SHIRE OF MENZIES Fire Notice

Please ensure you observe all local fire laws for your own safety and the safety of others.

Restricted Burning Period:

From 1 April to 30 April and 19 September to 31 October

Prohibited Burning time:

From 1 November to 31 March

Unrestricted Season:

From 1 May to 18 September

THE PRESIDENT'S REPORT

with Shire President Jill Dwyer

6 September 2016

Attended Special Meeting of Council.

Due to family commitments in Port Hedland I was away for two weeks during the month but have kept in contact with the Chief Executive Officer Rhonda Evans via email and telephone.

On behalf of Council we congratulate Councillor Ian Baird and Councillor Debbie Hansen on the safe arrival of their granddaughter Thalia Lucy.

Councillors you will have received a copy of Councillors Code of Conduct today. I feel it is timely to remind Councillors to familiarize themselves with their "*Code of Conduct and your Role as a Councillor*". Councillors are to make unbiased and impartial decisions that benefit the whole of the Community and the Shire of Menzies, not on how it affects them personally. I strongly remind Councillors that your Role is to represent the whole of the Community and make your decisions accordingly.

Cr Jill Dwyer
President

ORDINARY MEETING OF COUNCIL

Council Meetings are held in the Shire of Menzies Council Chambers
on the last Thursday of each month commencing at 1.00pm
unless otherwise advised

Please note that the date for the next meeting is:
Thursday 27 October 2016
1.00pm
Shire of Menzies Council Chambers

THE CHIEF EXECUTIVE OFFICER'S REPORT

Greetings to all,
Congratulations to our mixed netball team who participated in the recent NAIDOC sport carnival in Kalgoorlie.

The school holiday program is now over for another holiday. I hope all those who participated had a great time. Remember that the Town Hall is available if you wish to use it for activities. We have both badminton and indoor hockey. You will need an adult to be in attendance, and make a booking so we can make sure the area is available and set up for you.

The Water Park opened on 22 September 2016. We are having some issues with the gate on this facility, as it has been ripped off so many times we are unable to reattach it. To increase safety we will be moving the gate access from the Shenton Street side to the oval side of the Park. A new gate will be installed, and the old gate closed off.

The street side gate on the playground will be also be closed. Please remember that dogs are not allowed in either of these areas.

A reminder that the fruit on the trees near the oval is not intended to be ammunition for fruit fights. If fruit, rocks or litter are found in the Water Park ground, the water will be turned off until they are removed. It would be nice if the fruit stayed on the tree until it is ripe and we could all enjoy eating it. It would be really nice if the water at the water park was always turned on so you can cool off without first having to clean up the park.

We are now in the fire restriction period. This means that you cannot burn off without a permit. For a permit or if you have any queries, contact numbers for Fire Control Officers can be found on the Shire Notice Board, the website (www.menzies.wa.gov.au) or phone the office on 9024 2041.

Please don't forget the upcoming Vet visit. A veterinary surgeon will be visiting Menzies. This will give you the opportunity to have your dogs sterilized, and microchipped and registered for free. To use the service you must register at the Shire Office. Please come in and see Kaylene Tucker who will take your details.

Please remember that 15 December 2016 is the date for the Shire Christmas Function.

Rhonda
Chief Executive Officer

GOLDMINES AND MEMORIES By Rod Baker

Rod Baker was born in Kalgoorlie, and has always had a fascination with Goldfields History. The Father of three is retired and lives in Perth, however he regularly visits the region to '*do a bit of prospecting and visit some of the old ghost towns in the Northern Goldfields*'. Here is his Local History contribution for this month.

Business in Menzies in 1900

This information comes from a Business Directory of those operating in Menzies as hoteliers, grocers/storekeepers and general retailers servicing a population of around 10,000 people in 1900. Most of the businesses were owned and run by individuals or partnerships who lived in the town. Where Branch is indicated means there is a head office located in Fremantle, Perth or Kalgoorlie and that particular store has a Branch Manager. It is interesting to note three Jewellers were operating in Menzies during this period when there were very few women in the Northern Goldfields. Other sectors will be in the next edition.

Talkin' Tjuntjuntjara...

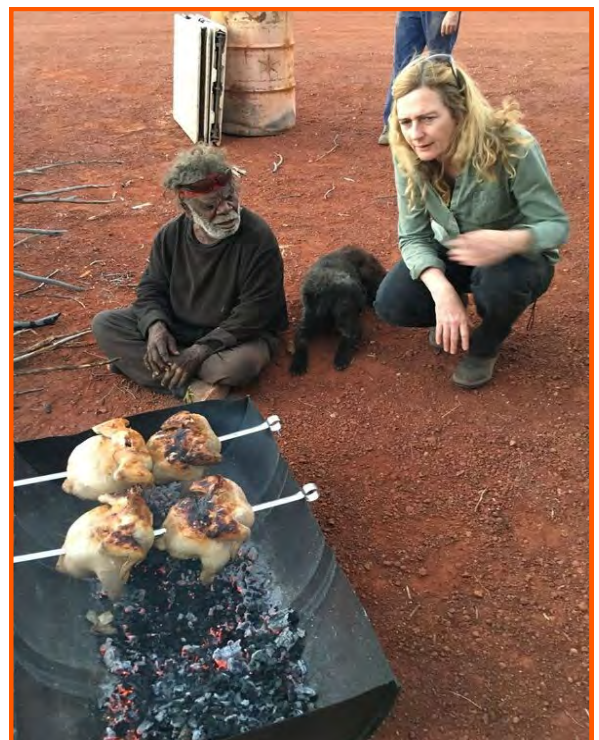

SITE TO SITE – ILKURLKA AUGUST 2016

For the past 4 years the Tjuntjuntjara Community has staged an event called the "Site to Site". For the first 2 years of the event the Spinifex Health Service was funded by OATSHI under the "Living Longer Program" to provide a program aimed at promoting exercise and improving nutrition. For the past 2 years Pila Nguru the Spinifex PBC carried on the program when the OATSHI funding ran out.

Through a previous staff member, Jon Lark, now the owner of Kangaroo Island Spirits, Chef Louis Lark, Jon's son and Simon Bryant of "The Cook and the Chef" fame came on board as volunteer chefs. The original idea was to take community members out bush and teach them about various ways of

cooking nutritious meals with ingredients mostly available from the local store and combine it with exercise e.g. stage a walk from one rock hole to another in two separate groups meeting in the middle where the chefs are set up and cooking lunch. After lunch each group keeps walking to the opposite rockhole. Hence the title "Site to Site"

Photographs as taken by 'Jon Lark, Menzies Shire Candidate, 1988'

Talkin' Tjuntjuntjara...

This year the event was staged in and around Ilkurlka. 4 damaras were purchased from Brett and Dot Day at Gunnadorah Station. The damaras formed the basis of most meals. The menus for the 4 days of the event were prepared in Adelaide by Simon and Louis and some ingredients freighted over from Adelaide on the regular Tjuntjuntjara Store freight service. The fresh food was purchased from the Tjuntjuntjara Store.

This year Tjuntjuntjara Remote Area School was involved and the Principal, Wilbur Klein, teachers and students travelled to Ilkurlka for the event.

Many thanks to teachers and AEW's who gave great support and who also organised the exercise component.

Also thanks to the Menzies Shire who co-contributed funds for the event.

The event was a huge success and Pila Nguru and the Chefs are already talking about staging the event again in 2017.

Media Release

Tony Crook

Candidate for Kalgoorlie

OUTBACK WAY TO DELIVER GREATER ACCESS AND GREATER OPPORTUNITIES **30 September 2016**

A fully sealed Outback Way will deliver economic and social benefits for the Northern Goldfields and Central Desert.

Member for Kalgoorlie Wendy Duncan and Candidate for Kalgoorlie Tony Crook visited Laverton this week – the starting point of the 2,800km Outback Way – to attend a General Meeting regarding the road's future.

Mr Crook said the project had recently received a funding commitment of \$100 million from the Federal Government to fully seal the highway, however some State Government funding would be required to ensure the WA component of the project is delivered.

Mr Crook said he would seek up to \$20 million from the State Government to be utilised towards the project.

"This is a great opportunity for WA to leverage Federal funding and be a part of this significant project," Mr Crook said.

"By putting our own money on the table, we can ensure this project gets off the ground and delivers benefits for WA. We know Federal funds are available and we should make the most of that opportunity."

Ms Duncan said developing the Outback Way would deliver "greater access and greater opportunities" for communities living in the Northern Goldfields and Central Desert.

"The Outback Way provides a fundamentally important link for remote Aboriginal communities – providing essential access to health and education, as well as an important freight link for the delivery of food and supplies to these communities," Ms Duncan said.

Mr Crook said the region's economic potential was also growing, with the development of mining projects such as the Gold Road Resources Yamama Project and nickel projects in the Central Musgrave Ranges.

"Resource projects like these will see greater heavy-vehicle traffic between Laverton and remote communities. If done right, this could be a major economic driver for the region."

KAMBALDA SENIORS WILDFLOWER EXPEDITION

September saw a group of Seniors from Kambalda jump on a bus to venture into the Northern Goldfields in search of Wildflowers.

The lovely ladies called into the Visitor Centre to grab their copy of the Menzies Matters, enjoy their coffees from Achievable Outback Café and brush up on a bit of Menzies History.

Great to see the ladies join us for the Wildflowers and have a day out together.

Handy Tip:

Difference between Westlink and Video Conferencing.

Westlink is a satellite TV system and require no internet or login.

All that is needed is an authorised satellite receiver, which we call a SatBox.

Video Conferencing (including Being There as used by the CRCs) is an internet based application.

It requires a computer, laptop, tablet or phone that is connected to the internet.

The quality and speed of your internet determines the quality of your video conference.

It is possible to just use the camera and mic on your device, but external cameras and mics deliver better results in most cases.

It is possible to take the HDMI output from a laptop and feed it into the same TV you view Westlink on.

Simply connect the HDMI out of the laptop to a spare HDMI input on the TV.

You may need to reduce the volume on the TV to stop feedback.

We suggest you place a label near TV designating which input is which on the TV.

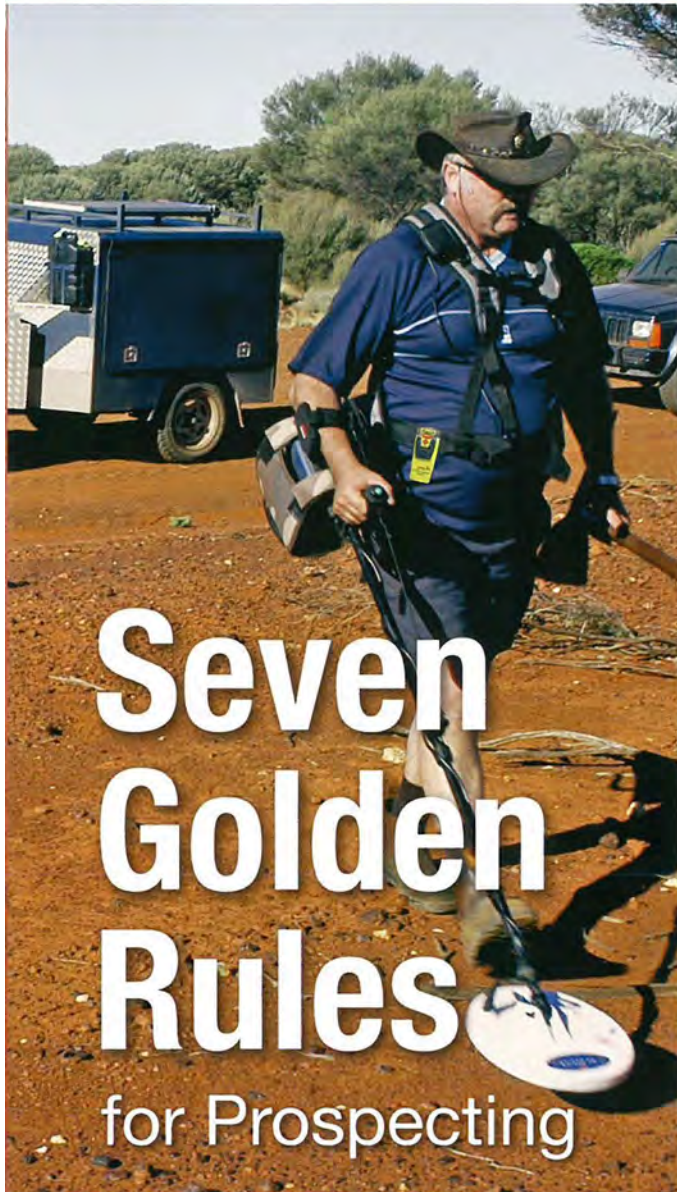

Another idea is to print out instructions for each device, laminate and colour code and use the same colour code on the remote associated with the device.

Seven Golden Rules for Prospecting

www.dmp.wa.gov.au/prospectingwa

1. Put safety first

- Make sure you have enough water, fuel, maps and first aid supplies.
- Give serious consideration to taking some form of telecommunications and a global positioning system to fix locations, and a Personal Locator Beacon (PLB) – it may turn out to be your most important safety device.

2. Obtain a Miner's Right permit

when prospecting on vacant Crown land (\$25 from any Mining Registrar's office).

3. Obtain a 40E permit

prior to prospecting within an exploration tenement (if you don't have written permission from the tenement holder).

4. Get written permission

from the tenement holder when prospecting on:

- a mining lease
- an exploration licence (if you don't have a 40E permit)
- a prospecting licence

5. Comply with all legal requirements

when prospecting on a pastoral lease. You cannot prospect within 100 metres of any occupied building or within 400 metres of any livestock watering point without the consent of the pastoralist.

6. Show respect when on Crown land

because it is used by other people or set aside for many purposes.

7. Fill any holes

that you dug and repair ground that has been disturbed.

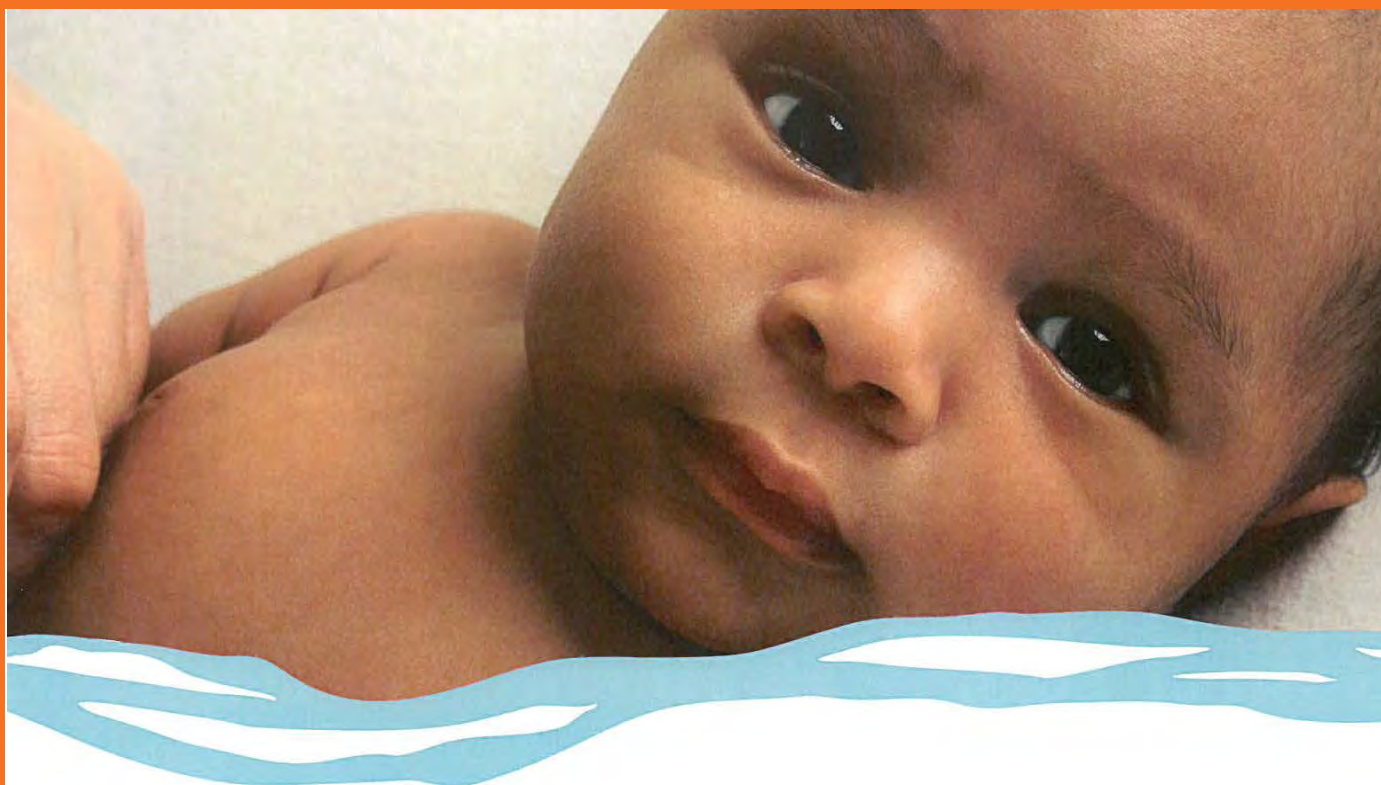

DID YOU KNOW ..

DO YOU HAVE FAITH?

Would you like to attend a Church Service but it's a bit too far away. The Catholic Community in Kalgoorlie has expressed holding a service for those wishing to attend in Menzies, and is calling for those interested to register with the Menzies CRC.

A service for the community may be able to be held twice yearly, and gives the opportunity for the community to get together. Harry Argus has also expressed interest in offering Communion in between Services.

To register, please email or call Menzies CRC on 08 9024 2702

Attention Carers

Due to the nitrate concentration in the drinking water, bottle-fed infants under the age of 3 months must use bottled water.

The drinking water is safe for everyone else to consume.

For more information please talk to the Community Health Nurse, district hospital or visit ww2.health.wa.gov.au

Government of Western Australia
Department of Health

This year OTRA Tours Inc. will be hosting the 201 Nugget Run. The aim of the rally is to raise funds for the Royal Flying Doctor Service.

OTRA Inc. has been supporting the service for the last six years and has raised more than \$350,000 for the service. They are hoping to get participants to join them again this year on the rally. For those wanting to join in the fun, contact details are listed below with entry fees.

Participants are asked to bring their 4WD or even pre-1980's car preferably with a theme and costume. A sense of humour is a must for participants, as well as being ready to seek some fun and adventure!

NATIONAL WATER WEEK 16–22 OCTOBER 2016

The theme for National Water Week this year is **'Water Life Growth'**.

What's the week all about?

National Water Week provides an opportunity to remind ourselves and teach others that water must be used wisely if there is to be enough to meet the needs of our future generations. While the week is dedicated to encouraging communities to take action to protect our vital water sources, it's also a celebration of innovation and water achievements that have and will contribute to Australia's sustainable future and economic prosperity.

Water Corporation would like you to share what you are doing during National Water Week on their Facebook and Twitter page;
