THE SHIRE PRESIDENT'S REPORT

AUGUST 2022

11th July attended Special Meeting of Council to adopt the Annual Budget 2022/2023.

Met with Laura Russo, Ron Yuryevich and members of Council to discuss recruitment of a new CEO.

Travelled to Kalgoorlie on 14th July to attend a meeting with CEO, Works Manager, Cr Ian Baird, City of Kalgoorlie/Boulder and Main Roads to discuss Tjuntjuntjara access via the Cutline.

Wednesday 20th July attended farewell drinks in the Menzies Hotel Beer Garden with Brian, Eve and members of staff.

21st July attended the Briefing Session followed by a meeting with available Councillors, Independent Member Ron Yuryevich and Consultant Laura Russo.

22nd July, participated via video, a meeting with Rick Wilson to discuss upcoming Legislation to abolish the Cashless Debit Card. There are concerns from neighbouring shires as to the escalation of anti social behaviour once the card is withdrawn.

CHIEF EXECUTIVE OFFICER'S REPORT

AUGUST 2022

I am pleased to again be given the opportunity to work with Council, Council Staff and the community in the capacity of Acting Chief Executive Officer.

Council is working through the recruitment process for a permanent Chief Executive Officer with the view to filling the position as soon as possible.

The July Council meeting was held on Thursday, 28th July. A number of items were up for consideration:

1. Draft Menzies Tourism Development Strategy

Council resolved not to endorse the plan and has requested the Acting Chief Executive Officer review the document and report back to Council at the August 2022 Council meeting.

2. Sale of 21 and 23 Reid Street Menzies

Council has deferred a decision on the disposal of the above vacant land pending further information on the availability of auctioneers.

3. Lot 29 Reid Street Menzies

An offer to purchase was received for 29 Reid Street (vacant land). Council resolved not to dispose of this lot as it is required for Shire use.

4. Tjuntjuntjara Community

Council has approved a contribution to \$18,500 to the Tjuntjuntjara Community for playground infrastructure consisting of fencing, soft fall and shade sails. This work will be complementary to the existing playground recently constructed.

5. Maintenance of Cutline Road

The Shire of Menzies has entered into an agreement with the City of Kalgoorlie Boulder for the upgrade and maintenance of the Cutline Road.

The Cutline Road runs from Kitchener on the Trans Access Road through to Red Drum Corner at the intersection with the Connie Sue Highway and is used by the community of Tjuntjuntjara to travel to and from Kalgoorlie. The section of the Cutline Road in question is within the City of Kalgoorlie Boulder.

A proposal has been agreed whereby the Shire will maintain the road on the City's behalf with the City providing funding that they have available. Economies of scale can be made with the Shire incorporating works in with other works on the Connie Sue Highway and Tjuntjuntjara Access Road.

We say goodbye to Antonio Giometti and Pema Chhunzom. Antonio has held the position of Chief Finance Officer and Pema our Community Engagement Officer with the Shire of Menzies for the past 14 months. We thank them for their service and wish them all the best with their new positions with the Marra Worra Worra Aboriginal Corporation in Fitzroy Crossing.

Women's Leadership Forum 2022 - 15 July 2022

The Kalgoorlie-Boulder Chamber of Commerce and Industry Inc (KBCCI) hosted the Women's Leadership Forum 2022 on 15 July where 11 inspirational speakers talked about their experiences in life. Attendees from various organisations attended the event and the Shire of Menzies had seven women staff attending the whole day event. The program was very inspirational and taught failure is not an option. After the program ended, it was followed by a Sundowner where the attendees and speakers had the chance to exchange conversations over sampling delicious canapes and drinks.

Some of the presenters of the day provided very inspirational presentations of their successes in very trying circumstances included Doctor Craig Challen a cave driver notable for his unrelenting efforts in saving a soccer team in a Thai cave rescue mission. Neryl Joyce who went from being a Woolworths checkout operator to a military police officer in Iraq. Others who presented included Jan Cooper overcoming social basis to women in footy, Rowena Olsen a busy mom who makes time to volunteer in helping others and Ms. Ali Kent - MLA, Member for Kalgoorlie talked about her journey through life.

Free Prospecting & Geological Tuition with David Randle

The Menzies CRC with David Randle organised free prospecting and geological tuition workshop on 16 July 2022. The workshop was successful with 18 attendees consisting of visitors and people from community at Menzies Caravan Park Camp Kitchen. Free sausage sizzle was provided during the event. David Randle has experience in prospecting for over 20 years and has studied Geology at the University of Tasmania.

So far the CRC has received positive feedback about the event being very informative and thanking David Randle for volunteering for facilitating the workshops. Similar programs will be announced so keep yourself updated on the Shire of Menzies Facebook.

ARTGOLD : AstroPhotography

ArtGold arranged for a workshop and 2 field trips for Astrophotography, facilitated by Michael Goh in Kalgoorlie Boulder. Michael is a professional Astro photographer located just north of Perth, Western Australia. His work is shown in several astronomy based documentaries, and in numerous books and publications.

The workshop ran from 14:30 – 16:30 on Friday 29 July as a brief introduction astrophotography and the field trips. The first trip was a scheduled night field trip to Lake Ballard (Fri 19:30 29 July – Sat 19:30 30 Jul) – this was postponed due to inclement (overcast and maybe rain) weather. The second field trip on the following Saturday - under with very cold conditions which most of the other Field groups attended. This was a success with photos of the stars / Milky Way and some Satellites and meteorites traces.

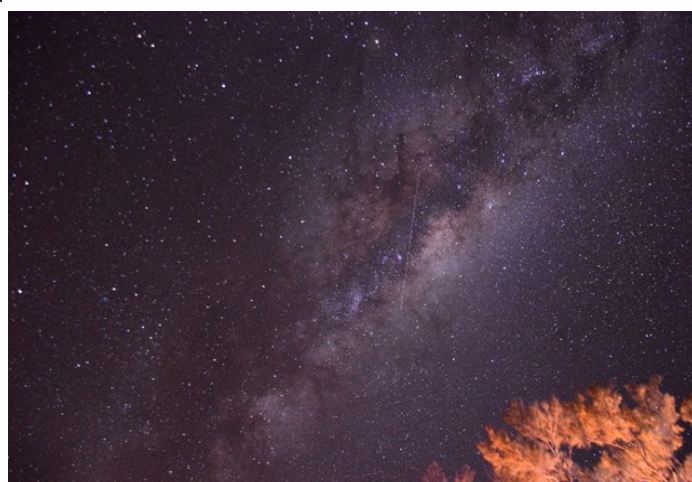

Michael was entertaining in his presentations and is very knowledgeable on the subject and photographing in general. The attending photographers came from throughout the state. There may be some future workshops & fieldtrips. Anyone interested should joined the ArtGold Facebook group: [Artgold inc.](#) or <http://www.artgold.net.au/> webpage.

COVID - 19 Awareness

With increasing cases of new COVID-19 variants spreading in the community, the chance of reinfection is now more likely.

For this reason, the window for potential reinfection of COVID-19 has been reduced from after 12 weeks to after four weeks (28 days), based on the latest expert advice from the Australian Health Protection Principal Committee (AHPPC),

This means that effective immediately, recovered COVID-19 cases will be required to test for COVID-19 after 28 days, if experiencing symptoms, and follow the relevant advice if they test positive.

Free Rapid Antigen Tests (RATs) for the WA community to ease cost of living pressures and support regular COVID-19 testing are available from the CRC in Menzies

It is important that people who have previously had COVID-19, irrespective of the variant, continue to receive the recommended COVID-19 vaccination doses, as prior infection alone will not provide sufficient protection against severe disease.

From Monday 11 July, 2022, the COVID-19 fourth dose is available and encouraged for anyone aged 30 and over.

This is in addition to the previous recommendations for a fourth dose, which remain in place for:

- all adults aged 65 years or older
- residents of aged care or disability care facilities
- Aboriginal and Torres Strait Islander people aged 50 years or older
- people who are severely immunocompromised (external link) (this will be their fifth dose)
- people aged 16 years or older with a medical condition (external link) that increases the risk of severe COVID-19 illness
- people aged 16 years or older with disability, significant or complex health needs, or multiple comorbidities which increase the risk of a poor outcome

National Coronavirus Helpline

For information about COVID-19 and vaccines call 1800 020 080. This line operates 24 hours a day, 7 days a week with additional options for priority groups.

MENZIES COMMUNITY SCHOOL

Pukulpa Nintirrinkula
Happy Learning

Menzies Newsletter
Term 3 Week 2

From the principal:

Welcome to another term. Recently we had our school review and I can say with great pride that we passed with flying colours. I would like to publicly acknowledge the staff for all of their hard work and a special thank you to Irene for coming and representing the school council. As Brian has left, we have a vacancy on the council. If you are interested in helping the school achieve the best outcomes for students, or just seeing how the school runs, please let me know.

Attendance reward:

As I have discussed with most parents, this term reward is a shopping trip into Kalgoorlie and a special lunch. The only requirement is 80% attendance. Next term the big reward will be a day at the Oasis. This will be for all students whose attendance is 80% this term and next.

From the Yilpa Classroom:

Students from Early Childhood classroom will be learning about measurement this term. We have started our lesson with the topic on length, and next we will be learning about weight. Students are now learning the vocabulary 'longer' and 'shorter' to compare the length of two items. We also started measuring classroom items with informal units, which is a non-standard form of measurement, such as unifix cubes, paper clips, counters etc.

From the Wanampi Classroom:

In Science this term, the Wanampi class is focusing on Earth and Space Sciences. We will be exploring things such as landforms, natural forms of erosion and different types of renewable energy. The staff held an afternoon tea for parents and community members to help aid the Two-Way Science planning process. A huge thank you to the parents and community members who came and shared their ideas, knowledge and took interest in the students' learning. We are looking forward to a busy and exciting term!

MENZIES DISCOVERY DAY

9-15 October 2022

Fun activities for the whole family that showcase the Menzies region and history, will be held in Menzies Town Centre as part of the **Menzies Discovery Day** celebration on **Saturday, 15 October 2022**.

The celebration will be held at the Menzies Sports Oval and Ngalipaku Building (Youth Centre) area and will run from 12pm to 9pm.

Highlights of the day will include jumping castle-type activities and old-fashion race games for the children, making a giant art lantern workshop, a gold detecting competition and dancing under the stars while listening to Marcus McGuire and the Mucky Duck Bush Band later in the evening.

Entry is free to this alcohol-free event and parking is available along the streets, back of the Sports Oval and Council carpark.

The event is hosted by the Menzies Community Resources Centre (Menzies CRC) and the Menzies Community.

The event is supported by Horizon Power, Shire of Menzies, Ardea Resources, Kingwest Resources, AngloGold Ashanti, Regional Development Australia Goldfields Esperance (RDAGE), Arc Infrastructure, Hunter Holding, Eagle Petroleum, Pirates Gold Prospecting Tours and more to follow. We are extremely grateful and appreciative of the generous contribution received so far.

The Menzies CRC is still looking for volunteers, event activities ideas, stall holders (especially food stalls) and entertainment.

For further information, and/or would like to be involved, please email cs@menzies.wa.gov.au or phone **9024 2702**.

NAIDOC Week 2022 Art Community Art Project Colab Unveil!

Phase One of the CDP and St Barbara (SBM) Mural Art Project collaboration has successfully come together thanks to the hard work and dedication of our local Leonora based artists Angie Simpson, Vicki Abdullah, and Godfrey Elliott.

This culturally significant Wongatha Country Project saw the unveiling of a central 'meeting place' recreation area of the St Barbara Accommodation Village showcasing local art with connection to country through storytelling. This Project was directed by Waalitj CDP in consultation with SBM Management to timeframe prior to a special NAIDOC Week 2022 unveil.

Phase Two planning is due to commence in August 2022 for a broader community project with further consultation to be initiated. In addition, social enterprise support showcasing local artists art pieces will be promoted via St Barbara's global channels. Thank you to our incredible artists, St Barbara Management and residential staff for this wonderful opportunity, recognition and support ensuring economic sustainability.

We look forward to continued relations with St Barbara and the wider community. Please email biancac@wf.org.au for more information and interest in future projects.

Laverton Training Centre Graduation Ceremony - New Date Announced

A new date is set for Tuesday, 9th August 2022 to acknowledge and celebrate the successes of all students coming to completion of the Certificate II in Rural Operations from Leonora, Laverton and Mount Margaret communities.

VOLUNTEER

Shire of Menzies is looking for volunteers, community champions and aspirational leaders to bring this Outback Town back to life.

As a volunteer you will have the opportunity to:-

- Meet new people and make new friends
- Have fun whilst giving back to the community
- Learn new skills that look great on your resume
- Do something you have always wanted to do
- Make a difference

We are looking for volunteers of all ages, interests and diverse background. Our aim is to create Menzies as a fun and interesting place to live. We need your help in the area of tourism, arts & culture, events, international relations and community development, plus many more!

Please express your interest to Almetra Bethlehem by emailing communitydevelopment@menzies.wa.gov.au or come and see us at the CRC.

SEVEN GOLDEN RULES FOR PROSPECTING

1.

Put safety first

- Make sure you have enough water, fuel, maps and first aid supplies.
- Give serious consideration to taking some form of telecommunications and a global positioning system to fix locations, and a Personal Locator Beacon (PLB) – it may turn out to be your most important safety device.

2.

Obtain a Miner's Right permit

when prospecting on vacant Crown land (\$25 from any Mining Registrar's office).

3.

Obtain a 40E permit

prior to prospecting within an exploration tenement (if you don't have written permission from the tenement holder).

4.

Get written permission

from the tenement holder when prospecting on:

- a mining lease
- an exploration licence (if you don't have a 40E permit)
- a prospecting licence

5.

Comply with all legal requirements

when prospecting on a pastoral lease. You cannot prospect within 100 metres of any occupied building or within 400 metres of any livestock watering point without the consent of the pastoralist.

6.

Show respect when on Crown land

because it is used by other people or set aside for many purposes.

7.

Fill any holes

that you dug and repair ground that has been disturbed.

DID YOU KNOW

1080 BAITING IN THIS AREA IS A RISK TO DOMESTIC PETS

Please be advised that baiting programs using 1080 poison are carried out across Western Australia, including this area, and are aimed at controlling wild dogs, feral cats, feral pigs, foxes and rabbits. The poison baits remain toxic for many months. You need to exercise caution. Domestic pets should be kept close and under control at all times. Owners AUGUST consider the use of leads and muzzles for their domestic pets.

DO NOT RELY ON WARNING SIGNS

WARNING SIGNS ARE PLACED WHERE APPLICABLE, HOWEVER THEY MUST NOT BE DAMAGED, REMOVED, VANDALISED OR DESTROYED

1080 baiting is part of an integrated pest management program protecting livestock from death and injury; reducing the impact on pastoral and agricultural production; and helping to preserve the unique flora and fauna of WA. Baits are not intentionally laid in public areas such as road reserves, parking bays, rest stops or roadhouses however can be inadvertently moved into these areas by animals and birds.

1080 is an S7 Poison
