40 people during their overnight stay in the area in October 2016.

Comparative monthly and annual statistics for the Centre will be compiled shortly. It is hoped to have these available by August 2016.

### **Community Postal Agency**

A mail scanner has been activated. This improves the tracking and handling of parcels for Australia Post and Startrack.

### **Caravan Park**

Statistics for the caravan park presented in the attachment do not reflect after hours bookings. These figures will be incorporated for future reporting. The occupancy of the Park for June was 35.56% with the average stay being 2.19 nights. We continue to work hard to encourage tourists to linger.

#### SUMMARY:

To receive the minutes of the meeting of GVROC held 1 July 2016.

#### BACKGROUND:

The Goldfields Voluntary Regional Organisation of Councils meets on a regular basis to share and discuss matters that affect all Councils in the Goldfields Esperance region. Councillors Mazza and President Dwyer together with the Chief Executive Officer attend these meetings. All Council members are invited and encouraged to attend these meetings.

#### COMMENT:

Matters highlighted included:

- Problems encountered with the LED street lights are being addressed. All members and the public are encouraged to report street lights not operating so that remedial action can be taken.
- The future of the Asset Management Improvement Project is being considered. This project is of importance to the Shire of Menzies providing both training and support to officers responsible for Asset Management. The Chief Executive Officer will be attending training in Kalgoorlie on Tuesday 26 and Wednesday 27 July 2016.
- The discussions relating to the Goldfields Records Storage Facility were deferred due to staff absence.

It has since been discovered that the inverter system installed as a part of the Solar PV system is not operating correctly. This was brought to the attention of Administration when the electricity account for the period since the installation showed no reduction. Following inquiries to the provider it was discovered that they are still 'working on' a solution to a problem with the inverter and battery system. As soon as further information is received, this will be forwarded to Council.

## **4. GUEST SPEAKERS/PRESENTATIONS**

### **4.1 Goldfields Waste Data and Priorities Study by the Goldfields Environmental Management Group (GEMG) (Attachment)**

The Goldfields Environmental Management Group (GEMG) is a technical and professional body of people working to achieve environmental excellence. Most of its members predominantly work within the mining industry of the Eastern Goldfields region of Western Australia, which includes employees of mining and exploration companies, environmental consultancy and service organisations and government agencies. The GEMG was formed in 1988 by a small number of people involved in land rehabilitation in the Eastern Goldfields region of Western Australia.

In 2015 GEMG engaged Talis Consultants to complete a regional waste data study for the Goldfields region with the purpose of identifying opportunities for improving waste management practices. The area covered by the study is basically the same as that covered by GVROC. The objectives of the Study were to provide:

- A foundation for the collection of waste data; and

- Data that will assist waste infrastructure planning, policy development and improvement of waste management systems in the region.

Talis Consultants met with the GVROC CEOs Group on September 2015 to brief GVROC's Member Councils on the study.

The waste data study has now been completed and the final report released. A copy of the report forms an attachment to the meeting agenda.

One of the recommendations from the report is to create a regional forum for local government stakeholders to discuss the development of improved waste management processes and cooperation. Wayne Astill from the GEMG has been invited to address GVROC's Member Councils on the report.

**Wayne Astill, with Ryan Wilson from the City of Kalgoorlie-Boulder provided an update on the work undertaken, explaining that the GEMG was looking to GVROC for comment on and support for the report's findings.**

**A copy of the PowerPoint used during the presentation forms an attachment to the minutes of the meeting.**

## **8. GVROC BUSINESS**

### **8.1 Asset Management Improvement Project Report**

**Reporting Officer:** John O'Sullivan, Manager Assets and Procurement City of Kalgoorlie-Boulder  
Helen Westcott, Executive Officer

**Disclosure of Interest:** Nil

**Date:** 24 June 2016

**Attachments:** Correspondence from the Department of Local Government and Communities regarding the GERCG Asset Management Project  
GERGC - GVROC Asset Management Grant Program Report and Project Plan for 2016/2017  
National Assets Framework Survey 2015/2016 End of Year Survey  
Matrix of Data collected 2014/2015 National Assets Framework Survey

#### **Background:**

As Member Councils are aware, the Department of Local Government and Communities (DLGC) wrote to GVROC in late May regarding the GERCG asset management project. The letter was discussed at the GVROC Technical Officers Working Group Meeting held Friday 27 May 2016. A copy of the letter forms an attachment to the meeting agenda.

Following discussion of the letter by the Group, John Walker CEO City of Kalgoorlie-Boulder undertook to speak with John O'Sullivan, the City's Manager Assets and Procurement, about the project and provide a report within the week.

#### **Executive Officer Comment:**

A progress report of the GERCG asset management project and a project plan for 2016/2017 has been prepared by John O'Sullivan. The report and project plan seek to address concerns raised by the DLGC in its correspondence to GVROC. Both have been forwarded to the DLGC for comment.

Both documents form attachments to the meeting agenda.

The DLGC's representative at the meeting, Ken Parker, may wish to provide comment on the report and project plan for the coming 12 month period.

Member Councils are requested to consider the report and project plan prepared in order that the Executive Officer can prepare a response on its behalf to the DLGC.

It cannot be empathised strongly enough that for the DLGC to continue supporting the GERCG asset management project there must be demonstrated and ongoing commitment from GVROC's Member Councils. To this end it is critical that information sought for the project is provided to the City of Kalgoorlie-Boulder as the lead agency for the project in a timely manner and without delay.

For example, Member Councils recently received an email from John O'Sullivan seeking your assistance in completing the 2015/2016 end of year National Assets Framework Survey. A copy of the Survey and matrix detailing the information collected from last year's survey form attachments to the meeting agenda. This data is critical in developing each Member Council's improvement program from the 2016/2017 financial year and therefore critical in demonstrating GVROC's commitment to the GERCG asset management project. John O'Sullivan has requested that the completed survey be returned to him no later than Friday 22 July 2016, just before the second two day session using NAMS plus 3 scheduled to be held in Kalgoorlie on 26-27 July.

#### **Additional Meeting Comment:**

In addition to the letter attached to the meeting agenda, the Executive Officer advised that yesterday she had received an email from Tim Fowler, Manager of Local Government Capacity Building Strategy, Research and Initiative, yesterday regarding additional information required by the Department with respect to the asset management project and the work already undertaken/still under way.

A copy of this email would be forwarded to all Member Councils following the meeting's conclusion.

In working through the Grant Program Report and Project Plan for 2016/2017 John O'Sullivan made the following comments about the work required to meet the Department's requirements to ensure the continuation of funding for the project:

- GVROC's Member Councils must make a commitment to undertake the work required to complete the project, with the project being too large and complex for him to complete on his own.
- Attendance at the upcoming training sessions on NAMS plus 3 will allow attendees to be trained in the data collection required to proceed further with the asset management project.

Member Councils also discussed the potential for engaging additional external support to assist GVROC in meeting the Department of Local Government and Communities request for additional information and assisting John O'Sullivan in progressing the GVROC asset management project.

John Walker, CEO City of Kalgoorlie-Boulder noted that the City had engaged Morrison and Low to assist the City in work around its asset management plan (in particular its road assets).

The City's Mayor, John Bowler, also sought advice from the WALGA regarding suitable consultants to assist GVROC with its asset management project. WALGA CEO Ricky Burges undertook to speak with WALGA staff on the matter and provide advice to the Executive Officer as soon as possible.

**Consultation:** Nil

**Voting Requirement:** Simple majority

The matter is presented for decision.

**RESOLUTION:** Moved: Mayor Bowler Seconded: Cr Williams

**That:**

1. **GVROC seeks a commitment from its Member Councils to successfully complete the asset management project funded by the Department of Local Government and Communities through the Royalties for Regions Program;**
2. **The Executive Officer write to the Department of Local Government and Communities to seek a further extension of time for completion of the GVROC asset management project, with a request that the extension be until 30 November 2016; and**
3. **Subject to the granting of a further extension of time for the GVROC asset management project, GVROC consider engaging additional support to assist in the completion of the asset management project.**

**CARRIED**

The meeting adjourned at 10.25am for morning tea.

The meeting resumed at 10.40am

Ryan Wilson, Sustainability Officer, City of Kalgoorlie-Boulder and Wayne Astill, Goldfields Environmental Management Group (GEMG) entered the meeting at 10.40am, leaving at 11.00am

## **8.2 Country Local Government Fund – 2012/2013 Regional Group Projects Applications – GVROC Solar PV Project and the GVROC LED Streetlight Project**

**Reporting Officer:** Ryan Wilson, Sustainability Officer, City of Kalgoorlie-Boulder  
Helen Westcott, Executive Officer

**Disclosure of Interest:** Nil

**Date:** 21 June 2016

**Attachments:** Nil

### **Background:**

The need to develop renewable energy and energy efficient projects was recognised by Member Councils as early as 2012. At the GVROC Council Meeting held on Wednesday 1 August 2012 Member Councils resolved as follows:

*RESOLUTION: Moved: Cr Cullen Seconded: Cr Petz*

*That for the 2012/2013 round of regional CLGF funding, the Goldfields Voluntary Regional Organisation of Councils:*

- 1. Submit an alternate energy project for the region with the pool of funding for the project to be determined by Member Councils, with Member Councils notifying the Executive Officer of their intention to participate in the project no later than Friday 31 August 2012;*
- 2. That the City of Kalgoorlie-Boulder be given delegate authority to commence preparation of a business case for the alternate energy project, with the business case to look at participating Member Councils using funds from both the 2012/2013 and 2013/2014 allocations of regional CLGF funds;*
- 3. Request the Goldfields Esperance Development Commission provide funding for the preparation of a business cases for GVROC Member Councils for the following projects in the 2012/2013 regional CLGF round of funding:*
  - a) Retro-fitting of lighting and renewable energy power generation;*
  - b) Regional waste management;*
  - c) Norseman gateway project; and*
  - d) A project for the Shires of Laverton and Ngaanyatjaraku (still to be determined); and*
- 4. Give delegated authority to the GVROC Technical Officers Working Group to prepare and submit business cases for projects, other than the alternate energy project, agreed to for the 2012/2013 round of regional CLGF funds.*

**CARRIED**

The City of Kalgoorlie-Boulder has been the Lead Council for the projects developed, providing regular reports on the projects and undertaking the work associated with the projects' implementation.

### **Executive Officer Comment:**

Ryan Wilson, The City of Kalgoorlie-Boulder's Sustainability Officer, has provided a further update on the two projects for Member Councils information. The updates are provided below.

### **LED Streetlight Upgrade**

- All CEEP funded streetlight installations completed
- Final reports have been accepted by CEEP, final milestone payments have now been invoiced and payment for Shire of Esperance has been received. Still waiting on Shire of Laverton payment
- CKB Hannan Street LED streetlights partially complete (16/36 installed) final 20 installations due for completion in early July

### **Solar PV Installations**

- 30kW system for Menzies Administration building completed 22/04/16 - system operational and working as expected.
- 100kW system for Kambalda Recreation Centre under construction. Panels and racking are installed; final connection and system commissioning will take place in early July.
- Shire of Esperance tender for 60kW system was awarded on 26/04/16 to Solar Balance. Site visit took place on 19/05/16 to confirm location of panels and solar smoothing units.
  - Winning tender amount (\$166,324) is under the budgeted amount under the Department of Regional Development Financial Assistance Agreement (\$189,530)
  - Horizon Power application submitted on 14 June and system completion due for September 2016
- Request for Tender for ≤100kW system at Goldfields Art Centre in Kalgoorlie released on 21/05/16. Tender scheduled to be awarded at the 27/06/16 CKB Ordinary Council Meeting. The tender recommended to be awarded is ~\$16K under budget which provides an additional \$16K for Hopetoun and Laverton systems
- Request for Tender for 60kW Hopetoun installation set for release on 25/06/16 and to be awarded at the Shire of Ravensthorpe OCM 21/07/16

### **Additional Meeting Comment:**

Ryan Wilson provided additional comment on the two projects. In discussing the LED lighting project there was a request for Member Councils to receive an update on tariffs now they had been publically made available, with Ryan noting that the savings envisaged at the commencement of the LED lighting project would not be as significant as hoped as the tariffs were not as good as first thought. This was offset however by the environmental benefits and the improved lighting provided by LED lights over lighting previously used.

Cr Williams on behalf of GVROC's Member Councils thanked Ryan for his work around both projects.

**Consultation:** Nil

**Voting Requirement:** Simple majority

### **RECOMMENDATION:**

That GVROC note the report provided on the GVROC Solar PV Project and the GVROC LED Streetlight Project.

**RESOLUTION:** Moved: Cr Rathbone Seconded: Mr Epis

**That GVROC note the report provided on the GVROC Solar PV Project and the GVROC LED Streetlight Project.**

Shayne Flanagan, CEO Goldfields Esperance Development Commission entered the meeting at 11.00am, leaving at 11.30am

Agenda Item 10.2 was considered at this point in the meeting but is recorded in chronological order for ease of reading the minutes.

### **8.3 Arrangements for the Conduct of a GVROC Council Meeting in Warburton during 2016**

**Reporting Officer:** Helen Westcott, Executive Officer

**Disclosure of Interest:** Nil

**Date:** 24 June 2016

**Attachments:** Nil

**Background:**

At the GVROC Council Meeting held in Esperance on Friday 29 January 2016 the Technical Officers Working Group was requested to give consideration to the conduct of a GVROC meeting during 2016 in a location other than Kalgoorlie-Boulder or Esperance.

In considering alternative venues for GVROC meetings, the GVROC Technical Officers Working Group resolved as follows at the meeting held Friday 18 March 2016:

**RESOLUTION:** *Moved: Pascoe Durtanovich* *Seconded: Jim Epis*

1. *That the GVROC Executive Officer investigate the feasibility of a GVROC Council Meeting being held in Warburton during 2016.*
2. *That the GVROC Technical Officers Working Group Meeting scheduled for Friday 27 May 2016 be hosted by the Shire of Coolgardie.*

*CARRIED*

The matter was further considered by GVROC Council when it met on Friday 22 April 2016 at which time it was resolved as shown below:

**RESOLUTION:** *Moved: Cr Rathbone* *Seconded: Cr Dwyer*

*That the Executive Officer investigate the holding of a GVROC Council Meeting to be hosted by the Shire of Ngaanyatjarraku.*

*CARRIED*

Following the April GVROC Council Meeting Two meeting dates were chosen as possible times for a trip out to Warburton, being:

- Friday 1 July 2016; and
- Friday 4 November 2016.

Member Councils were advised of these possible dates in late April. The City of Kalgoorlie-Boulder subsequently advised that travelling out to Warburton on Thursday 30 June for a meeting on 1 July 2016 would not be possible for its GVROC delegates as they would be undertaking elected member training all of Thursday 30 June.

On this basis, should the visit to the Shire of Ngaanyatjarraku take place it will be in November 2016.

With a travel date notionally set the Executive Officer requested that Chris Paget, CEO Shire of Ngaanyatjarraku, make tentative accommodation bookings for GVROC for the night of Thursday 3 November 2016. This has been done.

The visit to the Shire of Ngaanyatjarraku was further considered at the GVROC Technical Officers Working Group Meeting held Friday 27 May 2016 at which time it was resolved as follows:

**RESOLUTION:** *Moved: Paul Webb* *Seconded: Jim Epis*

*That:*

1. *The GVROC Technical Officers Working Group recommend to the GVROC Council that the GVROC Council Meeting scheduled for Friday 4 November 2016 be held in Warburton, subject to a review of costs associated with travelling to Warburton;*
2. *The Executive Officer continue with the planning associated with the conduct of the GVROC Council Meeting in Warburton, including seeking expressions of interests from WALGA, the Department of Local Government and Communities and the Goldfields Esperance*

*Development Commission as to whether they would like to join GVROC in travelling out to Warburton; and*

3. *Member Councils provide details on who will be travelling to Warburton from their respective Council on 3-4 November 2016 no later than close of business on Friday 10 June 2016.*

**CARRIED**

**Executive Officer Comment:**

The Executive Officer has only just received confirmation of numbers travelling out to Warburton for the GVROC Council Meeting on 3-4 November 2016 – 21 people.

Prior to final number being known, the Executive Officer requested quotes from the two air charter companies engaged in 2011 for GVROC's trip to Wiluna. A quote from Paul Lyons Aviation was provided but to date the Executive Officer has not received anything from Goldfields Air Services the other charter company used in 2011.

With final numbers available the Executive Officer has also sought a fresh quote from Paul Lyons Aviation who have indicated that they will submit a revised costing based on actual numbers. A costing from Skippers Aviation has also been sought.

The Executive Officer has also sought tentative expressions of interest from WALGA, the Department of Local Government and Communities and the Goldfields Esperance Development Commission as to whether they would be interested in travelling out to Warburton with GVROC should the visit proceed. The invitation to travel would be subject to both the availability of seating on the plane(s) used and each organisation meeting a share of the charter costs. All have indicated interest.

At the time of preparing the agenda item costings were not available.

## **8.4 Proposed Re-establishment of the WA Police Livestock Squad**

**Reporting Officer:** Helen Westcott, Executive Officer

**Disclosure of Interest:** Nil

**Date:** 17 June 2016

**Attachments:** Nil

### **Background:**

At the GVROC Council Meeting held Friday 27 November 2015 the matter of supporting the re-establishment of the Police Livestock Squad was considered, with the meeting resolving as shown below:

**RESOLUTION:** *Moved: Cr Williams* *Seconded: Cr Rathbone*

*That the GVROC Technical Officers Working Group prepare a report for consideration at a future meeting of the GVROC Council on:*

- 1. the benefits of having the Police Livestock Squad reformed as well as other strategies that will assist in reducing stock theft across the Goldfields Esperance region; and*
- 2. the training of all policer officers in order that they have a basic understanding of how to deal with livestock.*

**CARRIED**

This matter has been considered on a number of occasions most recently at the GVROC CEO's Meeting held Friday 27 May 2016 at which time it was resolved as shown below:

**RESOLUTION:** *Moved: Jim Epis* *Seconded: Paul Webb*

*That the GVROC Technical Officers Working Group recommend to the GVROC Council that GVROC support the re-establishment of the Police Livestock Squad, writing to the Ministers for Agriculture and Food and Police seeking their support for the Squad's reestablishment.*

## **8.5 Request for a Parliamentary Inquiry into the Department of Minerals and Petroleum**

**Reporting Officer:** Paul Webb, CEO Shire of Coolgardie  
Helen Westcott, Executive Officer

**Disclosure of Interest:** Nil

**Date:** June 2016

**Attachments:** Nil

### **Background:**

Member Councils are aware of the Shire of Coolgardie's long-held concern that its development has been hampered by the Department of Mines and Petroleum's (DMP) refusal to permit development within its townsites. As such the Shire has sought GVROC's assistance in attempting to find a resolution to this long-standing issue.

The manner in which this support could be provided was discussed at the GVROC Technical Officers Working Group Meeting held Friday 27 May 2016, with the Shire of Coolgardie requesting support from GVROC to support to the establishment of Parliamentary inquiry into the actions of the Department of Minerals and Petroleum. Following discussion on this request, the GVROC Technical Officers Working Group resolved as follows:

**RESOLUTION:** *Moved: Paul Webb* *Seconded: Jim Epis*

---

*That the GVROC Technical Officers Working Group recommend to GVROC Council that:*

- 1. GVROC seek support from the Western Australian Local Government Association for the establishment of a Parliamentary Enquiry into the actions of the Department of Minerals and Petroleum in obstructing development in rural Western Australia; and*
- 2. GVROC liaise with other regional groupings of local governments requesting their support for a Parliamentary Enquiry into the actions of the Department of Minerals and Petroleum in obstructing development in rural Western Australia; and*
- 3. GVROC seek support from the region's State Members of Parliament for the establishment of a Parliamentary Enquiry into the actions of the Department of Minerals and Petroleum in obstructing development in rural Western Australia.*

**CARRIED**

### **Executive Officer Comment:**

The Shire of Coolgardie might wish to make further comment.

### **Additional Meeting Comment:**

Jim Epis, CEO Shire of Leonora, advised that he had received further email advice from Mr Tony Bullen, Acting Executive Director Mineral Titles, Approvals and Compliance Department of Mines and Petroleum on this matter. An extract of Mr Bullen's email is provided below.

*Hello Jim*

*Speaking with Jeff, I understand that you are looking for information to make an informed opinion on the motion proposed by the CEO Shire of Coolgardie, that the GVROC seek the support of WALGA for establishing a Parliamentary enquiry into the actions of DMP in obstructing development in rural Western Australia. I don't believe I am talking out of school when I advise that DMP officers have met with the Coolgardie Shire personnel on several occasions regarding the development and use of land around Coolgardie, including the industrial area. The issues are longstanding and have been reviewed by previous Ministers including Norman Moore and Bill Marmion.*

*In essence, **Government** has not supported proposals for freehold land or long term land tenure leases within the current Coolgardie industrial area because they could prevent future open cut gold mining or sterilise adjacent gold resources.*

*DMP has presented three alternative sites for expansion of the industrial precinct and subsequently, with Ministerial approval, DMP has designated two of these sites as exempt areas under the Mining Act (meaning no mining tenure can be applied for over these areas whilst the exemption is in place, thereby preventing mining tenement applications from frustrating that process). The exemption areas are depicted in TENGRAPH® as S19/367, adjacent to the south west boundary of the Coolgardie townsite and s19/364 to the west of the Coolgardie townsite. These area have been identified as having low mineral prospectivity and are suitable for light industrial development.*

*DMPs position is that a whole of government approach is needed to resolve this matter. DMP has responded to the Shire of Coolgardie and continues to liaise with the Department of Planning to ensure a co-ordinated planning approach and consistent State position.*

*The Department of Planning is currently reviewing the Coolgardie Shire's draft scheme and strategy and has liaised with DMP in respect to the industrial area. The current process remains active between the Shire of Coolgardie, Department of Planning and the Western Australian Planning Commission. The timing of this process is outside the control of the DMP.*

*DMP is also aware that the Shire of Coolgardie is mistaken in its assertion that mining tenements cannot be made over a townsite. The legislation clearly identifies that land within a town is open for mining but subject to a prescribed consultation regime involving the local government body to determine if additional tenement conditions should be imposed. That consultation process, set out in the mining legislation, seeks to obtain the Shire's comments and recommendation with regard to the impact of the application on the affected townsite land.*

*I trust this information assists you in reaching an informed opinion on the role that DMP has had in this issue.*

*regards*

**Tony Bullen** | Acting Executive Director | Mineral Titles, Approvals and Compliance

WALGA President, Cr Lynne Craigie advised the meeting that WALGA was aware of the Shire of Coolgardie's issue with the Department of Mines and Petroleum and was happy to assist where possible.

The Mayor of Kalgoorlie, John Bowler, commented that as part of the discussions with DMP over the Shire of Coolgardie's concerns whether could not also be a discussion on shallow drilling of land to determine whether or not mineral prospectivity was present. If the land was determined to have low mineral prospectivity then its sterilisation could be considered and development permitted.

## **8.6 Planning for GVROC Functions during LG Week 2016**

**Reporting Officer:** Helen Westcott, Executive Officer

**Disclosure of Interest:** Nil

**Date:** 24 June 2016

**Attachments:** Nil

### **Background:**

Arrangements for the GVROC Meeting on Wednesday 3 August 2016 at the Perth Convention and Exhibition Centre (PCEC) are underway.

Two functions are planned:

- GVROC Dinner – date still to be finalised; and
- GVROC Council Meeting – Wednesday 3 August 2016.

At the GVROC Technical Officers Working Group Meeting held Friday 27 May 2016 the matter of a date for the dinner was considered with the matter being resolved as follows:

*RESOLUTION: Moved: Jim Epis Seconded: Doug Stead*

*That the GVROC Technical Officers Working Group recommend to GVROC Council that the:*

- 1. GVROC Dinner be held on the evening of Tuesday 2 August 2016;*
- 2. GVROC CEO and Executive Officer be left to finalise arrangements for the Dinner.*

*CARRIED*

### **Executive Officer Comment:**

Since the last GVROC Technical Officers Working Group Meeting the Executive Officer has continued planning associated with the various GVROC functions scheduled to be held during the Local Government Convention.

Three restaurants have been identified as potentially meeting GVROC's requirements:

- Lalla Rookh located in Howard Street Perth – the restaurant takes group bookings, so this suits our group and has a menu with sufficient choice to provide for everyone.;
- The Adelphi Grill located in the Parmelia Hotel – The restaurant should suit on both location and menu for most (a number of Member Councils are staying at the Parmelia Hotel whilst attending the Local Government Convention); and
- Public House located just across the road from the Perth Concert Hall – whilst a little further away from many of the hotels where Member Council will be staying it is still in walking distance for most. Again group bookings can be accommodated and the choice of food should suit most.

The program for the GVROC Council Meeting to be held Wednesday 3 August 2016 is as follows:

Meeting Date:	Wednesday 3 August 2016
Meeting Venue:	Meeting Room 11, Perth Conference and Exhibition Centre
Meeting Commences:	9.00am
Morning Tea:	10.30am
Meeting Concludes:	12.30-12.45pm (Delegates will have time to obtain lunch and get ready for the WALGA AGM which starts at 1.30pm)

Invitations have been accepted by the following people to meet with GVROC Council at this meeting:

- Mr Richard Sellers, Director General Department of Mines and Petroleum;
- Mr David Saunders, Assistant Director General, Regional Planning, Department of Planning (Ms Gail McGowan, Director General Department of Planning is unable to attend);
- Ms Gaye, McKenzie, CEO Rangelands NRM Western Australia;
- Ms Margie Tannock, Partner Squire Patton Boggs; and
- Ms Naomi Kefford, Associate Squire Patton Boggs.

Invitations to both WALGA and the Department of Local Government and Communities will extended as per normal GVROC Council Meetings.

## **8.7 Proposed Holiday Parks and Camping Grounds Legislation**

**Reporting Officer:** Helen Westcott, Executive Officer

**Disclosure of Interest:** Nil

**Date:** 1 June 2016

**Attachments:** Various items of correspondence on the proposed legislation

### **Background:**

The GVROC Chair has requested the matter of the proposed holiday parks and camping ground legislation be listed for discussion.

The Goldfields Tourism Network Association Inc (GNTA) has raised concerns with the region's various parliamentary representatives regarding the proposed changes to the *Caravan Parks and Camping Grounds Act 1995*. The GNTA is concerned that the proposed changes if introduced will negatively impact upon Councils and other tourist stakeholders across the Goldfields region.

Copies of the correspondence prepared by the GNTA and some of the responses received form attachments to the meeting agenda.

### **Executive Officer Comment:**

GVROC might wish to seek an update on the proposed changes from Ken Parker, as the Department of Local Government and Communities representative to the GVROC Council Meeting.

**Consultation:** Nil

**Voting Requirement:** Simple majority

The matter is presented for discussion.

## **8.8 Training for Country Councillors - DLGC/WALGA Subsidised Training**

**Reporting Officer:** Helen Westcott, Executive Officer

**Disclosure of Interest:** Nil

**Date:** 13 June 2016

**Attachments:** Nil

### **Background:**

The Executive Officer has received email advice from WALGA that there is to be a further tranche of subsidised elected member training to be offered during early 2017. It will be the final phase of DLGC and WALGA's subsidised training, funded by the State Government through the Royalties for Regions and Country Local Government Fund program. The 4 day program is now being scheduled.

To be delivered in regional locations across Western Australia at a subsidised cost of only \$50 course per Elected Member with the program being delivered in two blocks, approximately a fortnight apart.

In the advice received from WALGA the following dates were offered, with a request for comment on the dates proposed dates and venues for training. These are detailed below.

<b>Training Course</b>	<b>Host Council</b>	<b>Date</b>
Understanding Financial Reports and Budgets	Esperance	26 January 2017 (Thurs)
Sustainable Asset (Infrastructure) Management	Esperance	27 January 2017 (Fri)
Effective Community Leadership	Kalgoorlie	9 February 2017 (Thurs)
CEO Performance Appraisals	Kalgoorlie	10 February 2017 (Fri)

### **Executive Officer Comment:**

That GVROC advise WALGA that following dates are suggested for elected member training:

<b>Training Course</b>	<b>Host Council</b>	<b>Date</b>
Understanding Financial Reports and Budgets	Esperance	1 February 2017 (Wed)
Sustainable Asset (Infrastructure) Management	Esperance	2 February 2017 (Thurs)
Effective Community Leadership	Kalgoorlie	16 February 2017 (Thurs)
CEO Performance Appraisals	Kalgoorlie	17 February 2017 (Fri)

Taking into account that GVROC Council will be meeting in Esperance on Friday 3 February 2017 the Executive Officer believes that the Esperance training component could be held before the GVROC Council Meeting on Wednesday 1 February and Thursday 2 February 2017 as was done for training offered at the start of 2016. Training in Kalgoorlie could be held a fortnight later on Thursday 16 and Friday 17 February 2017.

The availability of this training might also assist in resolving a previous GVROC resolution regarding training. At the GVROC Council Meeting held in Esperance on Friday 29 January 2016 it was resolved as follows:

*RESOLUTION: Moved: Cr Williams Seconded: Cr Rathbone*

*That the Executive Officer contact WALGA to obtain a costing to undertake the local government finance training in the region for consideration at the next GVROC Council Meeting.*

*CARRIED*

A quote was obtained with WALGA advising it was working to have the local government finance course as one of the next CLGF courses run in the regions. At that time it also suggested that if GVROC was happy to wait it may be possible to undertake the training at reduced cost as was the case with other elected member training offered previously.

With the advice from WALGA on the further tranche of training being offered this may well be the case.

**Consultation:** Nil  
**Voting Requirement:** Simple majority

**RECOMMENDATION:**

That GVROC advise WALGA that its preferred dates for elected member training during early 2017 are as follows:

<b>Training Course</b>	<b>Host Council</b>	<b>Date</b>
Understanding Financial Reports and Budgets	Esperance	1 February 2017 (Wed)
Sustainable Asset (Infrastructure) Management	Esperance	2 February 2017 (Thurs)
Effective Community Leadership	Kalgoorlie	16 February 2017 (Thurs)
CEO Performance Appraisals	Kalgoorlie	17 February 2017 (Fri)

**RESOLUTION:**

### **8.9 GVROC Representation on the Goldfields Esperance District Emergency Management Committee (DEMC)**

**Reporting Officer:** Helen Westcott, Executive Officer

**Disclosure of Interest:** Nil

**Date:** 21 June 2016

**Attachments:** Correspondence from the Chair Goldfields Esperance DEMC re GVROC's representation on the DEMC

**Background:**

In early June the Executive Officer received a phone call from the Goldfields Esperance DEMC's Executive Officer regarding GVROC's membership to the DEMC. Subsequent to this phone call, the Executive Officer has received correspondence from the DEMC Chair on the matter.

A copy of the correspondence forms an attachment to the meeting agenda.

**Executive Officer Comment:**

GVROC should look to resolving how best to be represented on the Goldfields Esperance DEMC.

**Consultation:** Nil

**Voting Requirement:** Simple majority

The matter is presented for decision.

**RESOLUTION:**                      **Moved: Cr Rathbone**                      **Seconded: Cr Hill**

## **8.10 Report of the Special Inquiry into the January 2016 Waroona Fire**

<b>Reporting Officer:</b>	Helen Westcott, Executive Officer
<b>Disclosure of Interest:</b>	Nil
<b>Date:</b>	24 June 2016
<b>Attachments:</b>	WALGA Infopage on the Report of the Special Inquiry into the January 2016 Waroona Fire

### **Background:**

On Thursday 23 June the Premier, Colin Barnett MLA tabled in Parliament the report prepared by Mr Euan Ferguson AFSM into the January 2016 Waroona Fire.

The full report can be accessed on the Public Sector Commission's [website](#).

The following day, WALGA released an Infopage on the report and its findings. A copy of the Infopage forms an attachment to the meeting agenda.

### **Executive Officer Comment:**

Whilst all 17 recommendations are important, Recommendation 17 is one that may be of particular interest to GVROC's Member Councils. As such it is shown below.

**Recommendation 17:** *The Department of the Premier and Cabinet to conduct an independent review of the current arrangement for the management and distribution of the Emergency Services Levy. The review will have the specific purpose of:*

- *seeking input from key entities including the Departments of Treasury, Finance, Fire and Emergency Services, Lands, and Parks and Wildlife, WA Local Government Association, and the Office of Bushfire Risk Management.*
- *ensuring the arrangement has the flexibility and agility to deal with emerging bushfire risk priorities.*
- *establishing a budget process that enables a shift in investment towards prevention, mitigation and building community resilience and capability.*

Given the GVROC's previous concerns about increases in the Emergency Services Levy and the decline in the proportion of funding from consolidated revenue made available for emergency services (correspondence has recently been written to the Premier on this matter), GVROC may wish to discuss whether further action on this area of concern is required.

**Consultation:** Nil

**Voting Requirement:** Simple majority

The matter is presented for decision.

**RESOLUTION:** **Moved: Cr Rathbone** **Seconded: Cr Williams**  
**That the matter be noted.**

### **9.3 Review of WALGA State Council Agenda - Matters for Decision**

From Executive Officer

#### **Background:**

WALGA State Council meets five times each year and as part of the consultation process with Member Councils circulates the State Council Agenda for input through the Zone structure.

The Zone is able to provide comment or submit an alternate recommendation that is then presented to the State Council for consideration.

#### **5.1 Local Government Gift Provisions (05-034-001-0001 TB)**

##### **WALGA Recommendation**

That WALGA:

1. Seek commitment from the State Government and The Opposition to align Local Government Elected Members with State Parliamentarians in respect to exempting gifts received in a genuine personal capacity; and
2. Continue to develop suggested long term Act and Regulatory provisions relating to gifts to provide more logical and relevant provisions for Elected Members and Local Government Officers.

**ZONE COMMENT:**

The interpretation of the gift provisions has created significant debate in many Councils across the State. Since the publication of the Governance Bulletin 11, prepared by the Department of Local Government and Communities (DLGC), in which was outlined a number of examples, there has been considerable disquiet about the impact of the interpretation provided in the Governance Bulletin.

At the GVROC Council Meeting held Friday 22 April 2016 it was resolved as follows:

**RESOLUTION:** *Moved: Cr Williams* *Seconded: Cr Brown*

*That:*

1. *GVROC note the concerns being expressed by Member Councils in relation to the interpretations of the gift provisions of the Local Government Act 1995 and related Regulations;*
2. *GVROC amend the WALGA Recommendation to read:*

*That WALGA demand that the interpretation of a gift as described in the WA Ministerial Code of Conduct, be applied to local government and require the Minister for Local Government to amend, forthwith, the Local Government (Administration) Regulations 1996 and the Local Government (Rules of Conduct) Regulations 2007 in respect to the Gift provisions to provide Elected Members and Officers with an exemption for the following:*

- a) *Gifts provided in a genuine personal capacity;*
  - b) *Business involving Local Government Associations and Organisations such as WALGA, ALGA, LGMA and regional organisation of Councils; and*
  - c) *Attendance at community events and functions provided by Community Groups.*
3. *In the event of WALGA not adopting a stronger position in regards to this matter the GVROC Chair and Executive Officer examine the opportunity to seek a disallowance of the regulations in the Parliament.*

**CARRIED**

In the WALGA Status Report the following comment is made in response to GVROC's resolution:

*The Goldfields Esperance Country Zone's amendments 1 and 2 have been incorporated into the State Council resolution as follows:*

**STATE COUNCIL RESOLUTION MAY 2016**

- A. *That WALGA urgently seek alignment in the interpretation of a gift as described in the WA Ministerial Code of Conduct and consequentially strongly request the Minister for Local Government to amend the Local Government (Administration) Regulations 1996 and the Local Government (Rules of Conduct) Regulations 2007 in respect to the Gift provisions to provide Elected Members and Officers with an exemption for the following;*
  1. *Gifts provided in a genuine personal capacity;*
  2. *Business involving Local Government Associations and Organisations such as WALGA, ALGA, LGMA and Regional Local Governments;*
  3. *Attendance at community events and functions provided by Community Groups; and*
  4. *Attendance at Government related functions and events (local, State and Federal) that are principally sponsored or organised by Government.*

*That WALGA in conjunction with LGMA and DLGC conduct a complete review of the gift provisions of the Local Government Act 1995, Local Government (Administration) Regulations 1996 and Local Government (Rules of Conduct) Regulations 2007 including the ability for regular reviews of the value of notifiable gifts and prohibited gifts to arrive at a more logical understandable and relevant provisions applicable to Elected Members and Employees.*

Since the May 2016 State Council Meeting WALGA has been advised by the Minister for Local Government that in his opinion there is no provision within the *Local Government Act 1995* that allows for the amendments to regulations that the sector has requested and that Gifts is not a legislative priority prior to the March 2017 State election.

The Minister's letter is included within the WALGA State Council Agenda and could be interpreted as rejecting outright the concerns of the sector. It would also appear that the Minister has completely disregarded WALGA's efforts to adequately address the issues. As such the sector must take stronger action than what has been proposed in the current WALGA recommendation.

GVROC has already made some decisions with respect to taking stronger action than proposed within the current WALGA recommendation. GVROC's resolution from the meeting held Friday 22 April 2016 on this matter reads in part:

*RESOLUTION: Moved: Cr Williams Seconded: Cr Brown*

---

*That:*

1. *GVROC note ...*
3. *In the event of WALGA not adopting a stronger position in regards to this matter the GVROC Chair and Executive Officer examine the opportunity to seek a disallowance of the regulations in the Parliament.*

*CARRIED*

GVROC's Member Councils need to determine whether they:

- a) Accept the WALGA recommendation as presented; or
- b) Determine to take a different approach, including reaffirming parts 3 of the resolution agreed to at the GVROC Council Meeting held Friday 22 April 2016.

The matter is submitted for GVROC's consideration.

**ZONE COMMENT:**

GVROC support the WALGA Recommendation.

**5.2 Legal Advice 'Instant Start' (05-015-01-0003 VJ)**

**WALGA Recommendation**

That WALGA based on the legal advice received:

1. Supports the request to the Minister for Commerce for the immediate withdrawal of the 'Instant Start' proposal as a possible reform measure within the building permit application process; and
2. Continues to strongly oppose the introduction of the 'Instant Start' proposal, or any similar proposal, which attempts to bypass the building permit application process by using a Section 67 Ministerial order.

**ZONE COMMENT:**

GVROC support the WALGA Recommendation.

**5.3 WALGA Model Local Planning Policy – Advertising of Planning Proposals (05-036-03-0055 GC)**

**WALGA Recommendation**

That:

1. The Model Local Planning Policy – Advertising of Planning Proposals be endorsed;
- and
2. Local Governments be encouraged to use the resource when reviewing and preparing local planning policies for the advertising of planning proposals.

**ZONE COMMENT:**

GVROC support the WALGA Recommendation.

**5.4 WALGA & LGIS Research Paper - Disclosing Hazard Information: The Legal Issues (05-028-03-0015 CG)**

**WALGA Recommendation**

That the research paper, 'Disclosing Hazard Information: The Legal Issues' be endorsed.

**ZONE COMMENT:**

The WALGA recommendation is seeking for the research paper, 'Disclosing Hazard Information: The Legal Issues', to be endorsed.

The paper presented for endorsement provides detailed coverage on the legal issues concerning the disclosure of hazard related information by Local Government. Whilst the instigation of the report arose from concerns expressed by coastal local governments, the report has implications for Councils across the State.

Endorsement of the paper will lead to changes in policy and procedures on how information will be disseminated, how information requests will be dealt with and ensure that policy and procedures are applied effectively.

It is considered that at this point the paper should be "received" rather than "endorsed", thereby allowing each WALGA Member Council time to consider the findings of the report and how best to address the issues raised.

**RECOMMENDATION:**

That the WALGA recommendation be amended to delete "endorsed" and insert "received".

**RESOLUTION:                      Moved: Mayor Bowler                      Seconded: Cr Rathbone**

**That the WALGA recommendation be amended to delete "endorsed" and insert "received".**

**CARRIED**

**5.5 Interim Submission to the Department of Premier & Cabinet, Perth & Peel Green Growth Plan for 3.5 million (05-036-03-0020CG)**

**WALGA Recommendation**

That:

1. The interim submission to the Department of Premier and Cabinet regarding the Perth and Peel Green Growth Plan for 3.5 million be endorsed.
2. WALGA seek a State Government commitment to a timeline for the delivery of a both an implementation plan and an equitable funding model, and to ensure full consultation occurs with the affected Local Governments.

**ZONE COMMENT:**

GVROC support the WALGA Recommendation.

**5.6 NBN Delivery to Regional WA (05-059-03-0013 JB)**

**WALGA Recommendation**

That WALGA:

1. Advocates to the Commonwealth and State Government for more consistent and appropriate internet solutions for regional Western Australia thus ensuring economic development opportunities into the future; and
2. Advocate to the Commonwealth Government to work with service providers to offer more realistic and suitable pricing plans for customers in rural, regional and remote Australia.

**ZONE COMMENT:**

GVROC support the WALGA Recommendation.

## **5.7 WALGA Governance Review (01-004-07-0001 TB)**

### **WALGA Recommendation**

That:

1. The attached Corporate Governance Charter be endorsed; and,
2. The attached Standing Orders be endorsed

### **ZONE COMMENT:**

The "In Brief" from the State Council Agenda reads as follows:

- *The amended Corporate Governance Charter and Standing Orders are presented for State Council consideration, representing the final stage in WALGA's periodic governance review that commenced in July 2015 with the distribution of a discussion paper for sector feedback;*
- *The attached Corporate Governance Charter incorporates the amendments resolved by State Council at their March 2016 meeting as well as additional changes stemming from State Council's May 2016 Strategic Forum;*
- *The key additional changes include:*
  - i. Formation of an Executive Committee comprising the President, Deputy President and four State Councillors to undertake the roles of the existing Finance and Services Committee and State Council Co-Chairs which will be disbanded;*
  - ii. Formation of Policy Teams corresponding to WALGA's key policy portfolios comprising six State Councillors to advise the State Council on the development, implementation and review of Association policy in the relevant areas;*
  - iii. Highlighting the ability of a State Councillor to raise strategic and urgent issues at the State Council meeting as an Emerging Issue providing 24 hours' notice of the item is given to the Chief Executive Officer and State Council resolve to consider the item.*

The changes being proposed, particularly the creation of an Executive Committee, are significant. It is therefore perhaps unrealistic for Member Councils to be in a position to consider the 82 page report included in the WALGA State Council Agenda and be in a position to vote fully understanding the implications of the proposed changes in the timeframe currently provided.

GVROC's representative on State Council might wish to make comment.

### **RECOMMENDATION:**

That the Goldfields Voluntary Regional Organisation of Councils request that any decision on the Governance Review be deferred and considered at the WALGA AGM, thereby enabling sufficient time for all WALGA Member Councils to review and fully understand the implications of the changes being proposed.

### **ZONE COMMENT:**

GVROC support the WALGA Recommendation.

### **RECOMMENDATION:**

That the Goldfields Voluntary Regional Organisation of Councils endorses all recommendations being matters contained in the WALGA State Council Agenda other than those recommendations separately considered.

### **RESOLUTION:**

**Moved: Cr Rathbone**

**Seconded: Mayor Bowler**

**That the Goldfields Voluntary Regional Organisation of Councils endorses all recommendations being matters contained in the WALGA State Council Agenda other than those recommendations separately considered.**

## **10. Agency Reports**

### **10.1 Department of Local Government and Communities**

Mr Ken Parker, Acting Manager Capacity Building, Strategy Research and Initiatives

Ken Parker provided Member Councils with a brief report on work currently being undertaken by the Department of Local Government and Communities.

### **10.2 Goldfields Esperance Development Commission (GEDC)**

Shayne Flanagan, CEO Goldfields Esperance Development Commission

In meeting with GVROC, Shayne Flanagan provided an overview on a number of issues including:

#### **1. Goldfields Esperance Revitalisation Fund (GERF)**

- Tranche 1 of the GERF has been completed with agreement from Cabinet on all projects submitted and all agreements executed. Strong representation by the GEDC has meant that the region has been able to hold onto all the funds originally allocated for the GERF;

- Expressions of Interest (EOI) for Tranche 2 of the GERF have closed, with the GEDC Board considering EOIs at the Board Meeting held in Laverton on 24 June 2016. All applicants will be notified.

The GEDC will be meeting with all successful applicants to discuss how to develop the business cases for each project to give the each project the greatest possible chance of success and gaining Cabinet approval.

The timeframe in preparing the business cases is relatively short. It is hoped to have all business cases completed by mid-September this year and ready for submission to Cabinet in November.

Where an EOI has been unsuccessful, the GEDC will meet with the applicant to explain why the project was not shortlisted for business case development. This will allow for a decision to be made as to whether or not the project should be resubmitted at a future date.

It is hoped there will be a further tranche of funding made available before the March 2017 State elections.

#### **2. Community Chest and Regional Grant Scheme Funding**

- Recommendations for both funding sources are currently with the Minister.
- A further round of funding is expected in August this year but it is unlikely the funds will be available until July next year.

#### **3. GEDC Staffing**

- Staffing resources within the GEDC have improved, with 2 of the 3 positions within the organisation filled. It is hoped to have the remaining position filled in the near future.

#### **4. Membership of the GEDC Board**

- Membership to the Board is still being finalised.

#### **5. Portfolio Review**

- The Department of Regional Development will be releasing information on the outcome of the review into its operations in the near future.

Cr Hill also noted that the Shire of Laverton had rescinded its vote of no confidence in the GEDC. The Shire was looking forward to working co-operatively once more with the GEDC.

## **11. Members of Parliament**

Hon Dave Grills MLC, Member for the Mining and Pastoral Region

Mr Grills thanked Member Councils for the opportunity to attend the meeting.

<ul style="list-style-type: none"><li>• Tyres</li><li>• Glass</li><li>• Light gauge steel</li><li>• Household hazardous waste</li><li>• Litter/ illegal dumping (non-specific waste materials)</li><li>• Mattresses</li></ul>	<ul style="list-style-type: none"><li>• Tyres</li><li>• Glass</li><li>• Miscellaneous hazardous materials (e.g. waste chemicals)</li><li>• Used Intermediate Bulk Containers</li><li>• Polypipe</li><li>• Used cars</li><li>• Chemical plastic (20L containers)</li><li>• Waste oil</li><li>• Wood including pallets</li><li>• Hydrocarbon contaminated soil</li><li>• Hydrocarbon drums (44 gallon)</li><li>• Rubber C&amp;D waste (e.g. piping, old building materials)</li><li>• Aerosol cans</li><li>• Class I, III &amp; IV waste</li><li>• Cardboard</li></ul>

# Infrastructure and Market

## Gaps

- Local infrastructure unable to cater for all waste
- Hazardous waste processing options lacking
- Recycling or recovery services limited
- Limited local markets and high distance to other markets

## Opportunities

- Partnerships/Regional collaboration on waste initiatives
- Organic waste processing within the Central Goldfields
- Local markets development – inert and organics

# Discussion

Agenda for the Ordinary Meeting of Council held in the Shire of Menzies Council Chambers on Thursday 28 July 2016

- High reliance on landfill across the Study Area – 80%
- As waste increases – further pressure on existing facilities
- Tip fees very low compared to metropolitan area – disincentive for improved waste management
- DER looking to implement best practice
- Opportunity to consolidate landfill facilities and achieved greater outcomes
- Social licence to operate – public comment, potential project delays

# Recommendations

Agenda for the Ordinary Meeting of Council held in the Shire of Menzies Council Chambers on Thursday 28 July 2016

## Recommendations

- Local Governments continues to **work collaboratively** on waste management issues across the Region and look to establish a **formal Regional Local Government Forum** to progress regional waste management initiatives, (GVROC). Specific initiatives may include:
  - **regional or joint tendering** for waste management services, such as **mobile plant** for Greenwaste processing, tyre recycling, inert material crushing; and
  - Knowledge sharing and further reporting on tonnages and priorities to the waste sector.

---

- Waste Generators should look to establish a **formal Regional forum to collaborate and progress** regional waste management initiatives and priorities, which may include:
  - **Amalgamate and commit waste tonnages** to provide economies of scale with potential for regional or joint tendering for waste management service; and
  - Knowledge sharing and further reporting on tonnages and priorities to the waste sector.

# Recommendations

Agenda for the Ordinary Meeting of Council held in the Shire of Menzies Council Chambers on Thursday 28 July 2016

## Recommendations

- **Both Groups should collaborate together** on regional waste management issues and initiatives such as joint group meetings, data and knowledge sharing.

---

- **Continued collation and sharing** of waste generation and treatment **data** across the region to facilitate the above initiatives.

---

- All stakeholders should consider the **adoption of a Waste Classification System** to provide a framework for consistent data gathering and reporting across the Region.

---

# Suggested Next Steps

Agenda for the Ordinary Meeting of Council held in the Shire of Menzies Council Chambers on Thursday 28 July 2016

- GVROC working group to discuss potential for collaboration
- Look to engage major waste producers in the region
- Encourage participation from waste management industry
  - Eg tenders for amalgamated waste processing, propagate waste data study

- 13 ELECTED MEMBERS MOTION OF WHICH PREVIOUS NOTICE HAVE BEEN GIVEN**
- 14 NEW BUSINESS OF AN URGENT NATURE INTRODUCED BY DECISION OF THE MEETING**
- 15 ITEMS FOR CONSIDERATION BEHIND CLOSED DOORS**
- 16 NEXT MEETING**
- 17 CLOSURE OF MEETING**

**SHIRE OF MENZIES**  
**NOTES TO THE STATEMENT OF FINANCIAL ACTIVITY**  
**For the Period Ended 30th Jun 2016**

**1. SIGNIFICANT ACCOUNTING POLICIES**

The significant accounting policies which have been adopted in the preparation of this statement of financial activity are:

**(a) Basis of Accounting**

This statement is a special purpose financial report, prepared in accordance with applicable Australian Accounting Standards, other mandatory professional reporting requirements and the Local Government Act 1995 (as amended) and accompanying regulations (as amended).

**(b) The Local Government Reporting Entity**

All Funds through which the Council controls resources to carry on its functions have been included in this statement.

In the process of reporting on the local government as a single unit, all transactions and balances between those funds (for example, loans and transfers between Funds) have been eliminated.

All monies held in the Trust Fund are excluded from the statement, but a separate statement of those monies appears at Note 12.

**(c) Rounding Off Figures**

All figures shown in this statement are rounded to the nearest dollar.

**(d) Rates, Grants, Donations and Other Contributions**

Rates, grants, donations and other contributions are recognised as revenues when the local government obtains control over the assets comprising the contributions. Control over assets acquired from rates is obtained at the commencement of the rating period or, where earlier, upon receipt of the rates.

**(e) Goods and Services Tax**

In accordance with recommended practice, revenues, expenses and assets capitalised are stated net of any GST recoverable. Receivables and payables are stated inclusive of applicable GST.

**(f) Cash and Cash Equivalents**

Cash and cash equivalents comprise cash at bank and in hand and short-term deposits that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

For the purposes of the Cash Flow Statement, cash and cash equivalents consist of cash and cash equivalents as defined above, net of outstanding bank overdrafts. Bank overdrafts are included as short-term borrowings in current liabilities.

**(g) Trade and Other Receivables**

Trade receivables, which generally have 30 - 90 day terms, are recognised initially at fair value and subsequently measured at amortised cost using the effective interest rate method, less any allowance for uncollectible amounts.

Collectability of trade receivables is reviewed on an ongoing basis. Debts that are known to be uncollectible are written off when identified. An allowance for doubtful debts is raised when there is objective evidence that they will not be collectible.

**SHIRE OF MENZIES**  
**NOTES TO THE STATEMENT OF FINANCIAL ACTIVITY**  
**For the Period Ended 30th Jun 2016**

**1. SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**(h) Inventories**

***General***

Inventories are valued at the lower of cost and net realisable value. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs of necessary to make the sale.

Inventories held from trading are classified as current even if not expected to be realised in the next 12 months.

***Land Held for Resale***

Land purchased for development and/or resale is valued at the lower of the cost and net realisable value. Cost includes the cost of acquisition, development and interest incurred on the financing of that land during its development. Interest and holding charges incurred after development is complete are recognised as expenses.

Revenue arising from the sale of property is recognised in the operating statement as at the time of signing a binding contract of sale.

Land held for resale is classified as current except where it is held as non-current based on Council's intentions to release for sale.

**(i) Fixed Assets**

All assets are initially recognised at cost. Cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition. For assets acquired at no cost or for nominal consideration, cost is determined as fair value at the date of acquisition. The cost of non-current assets constructed by the local government includes the cost of all materials used in the construction, direct labour on the project and an appropriate proportion of variable and fixed overhead.

Certain asset classes may be revalued on a regular basis such that the carrying values are not materially different from fair value. Assets carried at fair value are to be revalued with sufficient regularity to ensure the carrying amount does not differ materially from that determined using fair value at reporting date.

**(j) Depreciation of Non-Current Assets**

All non-current assets having a limited useful life are systematically depreciated over their useful lives in a manner which reflects the consumption of the future economic benefits embodied in those assets.

Depreciation is recognised on a straight-line basis, using rates which are reviewed each reporting period. Major depreciation rates and periods are:

Buildings	5.00%
Furniture and Equipment	10.00%
Plant and Equipment - Heavy	15.00%
Plant and Equipment - Sundry	25.00%
Electronic Equipment	25.00%
Tools	20.00%
Infrastructure - Grids	4.00%
Infrastructure - Floodways	6.00%
Pavement	2.50%
Seal	6.67%
Curbing	2.00%
Other Infrastructure	2.00%

**NOTES TO THE STATEMENT OF FINANCIAL ACTIVITY**  
**For the Period Ended 30th Jun 2016**

**1. SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**(k) Trade and Other Payables**

Trade and other payables are carried at amortised cost. They represent liabilities for goods and services provided to the local government prior to the end of the financial year that are unpaid and arise when the Shire becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured and are usually paid within 30 days of recognition.

**(l) Employee Benefits**

The provisions for employee benefits relates to amounts expected to be paid for long service leave, annual leave, wages and salaries and are calculated as follows:

**(i) Wages, Salaries, Annual Leave and Long Service Leave (Short-term Benefits)**

The provision for employees' benefits to wages, salaries, annual leave and long service leave expected to be settled within 12 months represents the amount the Shire has a present obligation to pay resulting from employees services provided to balance date. The provision has been calculated at nominal amounts based on remuneration rates the Shire expects to pay and includes related on-costs.

**(ii) Annual Leave and Long Service Leave (Long-term Benefits)**

The liability for long service leave is recognised in the provision for employee benefits and measured as the present value of expected future payments to be made in respect of services provided by employees up to the reporting date using the project unit credit method. Consideration is given to expected future wage and salary levels, experience of employee departures and periods of service. Expected future payments are discounted using market yields at the reporting date on national government bonds with terms to maturity and currency that match as closely as possible, the estimated future cash outflows. Where the Shire does not have the unconditional right to defer settlement beyond 12 months, the liability is recognised as a current liability.

**(m) Interest-bearing Loans and Borrowings**

All loans and borrowings are initially recognised at the fair value of the consideration received less directly attributable transaction costs.

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the effective interest method. Fees paid on the establishment of loan facilities that are yield related are included as part of the carrying amount of the loans and borrowings.

Borrowings are classified as current liabilities unless the Council has an unconditional right to defer settlement of the liability for at least 12 months after the balance sheet date.

***Borrowing Costs***

Borrowing costs are recognised as an expense when incurred except where they are directly attributable to the acquisition, construction or production of a qualifying asset. Where this is the case, they are capitalised as part of the cost of the particular asset.

**(n) Provisions**

Provisions are recognised when: The council has a present legal or constructive obligation as a result of past events; it is more likely than not that an outflow of resources will be required to settle the obligation; and the amount has been reliably estimated. Provisions are not recognised for future operating losses.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one of item included in the same class of obligations may be small.

**SHIRE OF MENZIES**  
**NOTES TO THE STATEMENT OF FINANCIAL ACTIVITY**  
**For the Period Ended 30th Jun 2016**

**1. SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**(o) Current and Non-Current Classification**

In the determination of whether an asset or liability is current or non-current, consideration is given to the time when each asset or liability is expected to be settled. The asset or liability is classified as current if it is expected to be settled within the next 12 months, being the Council's operational cycle. In the case of liabilities where Council does not have the unconditional right to defer settlement beyond 12 months, such as vested long service leave, the liability is classified as current even if not expected to be settled within the next 12 months. Inventories held for trading are classified as current even if not expected to be realised in the next 12 months except for land held for resale where it is held as non current based on Council's intentions to release for sale.

**(p) Nature or Type Classifications**

**Comments - Rating Information**

All land except exempt land in the Shire of Menzies is rated according to its Gross Rental Value (GRV) in town sites or Unimproved Value (UV) in the remainder of the Shire.

The differential rates detailed above for the 2015/16 financial year have been determined by Council on the basis of raising the revenue required to meet the deficiency between the total estimated expenditure proposed in the budget and the estimated revenue to be received from all sources other than rates and also bearing considering the extent of any increase in rating over the level adopted in the previous year.

The minimum rates have been determined by Council on the basis that all ratepayers must make a reasonable contribution to the cost of the Local Government services/facilities.
