THE SHIRE PRESIDENT'S REPORT

On behalf of Council and the Community of Menzies, I wish to welcome Peter Money, new Chief Executive Officer to the Shire of Menzies.

Thursday 25th April

I officiated at the Anzac Commemoration Service which was followed by the Gunfire Breakfast. Pleasing to see a larger participation than last year.

Monday 29th April

I attended a Special Meeting of Council, attended by all Councillors. From which the Chief Executive Officer Rhonda Evans was released from her Contract and Council approved of the Employment Contract of the incoming Chief Executive Officer, Peter Money.

Thursday 2nd May

I welcomed the arrival of Peter Money to Menzies.

Monday 6th May

At 5pm signed and executed the Contract for the Chief Executive Officer Peter Money.

Friday 10th May

With the CEO attended the Regional Minerals Strategy in Leonora along with representatives from Leonora, Laverton and Wiluna.

Monday 13th May

Attended Menzies Classic Working Group for an update with the Secretary, Tracy Blythe of Eastern Goldfields Cycle Club. It appears numbers are down on last year.

Friday 17th May

Attended GTNA discussion/meeting at the Offices of GEDC. Discussion on draft report from Economic Transitions, Kym Hewson, at this stage the report is confidential.

At 5.30 along with available Staff and Councillors I hosted welcoming drinks and finger food at the Menzies Hotel to welcome the new CEO. A Community welcoming event will be held in the near future.

Tuesday 21st May

Along with the CEO and Cr Baird via video conference, met with Allan Hughes and Brent McIntyre from DSS regards changing of Legislation for people who wish to opt out of the Cashless Debit Card, providing they meet certain criteria. Copies available from the CEO.

Thursday 23rd May

Cyclclassic Working Group meeting with the new CEO.

Saturday 25th May

Attended Tourism round table discussion with CEO and Cr J Dwyer. Minister Paul Papalia gave an overview of Tourism in WA in particular drive trails and holidays by visitors to WA and the importance of WAITOC. Following a private session with the Minister regarding the final sealing of the Menzies Northwest Road to Lake Ballard.

THE CHIEF EXECUTIVE OFFICER

I attended my first Cyclclassic even this June and it was quite an experience. Its great to see so many people in the town which can invigorate the community, get people talking about Menzies and also gets people visiting who may not normally do so.

The organisation of the event was excellent, the work of the Kookynie Volunteer Association was excellent and I was happy to play a small part in helping where I could.

The fireworks were excellent and its great to see fireworks live rather than on TV.

Leonora Art Show

I had the pleasure of attending the Leonora Art Show and was greatly impressed by the variety and quality of the art works presented. The overall winner was a very high class drawing which in my ignorance I was certain was actually a very clever portrait photograph.

Budget time is fast approaching so please speak to your Councillors if you have anything on your wish list.

At present the administration is dealing with a vast array of compliance matters that are imposed on local governments. These compliances and reporting are imposed in an effort to ensure local governments are transparent and compliant with Regulations in all their activities.

Local Governments must wear the cost of these compliances by employing more staff and also employing specialist services which don't exist in smaller local governments.

You could say that it creates employment in support industries – at a cost.

MUSIC CAMP

There will be a number of children camped in the town hall attending a music camp at the school for the period of Sunday 30th June to Thursday 4th July.

They will camp in the hall, use the Shire's kitchen for cooking and hold the classes at the school.

Another reminder about:

Basketball on Tuesday nights

Badminton proposed – see Kaylene in the Shire office

SEVEN GOLDEN RULES FOR PROSPECTING

1.

Put safety first

- Make sure you have enough water, fuel, maps and first aid supplies.
- Give serious consideration to taking some form of telecommunications and a global positioning system to fix locations, and a Personal Locator Beacon (PLB) – it may turn out to be your most important safety device.

2.

Obtain a Miner's Right permit

when prospecting on vacant Crown land (\$25 from any Mining Registrar's office).

3.

Obtain a 40E permit

prior to prospecting within an exploration tenement (if you don't have written permission from the tenement holder).

4.

Get written permission

from the tenement holder when prospecting on:

- a mining lease
- an exploration licence (if you don't have a 40E permit)
- a prospecting licence

5.

Comply with all legal requirements

when prospecting on a pastoral lease. You cannot prospect within 100 metres of any occupied building or within 400 metres of any livestock watering point without the consent of the pastoralist.

6.

Show respect when on Crown land

because it is used by other people or set aside for many purposes.

7.

Fill any holes

that you dug and repair ground that has been disturbed.

HOW TO PROTECT AGAINST MOSQUITO BITES

★ FIGHT the BITE ★

Prevent mosquito bites

★ COVER UP. REPEL. CLEAN UP. ★

COVER UP

Wear long, loose-fitting, light coloured clothing, covering as much of the body as you can. Mosquitoes can bite through tight clothes like jeans. Make sure children are also covered up.

REPEL

Use insect repellent containing DEET (diethyltoluamide) or picaridin and always follow instructions on the label.

CLEAN UP

Stop mosquitoes breeding in water pooling around your home or holiday accommodation by emptying water from containers.

1080 BAITING IN THIS AREA IS A RISK TO DOMESTIC PETS

Please be advised that baiting programs using 1080 poison are carried out across Western Australia, including this area, and are aimed at controlling wild dogs, feral cats, feral pigs, foxes and rabbits. The poison baits remain toxic for many months. You need to exercise caution. Domestic pets should be kept close and under control at all times. Owners may consider the use of leads and muzzles for their domestic pets.

DO NOT RELY ON WARNING SIGNS

WARNING SIGNS ARE PLACED WHERE APPLICABLE, HOWEVER THEY MAY BE DAMAGED, REMOVED, VANDALISED OR DESTROYED

1080 baiting is part of an integrated pest management program protecting livestock from death and injury; reducing the impact on pastoral and agricultural production; and helping to preserve the unique flora and fauna of WA. Baits are not intentionally laid in public areas such as road reserves, parking bays, rest stops or roadhouses however can be inadvertently moved into these areas by animals and birds.

1080 is an S7 Poison

There is a black water dump point within the park and dogs are welcome but must be on leads at all times. For bookings and enquiries call **(08) 9024 2702** or
