## **Minutes**

## OF THE ORDINARY MEETING OF THE COUNCIL HELD ON

THURSDAY, 25 SEPTEMBER 2025

Commencing at 1.00 PM

At the Council Chambers, 124 Shenton Street, Menzies

Peter Bentley

**Acting Chief Executive Officer** 

#### **DISCLAIMER**

No responsibility whatsoever is implied or accepted by the Shire of Menzies for any act, omission or statement or intimation occurring during Council / Committee meetings or during formal / informal conversations with staff. The Shire of Menzies disclaims any liability for any loss whatsoever and howsoever caused arising out of reliance by any person or legal entity on any such act, omission or statement or intimation occurring during Council / Committee meetings or discussions. Any person or legal entity that acts or fails to act in reliance upon any statement does so at that person's or legal entity's own risk.

In particular and without derogating in any way from the broad disclaimer above, in any discussion regarding any planning application or application for a licence, any statement or limitation of approval made by a member or officer of the Shire of Menzies during the course of any meeting is not intended to be and is not taken as notice of approval from the Shire of Menzies. The Shire of Menzies warns that anyone who has an application lodged with the Shire of Menzies must obtain and only should rely on written confirmation of the outcome of the application, and any conditions attaching to the decision made by the Shire of Menzies in respect of the application.

#### **DISCLOSURES OF INTEREST**

A member who has an Impartiality, Proximity or Financial interest in any matter to be discussed at this meeting must disclose the nature of the interest either in a written notice, given to the Chief Executive Officer, prior to the meeting, or at the meeting immediately before the matter is discussed.

A member who makes a disclosure in respect to a Proximity or Financial interest must not preside at the part of the meeting which deals with the matter, or participate in, or be present during any discussion or decision-making process relative to the matter, unless the disclosing member is permitted to do so under Section 5.68 or Section 5.69 of the *Local Government Act* 1995.

#### RECORDING OF MEETINGS

- All Council Meetings are digitally recorded, for audio only, except for Confidential Agenda Items (in accordance with Section 5.23(2) of the Local Government Act 1995) during which time recording ceases.
- Following publication and distribution of the meeting minutes to Council Members the digital audio recording will be available on the Shire's website.

**Defamation** – cl 14K Local Government (Administration) Regulations 1996

- (1) A local government is not liable to an action for defamation in relation to any of the following done by the local government as required or authorised under this Part —
- (a) publicly broadcasting a meeting;
- (b) making a recording of a meeting;
- (c) making a recording of a meeting publicly available;
- (d) retaining a recording of a meeting or a copy of a recording;
- (e) providing a copy of a recording of a meeting to the Departmental CEO.

## Councillor Meeting Information Shire of Menzies Council Meetings

Council Members are bound by legislation to act with integrity and make decisions for the whole of the Shire.

#### **Attending meetings**

Council Members have a duty to attend all the Council Meetings to ensure that electors are adequately represented. In recognition of this, under the *Local Government Act 1995* a Council Member who is absent from three consecutive meetings of the Council without leave being granted by the Council, is automatically disqualified. If a member wishes to be absent for more than six consecutive ordinary meetings, Ministerial approval is necessary as well as the Council approval.

It should be noted that applications for leave of absence are usually supported but must be approved by the Council before, or at, the meeting(s) the Council Member is to be absent from. Leave of absence cannot be approved retrospectively.

#### **Voting at meetings**

If a Council Member is present at a Council Meeting, he or she is required by law to vote on all matters before that meeting unless he or she has a financial interest in the matter. Agendas are delivered to the Council Members within the required timeframes of the Local Government Act 1995, being a minimum of seventy-two (72) hours prior to the advertised commencement of the meeting. While late items are generally not considered there is provision on the Agenda for items of an urgent nature to be considered.

Council Members are required to give due consideration to all matters contained in the agenda. Without adequate time for reading the agenda, it is extremely difficult for the Council Members to make effective assessments of issues and provide constructive input to the Council debate and decision making. It is recommended that further information be requested if there is insufficient material available to make an informed decision.

## 11 ANNOUNCEMENT BY PRESIDING MEMBER WITHOUT DISCUSSION

#### President's Report - September 2025

On 4 September, I attended the Regional State Council meeting in Norseman alongside Acting CEO Peter Bentley, where I had the opportunity to proudly showcase the Shire of Menzies, highlighting our stunning dark skies, the iconic Lake Ballard, and the Beautiful Niagara Dam.

It was a pleasure to share just how special it is to live and work in our Shire, and to connect with representatives from other Goldfields Shires. Great to hear about their visions for the future and the challenges they are facing—valuable conversations that help strengthen our region.

From 15 to 17 September, I participated in the Annual General Meeting of the Outback Way project, which highlighted just how significant this initiative will be for the Goldfields region. It was great to see the strong support behind the project and the many benefits it will bring to towns like Laverton, Leonora, Menzies, Kalgoorlie and surrounding communities. During this event, I also had the opportunity to meet with Rick Wilson MP, Senator Matt O'Sullivan and Senator James McGrath—valuable conversations about the future of our region and the importance of continued investment in regional infrastructure.

The Outback Way is more than just a road—it's a vital connection that will open up economic, tourism and social opportunities across the heart of Australia.

#### SUMMARY:

To receive the Statement of Financial Activity for the period ended 31 August 2025.

#### **BACKGROUND:**

Regulation 34 of the *Local Government (Financial Management) Regulations 1996* (the Regulations) requires a local government to prepare each month a statement of financial activity reporting on the revenue and expenditure, including:

- a. The annual budget estimates;
- b. Budget estimates to the end of the month;
- c. The actual amounts of expenditure, revenue, income to the end of the relevant month;
- d. Material variances between the comparable amounts between budget estimates to the end of the month and the year to date amount of expenditure, revenue and income to the end of the relevant month:
- e. Net current assets.

Regulation 35 of the Regulations requires a local government to prepare each month a statement of financial position of the local government as at the last day of the previous month and the last day of the previous financial year.

#### **COMMENT:**

This report contains the annual budget, actual amounts of expenditure and income to

the end of the month. It shows the material variances between the budget and actual amounts where they are not associated with timing differences for the purpose of keeping the Council informed of the current financial position.

#### **CONSULTATION:**

**Bob Waddell and Associates** 

#### STATUTORY AUTHORITY:

Local Government (Financial Management) Regulations (1996): Regulation 34 requires the local government to prepare and provide a statement of financial activity as of the end of the relevant month.

Regulation 35 requires the local government to prepare and provide a statement of financial position as of the end of the relevant month.

#### **POLICY IMPLICATIONS:**

There is no policy related to the subject matter.

#### FINANCIAL IMPLICATIONS:

There are no financial implications for this report.

#### **RISK ASSESSMENT:**

Applying the Council's Risk Management matrix, should the statutory process required not be followed there is a minor risk of reputational damage. As it is unlikely that the Council would ignore the statutory process there is a low overall consequence. However, should the officer's recommendation not be applied, the Council will be in contravention of Regulation 34 of the Regulations.

#### STRATEGIC IMPLICATIONS:

The Shire of Menzies Council Plan 2025-2035 outlines the following Outcome, Strategy and Activity:

#### Outcome

8. An efficient and effective organisation.

#### Strategy

8.1. Maintain a high level of corporate governance, responsibility and accountability.

#### Activity:

8.1.2 Demonstrate sound financial planning and management, seeking a high level of legislative compliance and effective internal controls.

Accordingly, the officer's recommendation aligns with the Shire of Menzies Council Plan.

#### **VOTING REQUIREMENTS:**

Simple Majority

## SHIRE OF MENZIES MONTHLY FINANCIAL REPORT FOR THE PERIOD ENDED 31 AUGUST 2025

#### **SUMMARY INFORMATION**

#### PREPARATION TIMING AND REVIEW

Date prepared: All known transactions up to 31 August 2025 Prepared by: Tien Tran & Bob Wadell & Associates Pty Ltd Reviewed by: Kristy Van Kuyl (CFO)

#### **BASIS OF PREPARATION**

#### **REPORT PURPOSE**

This report is prepared to meet the requirements of Local Government (Financial Management) Regulations 1996, Regulation 34 . Note: The Statements and accompanying notes are prepared based on all transactions recorded at the time of preparation and may vary due to transactions being processed for the reporting period after the date of preparation.

#### **BASIS OF ACCOUNTING**

This statement comprises a special purpose financial report which has been prepared in accordance with Australian Accounting Standards (as they apply to local governments and not-for-profit entities), Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board, the Local Government Act 1995 and accompanying regulations. Material accounting policies which have been adopted in the preparation of this statement are presented below and have been consistently applied unless stated otherwise. Except for cash flow and rate setting information, the report has also been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

#### THE LOCAL GOVERNMENT REPORTING ENTITY

All Funds through which the Council controls resources to carry on its functions have been included in this statement. In the process of reporting on the local government as a single unit, all transactions and balances between those funds (for example, loans and transfers between Funds) have been eliminated. All monies held in the Trust Fund are excluded from the statement, but a separate statement of those monies appears at Note 14.

#### **SIGNIFICANT ACCOUNTING POLICES**

#### GOODS AND SERVICES TAX

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with receivables or payables in the statement of financial position. Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows.

#### **CRITICAL ACCOUNTING ESTIMATES**

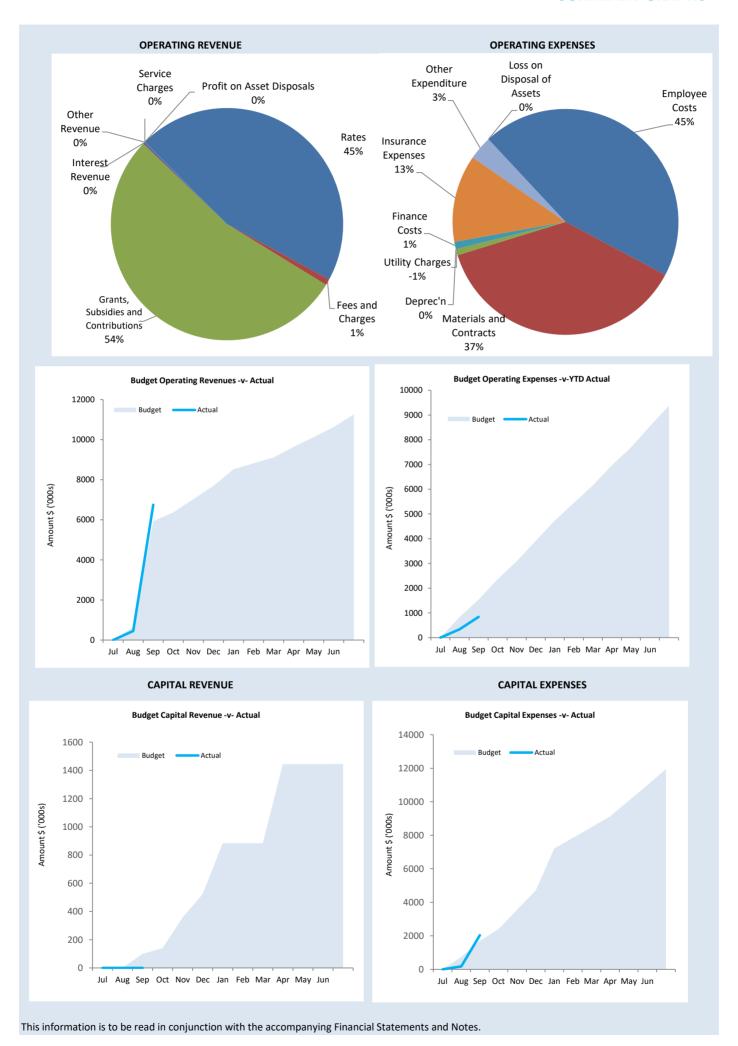

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

#### **ROUNDING OFF FIGURES**

All figures shown in this statement are rounded to the nearest dollar.

#### SIGNIFICANT ACCOUNTING POLICIES

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for goods sold and services performed in the ordinary course of business.

Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets. Collectability of trade and other receivables is reviewed on an ongoing basis. Debts that are known to be uncollectible are written off when identified. An allowance for doubtful debts is raised when there is objective evidence that they will not be collectible.

#### **KEY INFORMATION**

#### Other financial assets at amortised cost

The Shire classifies financial assets at amortised cost if both of the following criteria are met:

- the asset is held within a business model whose objective is to collect the contractual cashflows, and
- the contractual terms give rise to cash flows that are solely payments of principal and interest.

#### Inventory

Inventories are measured at the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

#### Land held for resale

Land held for development and resale is valued at the lower of cost and net realisable value. Cost includes the cost of acquisition, development, borrowing costs and holding costs until completion of development. Borrowing costs and holding charges incurred after development is completed are expensed.

Gains and losses are recognised in profit or loss at the time of signing an unconditional contract of sale if significant risks and rewards, and effective control over the land, are passed onto the buyer at this point.

Land held for resale is classified as current except where it is held as non-current based on the Council's intentions to release for sale.

#### CONTRACT ASSETS

A contract asset is the right to consideration in exchange for goods or services the entity has transferred to a customer when that right is conditioned on something other than the passage of time.

#### **KEY INFORMATION**

Trade and other payables represent liabilities for goods and services provided to the Shire that are unpaid and arise when the Shire becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured, are recognised as a current liability and are normally paid within 30 days of recognition.

#### **KEY INFORMATION**

#### **PROVISIONS**

Provisions are recognised when the Shire has a present legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

#### **EMPLOYEE RELATED PROVISIONS**

#### Short-term employee benefits

Provision is made for the Shire's obligations for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The Shire's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the calculation of net current assets.

#### Other long-term employee benefits

The Shire's obligations for employees' annual leave and long service leave entitlements are recognised as provisions in the statement of financial position.

Long-term employee benefits are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any remeasurements for changes in assumptions of obligations for other long-term employee benefits are recognised in profit or loss in the periods in which the changes occur. The Shire's obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the Shire does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the

#### **CAPITAL GRANT/CONTRIBUTION LIABILITIES**

Grants to acquire or construct recognisable non-financial assets to identified specifications be constructed to be controlled by the Shire are recognised as a liability until such time as the Shire satisfies its obligations under the agreement.

#### **SUMMARY:**

The purpose of this report is for the Council to agree to amendments to the 2025/2026 Municipal Fund Budget regarding the approval of a variation to the LRCI Phase 2 Grant Agreement until 31 December 2025.

#### **BACKGROUND:**

As previously notified regarding the acceptance of the 2022/2023 Annual Report for the LRCI Phase 2 program, an underspend was identified from the original funding allocation. The Program Delegate advised that the Council had the option to nominate a new project to utilise the underspent funds, provided it could be delivered by 31 December 2025.

A submission for Phase 2 Variation projects was subsequently lodged, seeking approval to allocate the underspend and extend the project completion date to 31 December 2025. This request was formally approved by the Program Delegate. The executed deed, confirming this variation, was signed by both the Shire of Menzies and the Department of Infrastructure, Transport, Regional Development, Communications and the Arts on 10 September 2025.

#### COMMENT:

Several new projects have been identified and initiated by the executive staff. The following projects are being submitted for consideration to ensure they can be delivered by 31 December 2025.

Kilometre marker to Lake Ballard.

Six (6) unique markers are proposed, each featuring an interpreted image of the sculptures. These will be produced as rusted steel cutouts, visually linking the *Inside* 

Australia exhibit to Menzies and Kookynie, which also feature cutouts representing local tourist landmarks.

Menzies Waste Facility Fencing and Shelter.

The purpose of this project is to support the Council's decision at its Ordinary Council Meeting held on Thursday 24 July 2025, regarding the restricted opening hours and controlled access to the Menzies Waste Facility. This initiative aims to prevent illegal dumping and addresses issues of wind-blown rubbish.

Budget and amendments recommended as follows:

| Budget Amendment recommend  | Budget<br>2025/2026 | Budget<br>Amendment<br>2025/2026 | Increase/<br>Decrease |
|---|---------------------|----------------------------------|-----------------------|
| Increase the Capital Expenditure for LRC0123 KMS Marker to Lake Ballard by reallocating funds from BC000 Building non specified and the grant source of fund.                     | \$0                 | \$54,000                         | \$54,000              |
| Increase the Capital Expenditure for LRC0124 Menzies Waste Facilities (Fencing and Shelter) by reallocating funds from BC000 Building non specified and the grant source of fund. | \$0                 | \$10,228                         | \$10,228              |
| Reduce the Capital Expenditure<br>BC000 Building non specified, to<br>support the completion Project  | \$100,000           | \$35,772                         | -\$64,228             |

The proposed reallocation can be accommodated without requiring any changes to the 2025/2026 Statutory Annual Budget. All variations remain consistent with the financial framework adopted by the Council in the Statutory Annual Budget on 31 July 2025.

#### CONSULTATION:

No external consultations were undertaken in preparing this report.

# **STATUTORY AUTHORITY:**

Dear Grantee,

#### **Letter of Variation**

You entered into an agreement with the Commonwealth on 18 December 2020 (the 'Agreement') in relation to a grant under the Local Roads and Community Infrastructure Program (the 'Program').

I am writing regarding your request for an extension to the Agreement to facilitate a change to the project construction period for Phase 2 of the Program. The Program delegate has provided in principle approval of your request.

In this letter, capitalised terms have the meaning given in the Agreement.

The Commonwealth proposes to vary the terms of the Agreement, with effect from the date of execution of this letter, as follows:

- (a) in the table in Item C, in the column entitled 'Activity Completion Date' delete the current wording and replace with '31 December 2025';
- (b) delete the current wording at clause 7.1 of Item C, and replace with the following:

Construction activity on Eligible Projects must be undertaken between 1 January 2021 and 31 December 2025.

(c) delete the current wording at clause 7.3 of Item C, and replace with the following:

The Agreement ends when the Grantee has provided all of the reports and, if required, repaid any Grant amount under this Agreement or 30 June 2026, whichever is earliest, which is the Agreement End Date.

(d) continuation of the reporting table in Item E:

| Table 2 Reports                 |                                  |   |

#### **SUMMARY:**

To adopt the Schedule of Fees and Charges for 3-bedroom and 4-bedroom Shire-owned housing and incorporate it into the 2025/2026 financial year Schedule of Fees and Charges.

#### **BACKGROUND:**

The 2025/2026 Schedule of Fees and Charges was adopted at the Ordinary Council Meeting held on 26 June 2025.

The introduction of a new additional accommodation category has been proposed to address the ongoing demand for accommodation associated with the delivery of the Shire's capital projects. This measure is intended to ensure that adequate facilities are available to support project completion within the required timeframes.

# **COMMENT:**

The proposed additional fees and charges for three- and four-bedroom accommodation have been determined with reference to current staff housing rentals and regional market data within the Goldfields. Proportional increases have been applied consistently across all Shire accommodation types to ensure equity and maintain alignment with market standards. This approach provides a fair and transparent pricing framework while supporting the ongoing management and sustainability of Shire accommodation assets.

The additional accommodation category will include the following:

| CARAVAN PARK AND  | ACCOMMOD       | ATION              |          |  |  |
|---|----------------|--------------------|----------|--|--|
| CATEGORY  |                | NEW CHA            | ARGES    |  |  |
| Commercial Accommodation -<br>3 Bedroom 2 Bathroom                          | Per night      | \$265.00           | inc GST  |  |  |
| Commercial Accommodation - Per night \$320.00 inc GST 4 Bedroom 2 Bathroom. |                |                    |          |  |  |
| BOND – Commercial Accommodation (Long Stay Tenancy) *                       | Per Stay       | \$550.00           | GST Free |  |  |
| 3 Bedroom House - Weekly Rate   | 10% discoun    | t of the total fee | inc GST  |  |  |
| 4 Bedroom House - Weekly Rate   | 10% discoun    | t of the total fee | inc GST  |  |  |
| * Long Stay Tenancy – accommodation booked for a                            | minimum of sev | en consecutive da  | ys.      |  |  |

This approach ensures the Shire offers accommodation that is both affordable and commercially reasonable. By publishing fees for all housing categories, the Shire can apply them consistently and transparently whenever these properties are made available.

No external consultation occurred during the preparation of this report

#### STATUTORY AUTHORITY:

Local Government Act 1995 s6.16 (3) provides that local government may impose and recover a fee or charge for any goods or services it supplies or proposes to supply.

Local Government Act 1995 s6.19 requires that where a local government proposes to impose any fee or charge after the annual budget has been adopted, it must give local public notice of the proposed fee or charge.

#### **POLICY IMPLICATIONS:**

There are no policy implications resulting from the recommendations of this report.

#### **FINANCIAL IMPLICATIONS:**

The inclusion of commercial charges for three- and four-bedroom accommodations will strengthen revenue streams and support the ongoing maintenance of Shire housing assets.

# **RISK ASSESSMENT:**

| Risk Statement   | Level of Risk | Risk Mitigation Strategy   |
|--|---------------|--|
| Revenue loss or inequity arising from the absence of published charges for 3- and 4-bedroom Shire housing. | Medium        | Adopt clear and transparent commercial charges for all housing categories and ensure compliance with statutory requirements. |

#### STRATEGIC IMPLICATIONS:

The Shire of Menzies Council Plan 2025 - 2035 outlines the following Outcomes and Strategies:

#### Outcomes

- 3. An innovative, diverse and prosperous economy
- 4. An attractive destination for visitors

# Strategies

- 3.2 Continue to work with industry and stakeholders for the economic development of the district.
- 3.3 Advocate for reliable essential utility services to the district.
- 4.3 Continue to provide and maintain visitor support services

Accordingly, the officer's recommendation aligns with the Shire of Menzies Council Plan.

## **SUMMARY:**

To review Policy 1.8 Official Communication in accordance with the Council's annual rolling review of all policies.

## **BACKGROUND:**

The Official Communication Policy was reviewed by the Council on 28 September 2023.

#### **COMMENT:**

The policy needs to be amended to update the references to the legislation, as follows:

- s.2.8(1)(b) instead of s.2.8(1)(d)
- s.5.41(4)(b) instead of s.5.41(f)

Additionally, change the terminology from 'Elected Members' to 'Council Members' for consistency across all Shire policies.

#### **CONSULTATION:**

No external consultation occurred during this report's preparation.

# STATUTORY AUTHORITY:

Local Government Act 1995:

s.2.8(1)(b) provides that the mayor or president acts as the principal spokesperson for the local government

- s.5.41(4)(b) provides that the CEO speaks on behalf of the local government if the mayor or president agrees
- s.2.9 provides that the deputy mayor or deputy president performs the functions of the mayor or president when authorised to do so under s.5.34
- s.5.34 provides the circumstances when the deputy mayor or deputy presidents can act for the mayor or president

#### **POLICY IMPLICATIONS:**

This policy is being reviewed in accordance with Policy 1.13 Policy Review Schedule.

# **FINANCIAL IMPLICATIONS:**

There is no financial implication if the officer's recommendation is endorsed.

#### **RISK ASSESSMENT:**

If the policy is not consistently reviewed and updated, there is a risk of non-compliance, which could lead to legal issues and damage the Shire's reputation.

## STRATEGIC IMPLICATIONS:

The Shire of Menzies Council Plan 2025-2035 outlines the following Outcomes and Strategies:

- 7. A strategically focused Council, leading our community.
- 7.2 Effectively represent, promote and advocate for the community and district.
- 8. An efficient and effective organisation.
- 8.1 Maintain a high level of corporate governance, responsibility and accountability.

Accordingly, the officer's recommendation aligns with the Shire of Menzies Council Plan.

That amended Policy 1.8, Official Communication, as follows:

## 'Objective

This policy establishes protocols for official communications of the Shire of Menzies with the community to ensure the Shire is professionally and accurately represented and to maximise a positive public perception of the Shire.

# **Policy Statement**

#### 1. Official Communications

The objectives of the Shire's official communications include:

- a. Sharing information required by law to be publicly available;
- b. Sharing information that is of interest and benefit to the community;
- c. Promoting local events and services;
- d. Promoting Public Notices and community consultation / engagement opportunities;
- e. Answering questions and responding to requests for information relevant to the role of the Shire;
- f. Receiving and responding to community feedback, ideas, comments, compliments and complaints.

All official communications will be consistent with relevant legislation, policies, standards and the positions adopted by the Council. Communications will always be respectful and professional.

The Shire will use a combination of different communication modes to suit the type of information to be communicated and the requirements of the community or specific audience, including but not limited to, website, advertising and promotional materials, media releases, social media, community newsletters and letter drops.

# 2. Speaking on behalf of the Shire of Menzies

The Shire President is the official spokesperson for the Shire of Menzies and may represent the Shire of Menzies in official communications, including speeches, comment, print, electronic and social media. [s.2.8(1)(b) of the *Local Government Act 1995*].

Where the Shire President is unavailable, the Deputy Shire President may act as the spokesperson. [s.2.9 and s.5.34 of the *Local Government Act 1995*]

The CEO may speak on behalf of the Shire, where authorised to do so by the Shire President. [s.5.41(4)(b) of the Local Government Act 1995]

# 3. Responding to the Media

All media enquiries relating to Shire business must be directed to the CEO (or a person authorised by the CEO) for information to be collated to assist the President or CEO in forming an official response on behalf of the Shire.

Where media directly approach a Council member for a personal statement, they must comply with section 4 of this policy.

#### 4. Personal Communications and Statements on Shire Matters

The provisions of the *Local Government Act 1995* essentially direct that only the Shire President, or the Chief Executive Officer if authorised, may speak on behalf of the Local Government. It is respectful and courteous to the office of Shire President to refrain from commenting publicly, particularly on recent decisions or contemporary issues, until such time as the Shire President had opportunity to speak on behalf of the Shire of Menzies.

Any public statement made by a Council member other than the President, or the CEO where authorised, (in a personal or official capacity) must ensure:

- a. They have clearly stated the view is personal and not representative of the Shire;
- b. Comments comply with legislation, the code of conduct and policies;
- c. Statements are factual:
- d. Reasonable measures are taken to protect the reputation of the Shire;
- e. Statements do not denigrate any decision of the Council, or the character or actions of Council members or employees; and
- f. Communications do not contain offensive or distasteful representations toward Council members, staff, community members or the Shire's reputation.

Council members and staff should maintain awareness that personal comments made privately have the potential to be made public and must ensure all communications do not breach this policy, legislation or the Code of Conduct.'

#### **SUMMARY:**

To endorse a proposal to apply 'spot rating' principles to the mine site accommodation village at the Mt Ida Gold Mine situated on tenement L29/145 and held by Aurenne Mit Pty Ltd.

#### **BACKGROUND:**

The Council has previously agreed to the principle of 'spot rating' to the accommodation village at the Tropicana, Riverina, Edjudina and Davyhurst mine sites. This opportunity now extends to the Bottle Creek mining village located on Tenement L29/145 and held by Aurenne Mit Pty Ltd.

#### **COMMENT:**

The Council is required to commence formalities for changing the method of valuation for the accommodation village and associated infrastructure on Mining Operation for Mt Ida Gold Mine. The resolution is required as a part of the official notification to the owner of the mine site.

On the basis the Council will accept the officer's recommendation, it is then the intent to notify the company of the proposed valuation method and giving the tenement holder at least 28 days to make submissions. This is a requirement of the Departmental Guidelines

#### STATUTORY AUTHORITY:

Local Government Act 1995

Section 6.28 – Stipulates that the Minister for Local Government is responsible for determining the method of valuation of land to be used by a local government as the basis for a rate.

In determining the method of valuation, the Minister is to have regard to the general principle that the basis for a rate is to be:

- Where the land is used predominately for rural purposes, the UV of the land; and
- Where the land is used predominately for non-rural purposes, the GRV of the land.

Section 6.31 – Enables a local government to phase-in valuations in accordance with the provisions of Schedule 6.1.

Schedule 6.1(2) – Deals with phasing-in of valuations where a determination is made by the Minister under Section 6.28 to change the method of valuing land from UV to GRV. A local government may phase-in the impact (cost) of the change over a three year period.

#### **POLICY IMPLICATIONS:**

There are no Council policy implications resulting from the recommendations of this report.

Minister for Local Government – Valuation of Land – Mining

#### FINANCIAL IMPLICATIONS:

Currently the land on which the Bottle Creek mining village is located, is not rated as L 29/145 is a Miscellaneous License tenement. Recent legal battles involving the Shire of Mt Magnet and Atlantic Vanadium involving the rating of Miscellaneous License tenements have taken yet another turn with the company now taking the Shire to the Court of Appeal. So, while the Shire of Mt Magnet currently has a Supreme Court decision in its favour to rate Miscellaneous Licenses, the dispute is still not over.

Importantly and from the Shire's perspective, it does not really matter that tenement L 29/145 is not currently being rated because the land usage (mining village on a small part of L 29/145), is the determining factor.

The introduction of a GRV structure for the rating of Bottle Creek mining village will provide an increase in rate revenue when the infrastructure is brought to account. The accommodation at Bottle Creek can accommodate up to 204 persons and is therefore a much smaller operation than Tropicana (up to 600 persons).

An indicative valuation for the new Bottle Creek site is now to hand and would accrue the following if it were rated in 2025/26:

Indicative GRV \$700,000@ 0.08940 = \$62,580

With the mining village situated on part of L 29/145, (currently no assessment), it would in 2024/25 have attracted in UV rating on the whole tenement rates yielding \$649.00. In due course a small part of the 32ha area will be converted to a GRV assessment to cover the mining village.

Also, part of the administrative process in seeking a valuation change includes obtaining survey information that will be used for the formal gazettal of the relevant area. Landgate – Property & Valuations is able to provide this service at around \$500.00 per description.

# **RISK ASSESSMENT:**

| Risk Statement                           | Level of Risk | Risk Mitigation Strategy  |
|--|---------------|---|
| Risk 1 Legislative and policy compliance | Unlikely      | Rigorously comply with legislative requirements and the Departmental Guidelines.  |
| Risk 2 Reputation                        | Unlikely      | Pursuing consistency to ensure all mining village operators are rated in a like manner to those who have been previously GRV rated. |

# STRATEGIC IMPLICATIONS:

The Shire of Menzies Council Plan 2025-2035 outlines the following Outcomes and Strategies:

- 7. A strategically focused Council, leading our community.
- 7.2 Effectively represent, promote and advocate for the community and district.
- 8. An efficient and effective organisation.
- 8.1 Maintain a high level of corporate governance, responsibility and accountability.

Accordingly, the officer's recommendation aligns with the Shire of Menzies Council Plan.

#### SUMMARY:

Consider the reasons for the restriction of opening hours for the Menzies and Kookynie waste sites prior to a more detailed report to be presented in December 2025, to respond to the Petition presented to the Council at the August Ordinary Meeting, and to review the proposed fees and charges for the waste sites.

#### **BACKGROUND:**

# **Proposal**

The original proposal was that the Menzies Waste Facility operate on restricted hours and that when open to the public the site be staffed. Unrestricted access to the Waste Facility results in indiscriminate dumping of rubbish so the Shire is unable to control what is dumped, including asbestos and e-waste. This results in difficulties for council staff to ensure the council's legal responsibilities relating to asbestos and e-waste in particular are complied with. It also results in inefficient use of the air space into which rubbish is dumped. Wind-blown rubbish is also an issue.

#### **End of Useful Life - Menzies**

The waste management site has a limited life span in its current form. That life span is nearing its end as indiscriminate dumping, commercial and industrial waste and the lack of proper recycling and management over many years have contributed to the inefficient use of the facility.

Over the years the management of the site has revolved around making the facility available to residents on a 24/7 basis without any ability for staff to properly manage the use or control the waste that is brought to the facility. This means that all manner of waste, some of which the site is not registered to receive, has been dumped and this has had the effect of shortening the potential life span of the facility.

Council staff at one stage, initiated enquiries regarding the extension of the facility to the north and west of the existing boundaries however this has stalled following DPLH

advice that an ILUA was required. I have been unable to ascertain whether the responsible corporation was contacted at the time. Enquiries continue and I will report once further information is received.

It is estimated that with careful restriction of waste entering the facility that there may be a further four year life for the Menzies Waste facility in its current form. If the suggested actions are not taken, the site is likely to last a further two years at most and be closed. Once closure occurs the Shire will have some significant costs associated with the rehabilitation of the site (in excess of \$1M).

#### **Kookynie Site**

The Kookynie waste site is not as far through its life as the Menzies facility. The issue with this site is that more and more waste is being dumped from within the mining industry and this is becoming a problem in terms of site management and will also continue to shorten the lifespan for residents.

In its current form, without adding mining waste to the site, there is likely more than a 20 year lifespan for the Kookynie community. Adding mining waste to the equation at its current levels will reduce this to perhaps 5 years.

#### **COMMENT:**

The move to restrict access to the waste sites was brought about by a number of issues;

- Nearing end of useful life of the Menzies waste site
- High cost of extending the site
- Long timeframe for extension of site (ILUA, environmental assessment, etc)
- Environmental conditions likely to be enforced
- Likely requirement to move to recycling
- Indiscriminate dumping (asbestos, dangerous goods etc)
- Commercial waste being dumped without fees being paid.
- High cost of waste transferred to regional site (Coolgardie)

# **Legislative Framework**

The Waste Avoidance and Resource Recovery Act 2007 requires that the Shire eliminates the disposal of e-waste to landfill sites and reduces the overall amount of waste to landfill through recycling and any other contemporary methodology within scope of the act.

Without the restrictions of manning and restricting the access to the site, the Shire is unable to meet its obligations under the Act as it has no control over what waste enters the facility.

#### **CCTV**

CCTV of itself will not resolve the issues related to lifespan and neither will it support the Councils obligations to reduce certain waste. Installation of CCTV will not stop indiscriminate dumping and neither will it assist the Shire in meeting the obligations

under the WARR Act. While it may identify who enters the waste site and may even identify what they have dumped at the site, it will not necessarily be sufficient proof of an offence just because it exists. Unless there is conclusive footage of any actions undertaken by attendees and high resolution footage of actual offences as they occur, CCTV of itself will not reduce waste dumping at the facility. This would mean that there would need to be a significant number of cameras with extremely high resolution and capability.

There is no power to the waste site and this would mean that cameras would need to be solar/battery powered to capture consistent footage. This could then identify locations of cameras and as such provide an opportunity for those dumping indiscriminately to either disable or destroy the cameras adding further cost to the equation. The cost of providing power to the site could be as much as \$200,000 to \$400,000 if the costs for the GROH housing project are any indication of cost of power connection.

CCTV is not an easy option to either install, monitor or maintain over the long term.

It is proposed that the Menzies Waste Facility be open on Monday, Wednesday, Friday and Saturday (or Sunday) from 9am to 12noon (public holidays excepted) and be staffed so that those wanting to place waste in the facility can be directed as to placement and the waste sorted if necessary. This will help to prevent indiscriminate dumping and allow charging for the placement of waste.

#### **Future without extended site at Menzies**

As stated earlier, the Menzies facility may have a couple of years under its current management regime, open use, 24/7 with no restrictions. Managing the site on a restricted basis will potentially double this timeframe as indiscriminate dumping will be ceased and mining waste refused.

This will give the administration the ability to negotiate an extension of the existing site or an alternative arrangement for Menzies townsite waste. Without the restrictions the Council will face negotiating with neighbouring Shires.

The Menzies site, once closed means that either the Council will need to use the Kookynie site to hold Menzies waste as well or that it would need to negotiate an arrangement with a neighbouring Council to take Menzies waste. This can be costly given the distances required to transport the waste, a 2 to 3 hour return journey at the very least, and also in terms of higher waste disposal fees that might be charged by those Councils and in turn higher ratepayer costs for waste.

Without restricting the access to the waste site this is likely within 2 years.

# **Kookynie Facility**

Kookynie has a longer lifespan however is being used by mining interests for the dumping of their waste. This also is reducing its longevity and the waste is not managed in relation to what can be dumped or where.

There is a potential to undertake restrictions at the Kookynie facility by use of a combination lock on the gate to reduce the potential large scale dumping of waste at the site. This would mean that the local residents could be given the code for the lock and

be asked to lock up when they leave. This would then take away the need to man the site given that there are significantly less residents in Kookynie than Menzies.

# **Proposed Fee Structure**

The original proposed fee structure is appended to this item however I would suggest several changes to the proposal.

- The Shire of Menzies does not accept tyres of any description.
- That non-commercial/non-industrial residents and ratepayers are exempted from the per cubic metre charge for normal garden and residential waste up to a 6 x 4 trailer load.
- Subsequent trailer loads within the same week and larger loads than a 6 x 4 trailer are also to be charged by the cubic metre regardless.

In addition to the fee structure I propose that the following procedure to be adopted as practice at the Kookynie Waste site.

• The Kookynie tip to locked with a high quality combination lock and that the Kookynie non-commercial/non-industrial residents be given the code to unlock.

#### **POLICY IMPLICATIONS:**

Council Policy 8.1 Compulsory Waste Collection Service relates to the kerbside weekly pickup of household waste.

#### FINANCIAL IMPLICATIONS:

Staffing of the waste site will be completed using existing staff on a roster basis. Therefore, there will be no additional staff costs except for staff costs incurred on Saturdays.

With the implementation of a charging regime, especially for commercial waste, any marginal expenditure will be covered with increased revenue. Below is a table outlining the past three years expenditure and revenues associated with waste management within the Shire of Menzies.

#### OFFICER RECOMMENDATION:

#### That:

- 1. The Council acknowledge and endorse the reasoning provided by the Acting CEO regarding the restricted opening hours for the waste facilities
- 2. Direct the CEO to provide a public response to that petition outlining the above information and the underlying obligations behind the proposal
- 3. The Works Manager be directed to provide a combination lock to the Kookynie waste site and that local residents (excluding large mining or commercial interests) be provided the combination to unlock
- 4. Restricted hours be introduced for general access to the Menzies Waste Facility from 31 October 2025
- 5. Hours of opening at the Menzies Waste Facility be:
  - Monday, Wednesday, Friday and Saturday between the hours of 9am and 12noon, excluding public holidays
- 6. An appropriate charging regime be introduced at the Menzies Waste Facility including the proposed amendments within this item
- 7. The Menzies Waste Facility be appropriately staffed
- 8. All payments for placing waste in the Menzies Waste Facility be facilitated from the Menzies Town Hall as a pre-payment system and no payments be accepted at the Menzies Waste Facility
- 9. A review of the operations of the Menzies Waste Facility be presented to the Council at its meeting scheduled for 17 December 2025, such report to include impacts on revenue and expenditure, staff impacts, impacts on members of the public and commercial operators.

#### SUMMARY:

To adopt the Schedule of Fees and Charges for the Menzies Waste Facility and incorporate into the 2025/2026 financial year Schedule of Fees and Charges.

#### **BACKGROUND:**

The 2025/2026 Schedule of Fees and Charges was adopted at the Ordinary Council Meeting held on 26 June 2025.

At the Ordinary Council Meeting on 31 July 2025, the Council resolved as follows:

# 'That:

- 2. An appropriate charging regime be introduced at the Menzies Waste Facility
- 3. The Menzies Waste Facility be appropriately staffed
- 4. All payments for placing waste in the Menzies Waste Facility be facilitated from the Menzies Town Hall as a pre-payment system and no payments be accepted at the Menzies Waste Facility
- 5. Restricted access shall commence from 29 September 2025
- 6. A further report be presented to the Council at its meeting on 28 August 2025, relating to the imposition of charges at the Menzies Waste Facility'

As a result, the adopted 2025/2026 Schedule of Fees and Charges requires amendment to incorporate these changes.

#### **COMMENT:**

To support the above resolution, amendments to the Schedule of Fees and Charges for the 2025/2026 financial year have been prepared.

The recommended Schedule of Fees and Charges for the Menzies Waste Facility for the 2025/2026 financial year is provided in the attached document.

All payments for the disposal of waste at the Waste Facility is to be processed through the Shire of Menzies Administration Office under a pre-payment system. No direct payments will be accepted at the Waste Facility.
