# PRESIDENT'S REPORT - 2010/11

Council adopted the budget for the year 2010-11 with significant projects to be started, namely the Main Street Upgrade and sealing of the Niagara Dam Road and final section of Kookynie Road.

Internal roads within the Menzies Townsite attracted early road works for an eventual sealing program and kerbing structure. The realignment of Florence Street was commenced and the Kookynie Townsite Information Bay was complemented with a Public Toilet as part of the Golden Quest Discovery Trail.

The Water Playground has become a major project that the Menzies Community has requested the Council to install and further funding is being sought to see this project come to fruition.

A bronze bust of Jimmy Brennan is to be sculpted and will be situated in the War Memorial Park. The Catholic Church Building has been renovated and relocated to Shenton Street War Memorial Park.

Council donated funds to assist the successful running of the Morapoi Outback Rodeo, which was attended by approximately 500 spectators. Funding was also donated to the inaugural "Goldfields Cyclassic", of which the "Menzies Classic" is the core event, and in excess of one hundred registered riders nominated. This event was extremely successful and the inclement weather made the ride even more challenging.

The mining sector continues its growth, Anglo Ashanti Gold with Tropicana Mine proceeding into the construction stage with the development of the access road from Pinjin 260 kilometres to the minesite and camp. Macarthur Minerals at Lake Giles, Jupiter at Mt. Mason, Mindax at Mt. Forrest and Cashmere Iron at Cashmere Downs have all proven viable Hematite Iron Ore deposits and have initiated talks with the Shire particularly with the use of roads within the Shire. Saracen Mines continue to excavate gold ore from Porphry and treat at the Carosue Dam Plant. Council has joined with the Goldfields Voluntary Regional Organisation of Councils to form a collaborative group, GERCG to strengthen our position in Reform Strategy of Local Government.

With the passing of Cr Lloyd Landsdown and the resignation of Councillors Pusey and Kelly in April 2011, the Minister for Local Government gave the Council permission to continue to operate with 4 Councillors until the Ordinary Elections of Council in October 2011.

In June the Chief Executive Officer Brian Seale tendered his resignation, effective 29<sup>th</sup> July 2011.

After an extremely challenging period, I wish to thank the community, Councillors and staff for their efforts and contributions throughout the year.

Greg Dwyer President 17 December 2012

# CHIEF EXECUTIVE OFFICER'S REPORT - 2010/11

This report is retrospectively some two years late due to the departure of the previous CEO of that time. As such, details in this CEO's report will be collated with the assistance of the current staff and will need to be accepted in good faith as the accuracy of some data is difficult to verify.

The reform process is still being debated with some local governments vehemently opposed to the concept. Until the details of what the government has in mind has been revealed, it will be difficult to predict what the impact will have on the Shire of Menzies.

There is ongoing exploration in the western sector of the Shire by a number of iron ore companies which is producing encouraging prospects for the future. Construction of the Tropicana Gold Mine is continuing by AngloGold Ashanti Australia and is expected to be in operation sometime during 2013.

Excavation of gold ore continues at Porphry and is being trucked to Carosue Dam (Saracen Mines) for processing.

The Shire's contribution towards the successful staging of the Cyclassic was a significant move and was well received in all circles.

# Industrial Estate.

Discussions continue in an effort to develop an industrial estate in Menzies particularly in light of the prospective iron ore industry. Should any of these project be brought on line, an industrial estate will be an absolute necessity for the town and district.

# Staffing.

Staffing levels were down with a number of vacancies which contributed to the low levels of completed projects. It is hoped that advertising will address this shortage of staff.

# Plant Acquisitions.

Plant purchased during the past year were:

- Ford G6E Turbo Sedan
- Nissan Navara Ute
- Mitsubishi Rubbish Truck
- Nissan Navara Ute
- Nissan Navara Dual Cab
- Komatsu Backhoe

# Project Achievements.

- Commencement of underground power project in main street
- Further upgrades and improvements to Lady Shenton
- Contributed to the holding of a Rodeo
- Commencement of the Indigenous Walk Trail project
- Completion of residence in Mercer Street
- Sealing of the Niagara Dam Road
- Continued sealing of Kookynie Road
- Public toilets installed at Kookynie Information Bay
- Opening of the upgrade to Menzies caravan park-

# Future Goals Projects.

- Road construction and maintenance continues to be one of our biggest areas of expenditure.
- Continued support for the Cyclassic and to promote the event on a larger scale.
- Further upgrading of the main street.

Peter Crawford Chief Executive Officer 11 December 2012

# Personal Involvement

Elected members are involved with many organisations within the community, and are also active in representing Menzies at a regional and state level. Council's nomination to other organisations include:

- □ Local Emergency Management Committee
- Menzies Volunteer Bushfire Brigade
- Declared Animal Group (Wild Dogs)
- Golden Quest Trail Association
- Kalgoorlie Goldfields Tourism Association
- Goldfields Regional Road Group
- North Eastern Goldfields Tourism Working Group
- Northern Goldfields Sport and Recreation Officer
- Goldfields Voluntary Regional Organisation of Council

# **Occasional Committees**

Council utilises occasional Committees as and when required. At present there are no occasional Committees.

### <u>Agendas</u>

To ensure that all items are included in the Agenda for Council meetings, it is requested that items for consideration be submitted to the Chief Executive Officer at least 14 days prior to Council meeting, as Agendas are prepared for members and are distributed one week prior to the meeting. This will permit your item to be researched if necessary, and be presented to Council with a recommendation for decision, if appropriate.

Copies of the Agenda are available prior to the meeting in accordance with the *Local Government Act (1995)*.

# <u>Minutes</u>

The Minutes of Council and Committee meetings are available for inspection after the

meeting in accordance with the *Local Government Act* (usually about one week), and are available on the Council website. Please note that all Minutes are subject to confirmation by Council.

# **Delegated Authority**

Under the Local Government Act, Council is able to delegate many powers to the Chief Executive Officer. The CEO may then further delegate the duty or responsibility to perform a task. Delegations are recorded in a Register, and are reviewed by Council annually

# COUNCIL FACILITIES

### Public Library

The Shire of Menzies Public Library is open weekdays (except public holidays), November until March and every day, April until October. It is situated within the 'Former' Lady Shenton Hotel (Menzies Visitor Centre).

# Town Hall

The Menzies Town Hall is situated behind the Administration Office on Shenton Street. Bookings for the hall are made through the Shire on (08) 9024 2041. Trestles, tables, chairs etc. can be hired from the Hall. The hall is used for concerts, theatre and musical events.

### Caravan Park

The Shire of Menzies Caravan Park is adjacent to the 'Former' Lady Shenton Hotel (Menzies Visitor Centre). Visitor Centre (08) 9024 2702 Caretaker 0448 242 041 The park has powered caravan sites, and tent sites available. Washing machines and bbq facilities are also offered.

### **Menzies Visitor Centre**

The Menzies Visitor Centre is located within the 'Former' Lady Shenton Hotel. Facilities co-located with the Visitor Centre include; Community Postal Agency, Internet Access, Gift Shop, Public Library and Spinifex Aboriginal Art Gallery. It is open weekdays (except public holidays), November until March and everyday, April until October. Telephone (08) 9024 2702 Email: visitorcentre@menzies.wa.gov.au

### **Emergency Services Buildings**

The Emergencency Services Buildings are situated on Archibald Street in the Emergency Services Area. (Comprises of Volunteer Bushfire Brigade Headquarters, Menzies Nursing Post, and Menzies St John Ambulance.)

### <u>Airstrip</u>

The Menzies Airstrip is located 1km north of the Menzies townsite off Goldfields Highway. The Kookynie Airstrip is located in the Kookynie townsite, on Kookynie Road.

# Rubbish Tip

The Menzies Refuse Disposal Site is situated 2km North of Menzies on the Goldfields Highway. This tip is a Category 63 Putrescible Landfill Site. The Kookynie Refuse Disposal Site is situated 1km West of Kookynie on the Kookynie Road. This site is also a category 63 Putrescible Landfill Site.

# **COUNCIL SERVICES**

# **Private Works**

The Shire's range of modern plant and equipment operated by trained and experienced staff is available for private works hire. Current hire rates for graders, loaders, trucks, bobcat and other equipment are available by contacting the Shire Office on 9024 2041.

# Rubbish Removal

240L Rubbish bins to be placed on road verge. Pick up day is every Monday morning in Menzies.

# **Dog Registrations**

Dog registrations become due on the 1<sup>st</sup> November each year.

Unsterilised Dog or Bitch	1 year \$30.00	3 year \$75.00
Sterilised Dog or Bitch	1 year \$10.00	3 year \$18.00

Dogs used for tending stock 25% of standard fee Pensioners 50% of standard fee.

### **Dog Impoundment**

Dog Owners have an obligation to keep their dogs under effective control at all times. Dogs wandering at large present a nuisance and are a danger to the public. Dog patrols will be carried out by the ranger and complaints will be acted upon. The Dog Act 1976 provides heavy penalties for owners whose dogs are impounded.

# Health and Building Information

The Principal Environmental Health / Building Officer, Mr.Garry Agnew is located in the Shire of Leonora Administration Offices. Any matters concerning Health and Building can be directed to Gary on (08) 9037 6044.

# SERVICES TO THE COMMUNITY

Council provides an extensive variety of services for the community under a wide range of legislation. Services provided include:

- Building control
- Bush fire control
- Cemeteries (Tourism
  Value and Maintenance
  Only)
- Citizenship ceremonies
- Crossovers
- Demolition permits
- Dog control
- Environmental Health
- Fire Prevention
- □ Library services
- □ Street bins
- Media Releases

- Playground Equipment
- Public Buildings for hire
- Public Toilets
- Recreation/sporting facilities
- Roads and footpaths
- Rubbish collection
- Street Lighting
- Traffic control works
- LEMAC (Local Emergency Management Advisory Committee)
- □ Weed control on reserves
- Planning Controls
- Parks and Reserves

Council also provides financial or other support to a number of organisations such as:

- Menzies Primary School Financial Support
- Royal Flying Doctor Service Financial Support
- □ Menzies Volunteer Bushfire Brigade Financial Support
- Menzies Classic Cycle Race Volunteer Work
- Golden Quest Trail Association Financial Support
- □ Menzies St Ambulance Association Financial Support
- □ Northern Goldfields Tourism Association Financial Support.
- Leonora Golden Gift Financial Support

### **Public Participation**

Members of the public have a number of opportunities to put forward their views on

particular items before Council. These are:

Deputations – With the approval of the President, a member of the public can address the Council personally, or on behalf of another person or organisation.

Submissions – Some development applications do not require specific or special approval of Council. However, where special approval is required, residents are notified by advertising in local newspapers, and in some instances, they may also be notified individually by the Council or the developer.

When an application is publicly advertised, residents have the opportunity to make written submission to the Council expressing their views regarding the application.

- Petitions Written petitions can be addressed to the Council on any issue within the Council's jurisdiction. It is a good idea to present your petition to your ward councillors, who can familiarise themselves with the petition and refer it to the appropriate person.
- Written requests A member of the public can write to Council on any Council policy, activity or service.
- Elected members Members of the public can contact any of the councillors to discuss any issue relevant to Council.

# Access To Council Documents

The following documents are available for inspection at the Council Offices free of charge. Copies of the documents can be made available, although some will incur a charge to cover the cost of photocopying. The *Local Government Act 1995* does stipulate minimum requirements for documents to be made available for public inspection, and these include:

- Minutes and Agendas of Council and Committee Meetings
- General Policy Manual
- Annual Budgets
- □ Annual Report
- Annual Financial Statements
- Quarterly Financial Statements
- Council Local Laws (By-laws)
- Town Planning Scheme
- Town Planning Policy Manual
- Financial Interest Register Primary and Annual Returns, and Declarations

Requests for other information will be considered in accordance with the requirements of the *Freedom of Information Act* and the *Local Government Act*. Under the FOI Act, an application fee and search fee must be submitted with the completed request form, unless the information is of a personal nature, or an exemption is granted.

# Public Interest Disclosure Act

During 2009/2010, there were no complaints or disclosures registered under the Public Interest Disclosure Act 2003.

# **Disclosure of Annual Salaries in Annual Report**

The Department of Local Government and Regional Development has made legislative amendments to require the annual report of a local government for a financial year to contain information on the number of employees and the amount of salary of employees entitled to an annual salary of \$100,000 or more.

One employee of the Shire of Menzies receives a salary in excess of \$100,000.

# State Records Act 2000

To comply with the State Records Act I advise that:

- A. Council's record keeping systems are practical and are believed to be effective. The system has been evaluated and is in the process of being upgraded to comply with the requirements under Legislation as per the State records Act 2000.
- B. Record keeping training has been conducted and more is proposed
- C. The effectiveness and efficiency of record keeping training will be assessed as required
- D. Council's induction/training of staff will include compliance with Council's record keeping plan.

# National Competition Policy

# 2010/2011 FINANCIAL YEAR

Preface National Competition Policy (NCP) is designed to enhance the effectiveness of public sector agencies and lead to more efficient use of all economic resources. There are a number of specific requirements placed on local government in the areas of competitive neutrality, legislation review and structural reform.

# 1. <u>Competitive Neutrality</u>

The principle of Competitive Neutrality is that government business should not enjoy a competitive advantage, or disadvantage, simply as a result of their public sector ownership. Measures should be introduced to effectively neutralise any net competitive advantage flowing from government ownership. Competitive neutrality should apply to all business activities, which generate a users-pay income over \$200,000 unless it can be shown it is not in the public interest.

The Shire of Menzies does not operate a business activity, which generates a user-pays income over \$200,000 per annum.

Consequently, the Shire of Menzies is not required to implement competitive neutrality.

# 2. Legislation Review

All local governments are required to assess which of their local laws might impact on competition and conduct a review of each to determine how any restrictive practices might be overcome.

 Council has commenced a review of the Local Laws during the 2010/11 financial year.

Where necessary Clause 7 legislation review principles will be complied with and the Shire of Menzies remains committed to reviewing its existing local laws, as well as proposed local laws.

# 3. Structural Reform

Before local governments privatize a monopoly business or introduce competition into a sector dominated by a monopoly or near monopoly, the regulatory and commercial activities must be separated and a review undertaken.

The Shire of Menzies did not privatise any activities in 2010/11. Consequently, there were no obligations for structural reform. Nevertheless, the Shire of Menzies is committed to the principles of structural reform under National Competition Policy.

# **Disability Services Plan**

Council adopted its Disability Services Plan in December 1995, and has been systematically implementing the planned outcomes. Any new development or works carried out by Council take into consideration disability access or use.

# OUTCOME 1

Existing functions, facilities and services are adapted to meet the needs of people with disabilities. - **Ongoing** 

# OUTCOME 2

Access to buildings is improved. - Completed

Any new buildings or facilities are to be assessed to accommodate people with disabilities. – **Ongoing** 

# OUTCOME 3

Information about functions, facilities and services is provided in formats which meet the communication requirements of people with disabilities. – **Ongoing** 

# OUTCOME 4

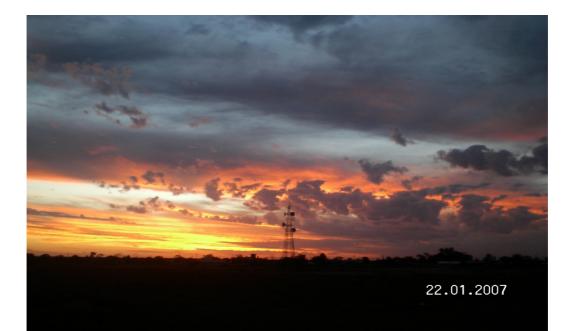

Staff awareness of the needs of people with disabilities and skills in delivering advice and services are improved. – **Ongoing training requirements.** 

# OUTCOME 5

Council to provide information about planning processes, Council meetings and complaint procedures in clear and concise language and will make these available in alternative formats – **Ongoing** 

Copies of the current Disability Access and Inclusion Plan are available from the Shire Administration Office.

Council has a commitment to review this plan and will prepare a Disability Access and Inclusion Plan during the financial year 2009/2010

# FREEDOM OF INFORMATION STATEMENT

This information statement is published in accordance with the *Freedom of Information Act 1992*.

# Structure and Functions of Council

The Shire of Menzies is established under the *Local Government Act 1995*, and has the responsibility for the administration of this Act within the municipality. Other major Legislation, which creates a duty or an authority for Council to act, includes but is not limited to:

- □ Health Act 1911
- **D** Town Planning and Development Act 1928
- □ Bush Fires Act 1954
- Dog Act 1976

# Council

Council's affairs are managed by 7 people elected from the community, who act in a

voluntary capacity, and represent three wards. The Council acts as a community board, establishing policies and making decisions within the requirements of the *Local Government Act* on a wide range of issues affecting the community, and in keeping with the legislative requirements to:

- Determine policies to be applied by Council in exercising its discretionary powers
- Determine the type, range and scope of projects to be undertaken by Council
- Develop comprehensive management plans, budgets, financial controls and performance objectives and indicators for the operations of Council

The Council makes decisions which direct and/or determine its activities and functions.

Such decisions include the approval of works and services to be undertaken, and the

allocation of resources to works and services.

Decisions are also made to determine whether or not approvals are to be granted for

applications for residential and commercial development.

Ordinary meetings of Council are held on the fourth Thursday of each month commencing at 9.00am except January. All members of the public are welcome to attend.

# AN OVERVIEW OF THE PLAN FOR THE FUTURE OF THE DISTRICT – 2010/11

Consistent and pursuant to section 5.53 (2.),(e.) of the Local Government Act 1995, Council is required to provide an overview of the Plan for the Future of the district, including any major initiatives that are proposed to commence or to continue in the next financial year.

# **General Overview**

### 1. Housing

Councils plans to continue the progressive improvement to housing for staff. Opportunity to provide further housing in the new financial year with the purchase of two dwellings from G.R.O.H remains a budget provision for future consideration.

# 2. Road Infrastructure

The annual maintenance of the network was achieved through the use of contractors and a high standard was maintained and achieved throughout the year. It is anticipated that approximately \$1,500,000 pa will be applied to this area of Council operations.

### 4. Streetscape / Town Beautification.

The planning and design for this important aspect was addressed and resolved by council and it remains a contract for the New Year, with below ground power being a significant component.

### 5. Plant Acquisition.

Regular plant replacement is an important aspect of the Shire's asset protection component and this was achieved during the year, with the recent purchase of a new grader.

### 6. War Memorial / Garden of Memorial

This innovative concept has been endorsed by Council and is presently under review with designs, quotes and plans being prepared.

# 7. Caravan Park Upgrade

The completion and re-occupancy of the site is almost completed with only a very small amount of items outstanding. This represents a great development for this Shire.

# 8. Lady Shenton

The restoration of the Lady Shenton continues with ablutions being installed and completion is expected during 2011. This has been a great boon for the Shire.

# 9. Lake Ballard.

The development of this significant site has been established and the planning has been concluded with the viewing platform constructed. The further development of ablutions and visitor information bay were completed under the auspice of the Department of Environment and Conservation.

# Proposed initiatives to Commence or Continue into the next Year.

The continuation of the above nine listed concepts will continue into the next financial year as these are on-going projects together with the proposed Developments planned for the next financial year as listed:

Restoration of Historic Buildings

- 1. Truck Bay Assembly Area
- 2. War Memorial and Garden of Remembrance
- 3. Menzies Indigenous Interpretive Trail

### 1. SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies which have been adopted in the preparation of this financial report are:

### (a) Basis of Preparation

The financial report is a general purpose financial statement which has been prepared in accordance with Australian Accounting Standards (as they apply to local governments and not-for-profit entities), Australian Accounting Interpretations, other authoratative pronouncements of the Australian Accounting Standards Board, the local Government Act 1995 and accompanying regulations.

The report has also been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of the selected non-current assets, financial assets and liabilities.

### **Critical Accounting Estimates**

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

### (b) The Local Government Reporting Entity

All Funds through which the Council controls resources to carry on its functions have been included in the financial statements forming part of this financial report.

In the process of reporting on the local government as a single unit, all transactions and balances between those funds (for example, loans and transfers between Funds) have been eliminated.

All monies held in the Trust Fund are excluded from the financial statements, but a separate statement of those monies appears at Note 19 to these financial statements.

### (c) Goods and Services Tax

In accordance with recommended practice, revenues, expenses and assets capitalised are stated net of any GST recoverable. Receivables and payables in the statement of financial position are stated inclusive of applicable GST.

### (d) Cash and Cash Equivalents

Cash and cash equivalents include cashon hand, cash at bank, deposits held at call with banks, other short term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and bank overdrafts.

Bank overdrafts are shown as short term borrowings in current liabilities on the statement of financial position.

#### (e) Trade and Other Receivables

Collectibility of trade and other receivables is reviewed on an ongoing basis. Debts that are known to be uncollectible are written off when identified. An allowance for doubtful debts is raised when there is objective evidence that they will not be collectible.

### 1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

### (f) Inventories

### General

Inventories are measured at the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

### Land Held for Resale

Land purchased for development and/or resale is valued at the lower of cost and net realisable value. Cost includes the cost of acquisition, development, borrowing costs and holding costs until Finance costs and holding charges incurred after development is completed are expensed.

Revenue arising from the sale of property is recognised in the statement of comprehensive income as at the time of signing an unconditional contract of sale.

Land held for resale is classified as current except where it is held as non-current based on Council's intention to release for sale.

### (g) Fixed Assets

Each class of fixed assets is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation or impairment losses.

### Initial Recognition

All assets are initially recognised at cost. Cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition. For assets acquired at no cost or for nominal consideration, cost is determined as fair value at the date of acquisition. The cost of noncurrent assets constructed by the Council includes the cost of all materials used in construction, direct labour on the project and an appropriate proportion of variable and fixed overhead.

#### Revaluation

Certain asset classes may be revalued on a regular basis such that the carying values are not materially different from fair value. For infrastructure and other asset classes where no active market exists, fair value is determined to be the current replacement cost of an asset less, where applicable, accumulated depreciation calculated on the basis of such cost to reflect the already consumed or expired future economic benefits of the asset.

Increases in the carrying amount arising on revaluation of assets are credited to a revaluation

Any accumulated depreciation at the date of revaluation is eliminated against the gross carrying amount of the asset and the net amount is restated to the revalued amount of the asset.

Those assets carried at a revalued amount, being their fair value at the date of revaluation less any subsequent accumulated depreciation and accumulated impairment losses, are to be revalued with sufficient regularity to ensure the carrying amount does not differ materially from that determined using fair value at reporting date.

### 1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

### (g) Fixed Assets (Continued)

### Land under Roads

In Western Australia, all land under roads is Crown Land, the responsibility for managing which, is vested in the local government.

Effective as at 1 July 2008, Council elected not to recognise any value for land under roads acquired on or before 30 June 2008. This accords with the treatment available in Australian Accounting Standard AASB1051 - Land Under Roads and the fact Local Government (Financial Management) Regulation 16(a)(i) prohibits local governments from recognising such land as an asset.

In respect of land under roads acquired on or after 1 July 2008, as detailed above, Local Government (Financial Management) Regulation 16(a)(i) prohibits local governments from recognising such land as an asset.

Whilst such treatment is inconsistent with the requirements of AASB 1051, Local Government (Financial Management) Regulation 4(2) provides, in the event of such an inconsistency, the Local Government (Financial Management) Regulations prevail.

Consequently, any land under roads acquired on or after 1 July 2008 is not included as an asset of the Council.

### **Depreciation of Non-Current Assets**

All non-current assets having a limited useful life are separately and systematically depreciated over their useful lives in a manner which reflects the consumption of the future economic benefits embodied in those assets.

Assets are depreciated from the date of acquisition or, in respect of internally constructed assets, from the time the asset is completed and held ready for use.

Depreciation is recognised on a straight-line basis, using rates which are reviewed each reporting period. Major depreciation rates are:

Buildings	5%
Furniture and Equipment	10%
Plant and Equipment - Heavy	15%
Plant and Equipment - Sundry	25%
Electronic Equipment	25%
Tools	20%
Infrastructure - Roads	4%
Infrastructure - Floodways	6%
Infrastructure - Other	2%
Infrastructure - Grids	4%

The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

### 1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

### (g) Fixed Assets (Continued)

### Depreciation of Non-Current Assets (Continued)

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with with the carrying amount. These gains and losses are included in the statement of comprehensive income. When revalued assets are sold, amounts included in the revaluation surplus relating to that asset are transferred to retained earnings.

### Capitalisation Threshold

Council do not have a capitalisation threshold policy but all items of a minor nature are expensed.

### (h) Financial Instruments

### Initial Recognition and Measurement

Financial assets and financial liabilities are recognised when the Council becomes a party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date that the Council commits itself to either the purchase or sale of the asset (ie trade date accounting is adopted).

Financial instruments are initially measured at fair value plus transaction costs, except where the instrument is classified 'at fair value through profit or loss', in which case transaction costs are expensed to profit or loss immediately.

#### **Classification and Subsequent Measurement**

Financial instruments are subsequently measured at fair value, amortised cost using the effective interest rate method or at cost.

Fair value represents the amount for which an asset could be exchanged or a liability settled, between knowledgeable, willing parties. Where available, quoted prices in an active market are used to determine fair value. In other circumstances, valuation techniques are adopted.

### 1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

### (h) Financial Instruments (Continued)

# Classification and Subsequent Measurement (Continued)

Amortised cost is calculated as:

- (a) the amount in which the financial asset or financial liability is measured at initial recognition;
- (b) less principal repayments;
- (c) plus or minus the cumulative amortisation of the difference, if any, between the amount
- (b) less any reduction for impairment.

The effective interest rate method is used to allocate interest income or interest expense over the relevant period and is equivalent to the rate that exactly discounts estimated future cash payments or receipts (including fees, transaction costs and other premiums or discounts) through the expected life (or when this cannot be reliably predicted, the contractual term) of the financial instrument to the net carrying amount of the financial asset or financial liability. Revisions to expected future net cash flows will necessitate an adjustment to the carrying value with a consequential recognition of an income or expense in profit or loss.

### (i) Financial assets at fair value through profit and loss

Financial assets at fair value through profit or loss are financial assets held for trading. A financial asset is classified in this category if acquired principally for the purpose of selling in the short term. Derivatives are classified as held for trading unless they are designated as hedges. Assets in this category are classified as current assets.

### (ii) Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently measured at amortised cost.

Loans and receivables are included in current assets, except for those which are not expected to mature within 12 months after the end of the reporting period (classified as non-current assets).

### (iii) Held-to-maturity investments

Held-to-maturity investments are non-derivative financial assets with fixed maturities and fixed or determinable payments and fixed maturities that the Council's management has the positive intention and ability to hold to maturity.

Held-to-maturity financial assets are included in non-current assets, except for those which are expected to mature within 12 months after the end of the reporting period (classified as current assets).

If the Council were to sell other than an insignificant amount of held-to-maturity financial assets, the whole category would be tainted and reclassified as available-for-sale.

### 1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

### (h) Financial Instruments (Continued)

### Classification and Subsequent Measurement (Continued)

(iv) Available-for-sale financial assets

Available-for-sale financial assets, are non-derivative financial assets that are either not suitable to be classified into other categories of financial assets due to their nature, or they are designated as such by management. They comprise investments in the equity of other entities where there is neither a fixed maturity nor fixed or determinable.

Available-for-sale financial assets are included in non-current assets, except for those which are expected to mature within 12 months after the end of the reporting period (classified as current assets).

#### (v) Financial liabilities

Non-derivative financial liabilities (excluding financial guarantees) are subsequently measured at amortised cost.

### Impairment

At the end of each reporting period, the Council assesses whether there is objective evidence that a financial instrument has been impaired. In the case of available-for-sale financial instruments, a prolonged decline in the value of the instrument is considered to determine whether impairment has arisen. Impairment losses are recognised in the statement of comprehensive income.

### (i) Estimation of Fair Value

The fair value of financial assets and financial liabilities must be estimated for recognition and measurement or for disclosure purposes.

The fair value of financial instruments traded in active markets is based on quoted market prices at the reporting date.

The fair value of financial instruments that are not traded in an active market is determined using valuation techniques. The Council uses a variety of methods and makes assumptions that are based on market conditions existing at each reporting date. These include the use of recent arm's length transactions, reference to other instruments that are substantially the same, discounted cash flow analysis, and option pricing models making maximum use of market inputs and relying as little as possible on entity-specific inputs.

Quoted market prices or dealer quotes for similar instruments are used for long-term debt instruments held. Other techniques, such as estimated discounted cash flows, are used to determine fair value for the remaining financial instruments.

The nominal value less estimated credit adjustments of trade receivables and payables are assumed to approximate their fair values. The fair value of financial liabilities for disclosure purposes is estimated by discounting the future contractual cash flows at the current market interest rate that is available to the Council for similar financial instruments.

### 1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

### (j) Impairment

In accordance with Australian Accounting Standards the Council's assets, other than inventories, are assessed at each reporting date to determine whether there is any indication they may be impaired.

Where such an indication exists, an estimate of the recoverable amount of the asset is made in accordance with AASB 136 *'Impairment of Assets'* and appropriate adjustments made.

An impairment loss is recognised whenever the carrying amount of an asset or its cash-generating unit exceeds its recoverable amount. Impairment losses are recognised in the statement of comprehensive income.

For non-cash generating assets such as roads, drains, public buildings and the like, value in use is represented by the depreciated replacement cost of the asset.

### (k) Trade and Other Payables

Trade and other payables represent liabilities for goods and services provided to the Council prior to the end of the financial year that are unpaid and arise when the Council becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured and are usually paid within 30 days of recognition.

### (I) Employee Benefits

The provisions for employee benefits relates to amounts expected to be paid for long service leave, annual leave, wages and salaries and are calculated as follows:

(i) Wages, Salaries, Annual Leave and Long Service Leave (Short-term Benefits) The provision for employees' benefits to wages, salaries, annual leave and long service leave expected to be settled within 12 months represents the amount the Council has a present obligation to pay resulting from employees services provided to reporting date. The provision has been calculated at nominal amounts based on remuneration rates the Council expects to pay and includes related on-costs.

### (ii) Long Service Leave (Long-term Benefits)

The liability for long service leave is recognised in the provision for employee benefits and measured as the present value of expected future payments to be made in respect of services provided by employees up to the reporting date using the projected unit credit method. Consideration is given to expected future wage and salary levels, experience of employee departures and periods of service. Expected future payments are discounted using market yields at the reporting date on national government bonds with terms to maturity and currency that match as closely as possible, the estimated future cash outflows. Where the Council does not have the unconditional right to defer settlement beyond 12 months, the liability is recognised as a current liability.

#### (m) Borrowing Costs

Borrowing costs are recognised as an expense when incurred except where they are directly attributable to the acquisition, construction or production of a qualifying asset. Where this is the case, they are capitalised as part of the cost of the particular asset.

### 1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

### (n) Provisions

Provisions are recognised when:

- a) the Council has a present legal or constructive obligation as a result of past events;
- b) for which it is probable that an outflow of economic benefits will result to settle the obligation; and
- c) that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

Provisions are not recognised for future operationg losses.

### (o) Leases

Leases of fixed assets, where substantially all the risks and benefits incidental to the ownership of the asset, but not legal ownership, are transferred to the Council, are classified as finance leases. Finance leases are capitalised recording an asset and a liability equal to the present

Finance leases are capitalised recording an asset and a liability at the lower amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Leased assets are depreciated on a straight line basis over the shorter of their estimated useful lives or the lease term.

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

Lease incentives under operating leases are recognised as a liability and amortised on a straight line basis over the life of the lease term.

### (p) Joint Venture

The Council's interest in a joint venture has been recognised in the financial statements by including its share of any assets, liabilities, revenues and expenses of the joint venture within the appropriate line items of the financial statement. Information about the joint venture is set out in Note 16.

### (q) Rates, Grants, Donations and Other Contributions

Rates, grants, donations and other contributions are recognised as revenues when the local government obtains control over the assets comprising the contributions. Control over assets acquired from rates is obtained at the commencement of the rating period or, where earlier, upon receipt of the rates.

Where contributions recognised as revenues during the reporting period were obtained on the condition that they be expended in a particular manner or used over a particular period, and those conditions were undischarged as at the reporting date, the nature of and amounts pertaining to those undischarged conditions are disclosed in Note 2(c). That note also discloses the amount of contributions recognised as revenues in a previous reporting period which were obtained in respect of the local government's operation for the current reporting period.

# 1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

### (r) Superannuation

The Council contributes to a number of superannuation funds on behalf of employees.

### (s) Current and Non-Current Classification

In the determination of whether an asset or liability is current or non-current, consideration is given to the time when each asset or liability is expected to be settled. The asset or liability is classified as current if it is expected to be settled within the next 12 months, being the Council's operational cycle. In the case of liabilities where the Council does not have the unconditional right to defer settlement beyond 12 months, such as vested long service leave, the liability is classified as current even if not expected to be settled within the next 12 months. Inventories held for trading are classified as current even if not expected to be realised in the next 12 months except for land held for resale where it is held as non-current based on Council's intentions to release for sale.

## (t) Rounding Off Figures

All figures shown in this annual financial report, other than a rate in the dollar, are rounded to the nearest dollar.

#### (u) Comparative Figures

Where required, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

#### (v) Budget Comparative Figures

Unless otherwise stated, the budget comparative figures shown in this annual financial report relate to the original budget estimate for the relevant item of disclosure.

## 1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### (w) New Accounting Standards and Interpretations for Application in Future Periods

Australian Accounting Standards and Interpretations that have recently been issued or amended but are not yet effective have not been adopted by the Council for the annual reporting period ending 30 June 2011.

Council's assessment of these new standards and interpretations is set out below:

	Title and Topic	Issued	Applicable (*)	Impact
(i)	AASB 9 – Financial Instruments	December 2009	01 January 2013	Nil – The objective of this Standard is to improve and simplify the approach for classification and measurement of financial assets compared with the requirements of AASB 139. Given the nature of the financial assets of the Council, it is not anticipated the standard will have any material effect.
(ii)	AASB 124 – Related Party Disclosures	December 2009	01 January 2011	Nil – It is not anticipated the Council will have any related parties as defined by the Standard.
(iii)	AASB 1053 - Application of Tiers of Australian Accounting Standards	June 2010	01 July 2013	Nil - Due to its nature and statutory requirements the Council will be deemed a Tier 1 entity and will continue to prepare general purpose financial statements.
(iv)	AASB 2009 -12 Amendments to Australian Accounting Standards [AASB 5, 8, 108, 110, 112, 119, 133, 137, 139, 1023 & 1031 and Interpretations 2, 4, 16, 1039 & 1052]	December 2009	01 January 2011	Nil – The revisions embodied in this standard relate to standards which do not apply to local government (ie AASB8) or are largely editorial in nature and will have minimal effect (if any) on the accounting practices of the Council.

# 1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

# (w) New Accounting Standards and Interpretations for Application in Future Periods (Continued)

	Title and Topic	Issued	Applicable (*)	Impact
(v)	AASB 2009– 11 Amendments to Australian Accounting Standards arising from AASB 9	December 2009	01 January 2013	Nil – The revisions embodied in this standard give effect to the consequential changes arising from the issuance of AASB 9 which is not anticipated to have any material effect on the Council (refer (i) above).
	[AASB 1, 3, 4, 5, 7, 101, 102, 108, 112, 118, 121, 127, 128, 131, 132, 136, 139, 1023 & 1038 and Interpretations 10 & 12)			
(vi)	AASB 2010 - 2 Amendments to Australian Accounting Standards arising from Reduced Disclosure Requirements [AASB 1, 2, 3, 5, 7, 8, 101, 102, 107, 108, 110, 111, 112, 116, 117, 119, 121, 123, 124, 127, 128, 131, 133, 134, 136, 137, 138, 140, 141, 1050, & 1052 and Interpretations 2, 4, 5, 15, 17, 127, 129 & 1052]	June 2010	01 July 2013	Nil - None of these amendments will have any effect on the financial report as the standard does not apply in the case of general purpose financial statements.
(vii)	AASB 2010 - 4 Further Amendments to Australian Accounting Standards arising from the Annual Improvements Project [AASB 1, 7, 101, 134, and Interpretation 13]	June 2010	01 January 2011	Nil - The revisions are part of the AASB's annual improvement project to help ensure consistency with presentation, recognition and measurement criteria of IFRSs. It is not anticipated these will have any effect on the Council.

# 1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

# (w) New Accounting Standards and Interpretations for Application in Future Periods (Continued)

	Title and Topic	Issued	Applicable (*)	Impact
(viii)	AASB 2010 - 5 Amendments to Australian Accounting Standards [AASB 1, 3, 4, 5, 101, 107, 112, 118, 119, 121, 132, 133, 134, 137, 139, 140, 1023 & 1038 and Interpretations 112, 115, 127, 132 & 1042]	October 2010	01 January 2011	Nil - The revisions embodied in this standard are largely editorial in nature or relate to standards not applicable to the Council and will have minimal effect (if any) on the accounting practices of the Council.
(ix)	AASB 2010 - 6 Amendments to Australian Accounting Standards - Disclosures on Transfers of Financial Assets [AASB 1 & 7]	November 2010	01 July 2011	Nil - The revisions embodied in this standard amend disclosures required on transfers of financial assets. The Council is not expected to have any qualifying transfers.
(x)	AASB 2010 – 7 Amendments to Australian Accounting Standards arising from AASB 9 (December 2010) [AASB 1, 3, 4, 5, 7, 101, 102, 108, 112, 118, 121, 127, 128, 131, 132, 136, 139, 1023 & 1038 and Interpretations 10 & 12)	December 2010	01 January 2013	Nil – The revisions embodied in this standard give effect to the consequential changes arising from the issuance of AASB 9 which is not anticipated to have any material effect on the Council (refer (i) above).
(xi)	AASB 2010 - 8 Amendments to Australian Accounting Standards - Deferred Tax: Recovery of Underlying Assets [AASB 1 & 7]	December 2010	01 January 2012	Nil - None of these amendments will have any effect on the financial report as none of the topics are relevant to the operations of the Council.

# 1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

# (w) New Accounting Standards and Interpretations for Application in Future Periods (Continued)

	Title and Topic	Issued	Applicable (*)	Impact
(xi)	(Continued)			
	AASB 2010 - 9 Amendments to Australian Accounting Standards - Severe Hyperinflation and Removal of Fixed Dates for First-time Adopters [AASB 1]	December 2010	01 July 2011	Nil - None of these amendments will have any effect on the financial report as none of the topics are relevant to the operations of the Council.
	AASB 2009– 14 Amendments to Australian Interpretations – Prepayments of a Minimum Funding Requirement [AASB Interpretation 14]	December 2009	01 January 2011	
	AASB 2010 - 10 Further Amendments to Australian Accounting Standards - Removal of Fixed Dates for First-time Adopters [AASB 2009 - 11 & 2010 - 7]	December 2010	01 January 2013	
	Notes:			

(\*) Applicable to reporting periods commencing on or after the given date.

#### 1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### (x) Adoption of New and Revised Accounting Standards

During the current year, the Council adopted all of the new and revised Australian Accounting Standards and Interpretations which became mandatory and which were applicable to its operations.

These new and revised standards were:

AASB 2009 - 5 AASB 2009 - 8 AASB 2009 - 10 AASB 2009 - 13 AASB 2010 - 1 AASB 2010 - 3

Interpretation 19

The standards adopted had a minimal effect on the accounting and reporting practices of the Council as they were either largely editorial in nature, were revisions to help ensure consistency with presentation, recognition and measurement criteria of IFRSs or related to topics not relevant to operations.

#### 2. REVENUE AND EXPENSES (Continued)

#### (b) Statement of Objective

The Shire of Menzies is dedicated to providing high quality services to the community through the various service orientated programs which it has established.

#### GOVERNANCE

The reporting of income and expenditure relating to administration, support and operations for Council members and certain Executive and other staff.

#### **GENERAL PURPOSE FUNDING**

The reporting of the Shire's general rating income and the recognition of the Western Australian Grants Commission payment together with interest on investments and costs associated with the collection of funds.

#### LAW, ORDER, PUBLIC SAFETY

The reporting of income and expenditure involved in the supervision of fire prevention and animal control.

#### HEALTH

The reporting of income and expenditure involved with the administration of the Health Act.

#### EDUCATION AND WELFARE

Expenditure to assist in the education of the children and youth within the Shire.

#### HOUSING

Income and expenditure associated with the cost of providing housing to staff and others.

#### **COMMUNITY AMENITIES**

The reporting of expenditure involved in the provision of rubbish depot sites. This activity also includes expenditure on cemeteries.

#### **RECREATION AND CULTURE**

The reporting of income and expenditure associated with the Town Hall, library and recreation area, oval and reserves operated by Council.

#### TRANSPORT

The reporting of income and expenditure associated with the construction and maintenance of roads,grids and traffic signs together with the maintenance of the Council's airstrip.

#### **ECONOMIC SERVICES**

The reporting of income and expenditure includes the operation of Council's caravan park and administration of the Building Code of Australia.

#### **OTHER PROPERTY & SERVICES**

Involves the expenditure and allocation of employee overheads and plant costs, also included is the accounting for private works, salary and wage reconciliation and other incomes and expenditures not included elsewhere.

# 11. RESERVES - CASH BACKED (continued)

All of the reserve accounts are supported by money held in financial institutions and match the amounts shown as restricted cash of this financial report.

In accordance with council resolutions in relation to each reserve account, the purpose for which the funds are set aside are as follows:

Leave Reserve - to be used to fund annual and long service leave requirements. Plant Reserve - to be used for the purchase of major plant. **Building Reserve** - to be used for the acquisition of future buildings and renovation of existing buildings. **TV Reserve** - to be used to fund upgrades to the rebroadcasting equipment. Road Reserve - to be used to fund major road works. Main Street Reserve - established for the beautification of the main street. Staff Amenities Reserve - established for the purpose of providing staff housing ad amenities. Caravan Park Reserve - established for the purpose of upgrading the caravan park. **Rates Future Claims Reserve** - established for future rates claims. Bitumen Reseal Reserve - established to fund future resealing of roads. Niagara Dam Reserve - established for ongoing upgrade of Niagara Dam valve workings and other maintenance. Housing Maintenance Reserve - established to fund future housing refurbishment. Aternative Power Reserve - established to fund future solar or wind power sources.

None of the above reserves are expected to be used within a set period as further transfers to the reserve accounts are expected before funds are utilised.

The Rates Future Claims Reserve will be maintained until there are any claims made against Rate book credits.

12.	RESERVES - ASSET REVALUATION	2011 \$	2010 \$

## 23. SPECIFIED AREA RATE - 2010/11 FINANCIAL YEAR

No specified area rates were imposed in the 2010/11 financial year.

#### 24. SERVICE CHARGES - 2010/11 FINANCIAL YEAR

No service charges were levied in the 2010/11 financial year.

# 25. DISCOUNTS, INCENTIVES, CONCESSIONS, & WRITE-OFFS - 2010/11 FINANCIAL YEAR

	Туре	Disc %	Total Cost/ Value \$	Budget Cost/ Value \$
General Rates	Discount	5.00%	38,597	75,000
Rate Assessment	Write-Off		0	50,000

A discount on rates is granted to all who pay their rates in full within 35 days of the date of service appearing on the rate notice.

An allowance is made to write off uncollectable rates.

#### 26. INTEREST CHARGES AND INSTALMENTS - 2010/11 FINANCIAL YEAR

	Interest Rate %	Admin. Charge \$	Revenue \$	Budgeted Revenue \$
Interest on Unpaid Rates	0.00%		0	0
Interest on Instalments Plan	0.00%		0	0
Charges on Instalment Plan		7	2,877	900
			2,877	900

Ratepayers had the option of paying rates in four equal instalments, due on 15th October 2010, 15th December 2010, 15th February 2011 and 15th April 2011. Administration charges applied for the final three instalments.

No interest was charged on overdue rates.

27. FEES & CHARGES	2011 \$	2010 \$
	÷	Ŧ
Governance	2,384	9,729
General Purpose Funding	2,877	1,320

# **31. MAJOR LAND TRANSACTIONS**

Council did not participate in any major land transactions during the 2010/11 financial year.

# 32. TRADING UNDERTAKINGS AND MAJOR TRADING UNDERTAKINGS

Council did not participate in any trading undertakings or major trading undertakings during the 2010/11 financial year.

#### 33. FINANCIAL RISK MANAGEMENT

Council's activities expose it to a variety of financial risks including price risk, credit risk, liquidity risk and interest rate risk. The Council's overall risk management focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the financial performance of the Council.

Council does not engage in transactions expressed in foreign currencies and is therefore not subject to foreign currency risk.

Financial risk management is carried out by the finance area under policies approved by the Council.

The Council held the following financial instruments at balance date:

	Carrying	Value	Fair Value		
	2011	2010	2011	2010	
	\$	\$	\$	\$	
Financial Assets					
Cash and cash equivalents	3,910,500	3,850,687	3,910,500	3,850,687	
Receivables	842,139	1,235,559	842,139	1,235,559	
	4,752,639	5,086,246	4,752,639	5,086,246	
Financial Liabilities					
Payables	202,857	833,552	202,857	833,552	
Borrowings	91,003	117,929	85,415	110,190	
	293,860	951,481	288,272	943,742	

Fair value is determined as follows:

• Cash and Cash Equivalents, Receivables, Payables – estimated to the carrying value which approximates net market value.

• Borrowings – estimated future cash flows discounted by the current market interest rates applicable to assets and liabilities with similar risk profiles.

# 33. FINANCIAL RISK MANAGEMENT (Continued)

### (a) Cash and Cash Equivalents

Council's objective is to maximise its return on cash and investments whilst maintaining an adequate level of liquidity and preserving capital. The finance area manages the cash and investments portfolio with the assistance of independent advisers (where applicable). Council has an investment policy and the policy is subject to review by Council. An Investment Report is provided to Council on a monthly basis setting out the make-up and performance of the portfolio.

The major risk associated with investments is price risk – the risk that the capital value of investments may fluctuate due to changes in market prices, whether these changes are caused by factors specific to individual financial instruments of their issuers or factors affecting similar instruments traded in a market.

Cash and investments are also subject to interest rate risk – the risk that movements in interest rates could affect returns.

Another risk associated with cash and investments is credit risk – the risk that a contracting entity will not complete its obligations under a financial instrument resulting in a financial loss to Council.

Council manages these risks by diversifying its portfolio and only purchasing investments with high credit ratings or capital guarantees. Council also seeks advice from independent advisers (where applicable) before placing any cash and investments.

Impact of a 1% (\*) movement in interest rates on cash and investments:

- Equity	3,787	44,072
- Statement of Comprehensive Income	3,787	44,072

## Notes:

(\*) Sensitivity percentages based on management's expectation of future possible market movements.

# 33. FINANCIAL RISK MANAGEMENT (Continued)

## (b) Receivables

Council's major receivables comprise rates and annual charges and user charges and fees. The major risk associated with these receivables is credit risk – the risk that the debts may not be repaid. Council manages this risk by monitoring outstanding debt and employing debt recovery policies. It also encourages ratepayers to pay rates by the due date through incentives.

Credit risk on rates and annual charges is minimised by the ability of Council to recover these debts as a secured charge over the land – that is, the land can be sold to recover the debt. Council is also able to charge interest on overdue rates and annual charges at higher than market rates, which further encourages payment.

The level of outstanding receivables is reported to Council monthly and benchmarks are set and monitored for acceptable collection performance.

Council makes suitable provision for doubtful receivables as required and carries out credit checks on most non-rate debtors.

There are no material receivables that have been subject to a re-negotiation of repayment terms.

The profile of the Council's credit risk at balance date was:

	2011	2010
Percentage of Rates and Annual Charges		
- Current - Overdue	0.00% 100.00%	0.00% 100.00%
Percentage of Other Receivables		
- Current - Overdue	0.00% 100.00%	0.61% 99.39%

#### 33. FINANCIAL RISK MANAGEMENT (Continued)

#### (c) Payables

#### Borrowings

Payables and borrowings are both subject to liquidity risk – that is the risk that insufficient funds may be on hand to meet payment obligations as and when they fall due. Council manages this risk by monitoring its cash flow requirements and liquidity levels and maintaining an adequate cash buffer. Payment terms can be extended and overdraft facilities drawn upon if required.

The contractual undiscounted cash flows of Council's Payables and Borrowings are set out in the Liquidity Sensitivity Table below:

	Due within 1 year	Due between 1 & 5 years	Due after 5 years	Total contractual cash flows	Carrying values
2011	\$	\$	\$	\$	\$
<u>2011</u>					
Payables	202,857	0	0	202,857	202,857
Borrowings	33,592	65,734	0	99,326	91,003
	236,449	65,734	0	302,183	293,860
<u>2010</u>					
Payables	833,552	0	0	833,552	833,552
Borrowings	33,592	132,918	0	166,510	117,929
	867,144	132,918	0	1,000,062	951,481

## 33. FINANCIAL RISK MANAGEMENT (Continued)

## (c) Payables

# **Borrowings (Continued)**

Borrowings are also subject to interest rate risk – the risk that movements in interest rates could adversely affect funding costs. Council manages this risk by borrowing long term and fixing the interest rate to the situation considered the most advantageous at the time of negotiation.

The following tables set out the carrying amount, by maturity, of the financial instruments exposed to interest rate risk:			following tables set out the carrying amount, by maturity, of the financial instruments exposed to interest rate risk:					Weighted Average Effective

8 November 2012

Mr Peter Crawford Shire of Menzies PO Box 4 MENZIES WA 6436

Dear Peter,

# EXPLANATIONS REQUESTED REGARDING THE 2011 AUDIT REPORT AND AMENDED AUDIT REPORT

I refer to your letter dated 16 October 2012 regarding clarification of the breaches noted on our audit report for the year ended 30 June 2011.

Whilst going through these breaches we noted that two (2) of the breaches were erroneously narrated on the audit report being:

- 1. <u>F&M</u> Reg 34(5) (Audit report erroneously stated <u>F&G</u> Reg 34(5))
- 2. F&M Regs 34(1)(d) & (2)(b) )( Audit report erroneously stated F&M Reg 6.4(2))

# Due to this we have issued a new audit report, as enclosed.

With regards to the request for further explanation of some of the breaches, please find this on the following table:

Regulation reference	Issue noted
F&G Reg 17(2)(d)	We noted that the public notice for tender number 08/11 was not filed in the tender register.
F&G Regs 11A(3) (a) & (b)	The purchasing policy had not been prepared in accordance with the regulations with respect to the quotation requirements as recorded at items 46 and 47 in the adopted 2010 Compliance Audit Return.
F&M Reg 34(5) (Audit report erroneously stated F&G Reg 34(5))	We noted that there was no adoption of percentage of value for the reporting of material variances in the monthly financial activity statement reports.
F&M Regs 34(1)(d) & (2)(b) (Audit report erroneously stated F&M Reg 6.4(2))	We noted that the monthly financial activity statement report did not include material variances between comparable amounts or any explanation for the material variance.

Please do not hesitate to call us on 9445 9955 if you have any queries in regards to this matter.

Yours faithfully ANDERSON MUNRO & WYLLIE

CHRIS McLAUGHLIN Director

#### INDEPENDENT AUDIT REPORT TO THE ELECTORS OF THE SHIRE OF MENZIES

#### Scope

We have audited the financial report of Shire of Menzies for the year ended 30 June 2011. The financial report comprises the Statement by Chief Executive Officer, Income Statement, Balance Sheet, Statement of Change in Equity, Cash Flow Statement, Rate Setting Statement and accompanying notes to the financial statements.

The Council is responsible for the preparation of a financial report which provides a true and fair view of the financial performance and position of the council in accordance with the Local Government Act 1995, and Regulations. This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect fraud and error and for accounting policies and estimates inherent to the financial report.

#### Audit Approach

We conducted an independent audit of the financial report in order to express an opinion on it to the electors of the Shire of Menzies. Our audit was conducted in accordance with Australian Auditing Standards to provide reasonable assurance as to whether the financial report is free of material misstatement. The nature of an audit is influenced by factors such as the use of professional judgement, selective testing, the inherent limitations of internal control and the availability of persuasive rather than conclusive evidence. Therefore an audit cannot guarantee that all misstatements have been detected.

We performed procedures to assess whether in all material respects the financial report presents fairly, in accordance with the Local Government Act 1995, and Regulations, including compliance with Accounting Standards in Australia, and other mandatory financial reporting requirements in Australia, a view which is consistent with our understanding of the Council's financial position, and of their performance which is represented by the results of operations and cash flows.

We formed our opinion on the basis of these procedures, which included:

- examining on a test basis, information to provide evidence, supporting the amounts and disclosures in the financial report.
- assessing the appropriateness of the accounting policies and disclosures used, and the reasonableness of significant accounting estimates made by the directors.

Whilst we considered the effectiveness of management's internal controls over financial reporting when determining the nature and extent of our procedures, our audit was not designed to provide assurance on internal controls.

We performed procedures to assess whether the substance of business transactions were accurately reflected in the financial report. These and our other procedures did not include consideration or judgement of the appropriateness or reasonableness of the business plans or strategies adopted by the executive and management of the Shire of Menzies.

#### Independence

Anderson Munro & Wyllie are independent of the Shire of Menzies, and have met the independence requirements of Australian professional ethical pronouncements and the Local Government Act 1995.

The audit opinion expressed in this report has been formed on the above basis.

#### Audit Qualifications

#### Sundry Debtors and Income

Sundry Debtors in the financials total \$1,240,365. We were unable to satisfy ourselves that this accurately represents the value of the debtors at reporting date, as we were not given sufficient appropriate evidence to verify the items making up the balance were accurate, fairly stated, and in the correct period. \$932,093 of this debtors balance related to grant funding receivable, of which \$651,599 had been recognised as income in the current period. We were unable to satisfy ourselves that Grants, Subsidies and Contributions recognised for the year ended 30 June 2011 were accurate and fairly stated for the period.

#### Provision for rates doubtful debts

The financials contain a provision for doubtful debts of \$827,843. We cannot be satisfied with the value of this provision as it is based on the management's estimate of unrecoverable rates and sundry debtors without any analysis of recoverability of each individual rates and sundry debtor

#### **Qualified Audit Opinion**

In our opinion, except for the issues identified in the above audit qualification the financial statements of the Shire of Menzies are properly drawn up:

- a) So as to give a true and fair view of the state of affairs of the Shire as at 30 June 2011 and the results of its operations and cash flows for the year then ended;
- b) In accordance with the requirements of the Local Government Act 1995; and
- c) In Accordance with Applicable Australian Accounting Standards.

#### Statutory Compliance

During the course of the audit we became aware of the following instances where the Council did not comply with the Local Government Act 1995 (as amended) and the Local Government (Financial Management) Regulations 1996 (as amended).

- a) S6.2 (1) the budget was not adopted by 31 August 2010.
- b) FM Reg 33 & 33A the annual budget was not reviewed by 31 March 2011.
- c) F&G Reg 17(2)(d) the public notice was not filed for tender in accordance with the regulations.
- d) FM Reg 34(5) a percentage of value had not been adopted for the reporting of material variances in the monthly financial activity statement reports.
- e) FM Regs 34(1)(d) & (2)(b) the monthly financial activity statement report did not include material variances between comparable amounts or any explanation for the material variance.
- f) S5.46 (1), (2) & (3) the delegations register had not been reviewed or updated since 2009.
- g) S5.88 (1)(2) & Admin Reg 28 a register of financial interests containing records of disclosures made under sections 5.65, 5.70 & 5.71 in the prescribed format was not kept by the CEO.
- h) S5.54 (1),(2) the annual report was not accepted by absolute majority by 31 December 2010
- i) S5.55 notice of the annual report was not given in accordance with the Act.
- j) FM Reg 5 the establishment of efficient systems and procedures has not been established as per the regulation.
- k) S7.3 the auditor was not appointed by an absolute majority decision by Council.
- I) S2.25 (1)(3) Council did not grant leave to a member from attending 6 or less ordinary meetings of Council by Council resolution.
- m) Admin Reg 11 the extent of disclosures were not recorded in the minutes
- n) Admin Reg 12(1) public notice was not provided for audit committee meetings.
- o) S5.27(2) the annual general meeting of electors was not held within 56 days of the local government's acceptance of the 2010 annual report.

- p) F&G Reg 14(3)(4) information was not made available to all prospective tenderers of the criteria for deciding which tender would be accepted.
- q) F&G Reg 18 (4) tenders were not assessed by means of written evaluation criteria.
- r) F&G Reg 11A(3)(a) & (b) the purchasing policy had not been prepared in accordance with the regulations with respect to the quotation requirements.

#### Other Matters

In accordance with the Local Government (Audit) Regulations 1996, we also report that:

- a) There are no matters that in our opinion indicate significant adverse trends in the financial position or the financial management practices of the Shire.
- b) Except as detailed above, no other matters indicating non-compliance with Part 6 of the Local Government Act 1995 (as amended), the Local Government (Financial Management) Regulations 1996 (as amended) or applicable financial controls of any other written law were noted during the course of our audit.
- c) Except as detailed above, all necessary information and explanations were obtained by us.
- d) Except as detailed above, all audit procedures were satisfactorily completed in conducting our audit.

Dated the 4<sup>th</sup> day of September 2012 in Perth, Western Australia
