# Councillor Meeting Information Shire of Menzies Council Meetings

Elected Members are bound by legislation to act with integrity and make decisions for the whole of the Shire.

# Attending meetings

Elected Members have a duty to attend all council meetings to ensure that electors are adequately represented. In recognition of this, under the Local Government Act 1995 an Elected Member who is absent from three consecutive ordinary council meetings without leave being granted by the Council, is automatically disqualified. If a member wishes to be absent for more than six consecutive ordinary meetings, Ministerial approval is necessary as well as Council approval.

It should be noted that applications for leave of absence are usually supported but must be approved by the Council before, or at, the meeting(s) the council member is to be absent from. Leave of absence cannot be approved retrospectively.

# Voting at meetings

If an Elected Member is present at a Council meeting, he or she is required by law to vote on all matters before that meeting unless he or she has a financial interest in the matter. Agendas are delivered to Elected Members within the required timeframes of the Local Government Act 1995, being a minimum of seventy-two (72) hours prior to the advertised commencement of the meeting. While late items are generally not considered there is provision on the Agenda for items of an urgent nature to be considered.

Councillors are required to give due consideration to all matters contained in the agenda. Without adequate time for reading the agenda, it is extremely difficult for Elected Members to make effective assessments of issues and provide constructive input to council debate and decision making. It is recommended that further information be requested if there is insufficient material available to make an informed decision.

# SHIRE PRESIDENT'S REPORT – MARCH 2023

Prior to the Audit and Risk Committee Meeting on 23 March, the Acting CEO and I met with Bill Hayes, Event Matrix and Renny Leo, Eastern Goldfields Cycle Club President, for a meeting and an update on the upcoming Goldfields Cyclassic and Community Classic. Two new races will feature in 2023, both happening on Sunday 4 June. The first is the Leonora Woman's Cycling Classic, a standalone handicap race from Menzies to Leonora, the second the Classic Criterium, later in the day, over multiple laps of a 900m circuit in the Leonora Town Precinct. This year's Cyclassic maybe an interesting event, as it is the second year of the Cycle Club using an Event Coordinator, Event Matrix and a greater push for Corporate Sponsorship and participation.

The Audit and Risk Committee met with full membership with the Mid-Year Budget Review for financial year 2022/2023 and the Compliance Audit Return 2022, the main items on the agenda.

After a short lunch, available Councillors and Staff attended a Briefing Session.

At the Regional Road Group Meeting on 24 March, attended by the Works Manager and myself, the Local Governments were given an assessment of how the funded road project of each Local Governments are tracking leading into the end of the Financial Year 2022/23.

On Monday, 27 March the Councillors, Staff and other guests attended a dinner at Menzies Hotel for Carol McAllan's retirement. Carol was presented with a portrait of the Shire Administration Building/Town Hall and gift cards in recognition of her 17 years of service to the Shire and the Community as well as living and working in Kookynie and Menzies for 25 years. Carol is to retire to her home in Ravensthorpe to be near her daughter Deanne and Grandchildren.

# SUMMARY:

To consider the Shire of Menzies' financial position as at 28 February 2023 and performance for the period 1 July 2022 to 28 February 2023 in relation to the adopted Annual Budget and projections estimated for the remainder of the Financial Year (FY).

# BACKGROUND:

The budget review has been prepared to include information required by the *Local Government Act 1995*, *Local Government (Financial Management) Regulations 1996* and Australian Accounting Standards. The report for the period 1 July 2022 to 28 February 2023 shown in the attachment has been prepared incorporating year to date budget variations and forecasts to 30 June 2023 and is presented for the Council's consideration.

Consideration of the status of various projects and programs was undertaken to ensure any anticipated variances were captured within the review document where possible.

The material variance levels which have been reported for the budget review are based upon management judgement where explanations are considered appropriate.

# COMMENT:

The budget review report includes at 'Note 4' in the attachment, a summary of predicted variances by nature and type activities contained within the rate setting statement, including whether variances are considered to be permanent (where a difference is likely between the current budget and the expected outcome to 30 June) or due to timing (e.g. where a project is likely to be delayed).

Features of the budget review include:

Increase in fee and charges of Building License applications	\$22,000
Increase in interest earning from term depot and operational municipal	\$169,500
Minor increase from other revenue including reimbursement and credit from Goldfields Record Storage Financial Year (FY) 2021/22	\$11,000
Increase of employee costs for training and recruitment fees requirement	(\$4,500)
Revisions relating to materials and contract expenses considered within all reporting programs, including adjustment to reclassify expenditure where required. Including consultant fee, CRC operational, staff housing general maintenance, Caravan Park operational and maintenance, Elected Member's reimbursement	(\$144,907)
Reduce works in land and building capital projects: unlikely to be undertaken in this reporting period. Project was deferred until the next financial year following contaminated sites report	\$500,000
Reduce of works in land and building capital projects: unlikely to be undertaken in this reporting period	\$100,000
Increase of works in land and building capital projects for staff housing renovation	(\$25,000)
Minor increase in plant and equipment for CEO vehicle replacement and reduce relocation for plant and equipment including and software and IT system upgrade unlikely undertaken in this reporting period	\$150,000
Reduction in other infrastructure: others have been deferred until next FY following other grant	\$28,755
Transfer to commercial enterprise reserve	\$952,700
Increase in net current assets brought forward upon receipt of audited annual financial statement	(\$108,942)
Loss on disposal/depreciation of asset (non-cash write back)	\$12,000
Capital projects carry over to Annual Budget FY 2023/24	\$790,000
Overall Change (Surplus)	\$2,452,606

In considering the above variances and projections within the attached budget review, the closing position has increased from \$0 to \$2,452,606 reflected in the Statement of Budget Review by Nature or Type.

Following completion of the budget review and to properly consider the impact of estimated projections at 30 June 2023, some items have been identified as requiring a budget amendment to properly account for these variances where appropriate. Required budget amendments which are proposed have been included in 'Note 5' of the attached budget review document for information, and also presented as a separate recommendation to the budget review for the Council consideration.

Further budget amendments may be required to be presented to the Council at future meetings as projects are continually reviewed and monitored

#### SHIRE OF MENZIES NOTES TO AND FORMING PART OF THE BUDGET REVIEW REPORT FOR THE PERIOD ENDED 28 FEBRUARY 2023

#### **1. BASIS OF PREPARATION**

The budget review comprises financial statements which have been prepared in accordance with the *Local Government Act 1995* and accompanying regulations.

#### Local Government Act 1995 requirements

Local Government (Financial Management) Regulations 1996 prescribe that the budget review be prepared in accordance with the Local Government Act 1995 and, to the extent that they are not inconsistent with the Act, the Australian Accounting Standards. The Australian Accounting Standards (as they apply to local governments and not-forprofit entities) and Interpretations of the Australian Accounting Standards Board were applied where no inconsistencies exist.

The Local Government (Financial Management) Regulations 1996 specify that vested land is a right-of-use asset to be measured at cost. All right-of-use assets (other than vested improvements) under zero cost concessionary leases are measured at zero cost rather than at fair value. The exception is vested improvements on concessionary land leases such as roads, buildings or other infrastructure which continue to be reported at fair value, as opposed to the vested land which is measured at zero cost. The measurement of vested improvements at fair value is a departure from AASB 16 which would have required the Shire of Menzies to measure any vested improvements at zero cost.

Accounting policies which have been adopted in the preparation of this budget review have been consistently applied unless stated otherwise. Except for rate setting information, the budget review has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

Financial reporting disclosures in relation to assets and liabilities required by the Australian Accounting Standards have not been made unless considered important for the understanding of the budget review or required by legislation.

#### The local government reporting entity

All funds through which the Shire of Menzies controls resources to carry on its functions have been included in the financial statements forming part of this budget review.

All monies held in the Trust Fund are excluded from the financial statements.

#### Rounding off figures

All figures shown in this budget review are rounded to the nearest dollar.

#### 2022-23 actual balances

Balances shown in this budget review report as YTD Actual are as forecast at the time of budget review preparation and are subject to final adjustments.

#### Budget comparative figures

Unless otherwise stated, the budget comparative figures shown in the budget review relate to the original budget estimate for the relevant item of disclosure.

#### Judgements, estimates and assumptions

The preparation of the annual budget review in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The balances, transactions and disclosures impacted by accounting estimates are as follows:

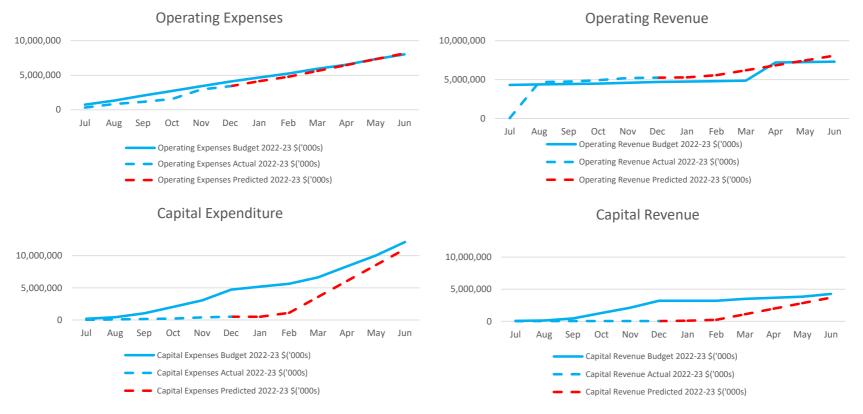

estimated fair value of certain financial assets

estimation of fair values of land and buildings and investment property
 impairment of financial assets

estimation uncertainties and judgements made in relation to lease accounting
 estimated useful life of assets

#### SHIRE OF MENZIES NOTES TO THE BUDGET REVIEW REPORT FOR THE PERIOD ENDED 28 FEBRUARY 2023

#### 3 COMMENTS/NOTES - NET CURRENT FUNDING POSITION (CONTINUED)

#### SIGNIFICANT ACCOUNTING POLICIES

#### CASH AND CASH EQUIVALENTS

Cash and cash equivalents include cash on hand, cash at bank, deposits available on demand with banks, other short term highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and bank overdrafts.

Bank overdrafts are shown as short term borrowings in current liabilities

#### FINANCIAL ASSETS AT AMORTISED COST

The Shire of Menzies classifies financial assets at

amortised cost if both of the following criteria are met:

- the asset is held within a business model whose objective is to
- collect the contractual cashflows, and
- the contractual terms give rise to cash flows that are solely payments of principal and interest.

#### TRADE AND OTHER RECEIVABLES

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for goods sold and services performed in the ordinary course of business.

Trade receivables are recognised at original invoice amount less any allowances for uncollectible amounts (i.e. impairment). The carrying amount of net trade receivables is equivalent to fair value as it is due for settlement within 30 days.

Trade receivables are held with the objective to collect the contractual cashflows and therefore measures them subsequently at amortised cost using the effective interest rate method.

Due to the short term nature of current receivables, their carrying amount is considered to be the same as their fair value. Non-current receivables are indexed to inflation, any difference between the face value and fair value is considered immaterial.

#### The Shire of Menzies applies the AASB 9 simplified

approach to measuring expected credit losses using a lifetime expected loss allowance for all trade receivables. To measure the expected credit losses, rates receivable are separated from other trade receivables due to the difference in payment terms and security for rates receivable.

#### INVENTORIES

#### General

Inventories are measured at the lower of cost and net realisable value. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

#### CONTRACT ASSETS

A contract asset is the right to consideration in exchange for goods or services the entity has transferred to a customer when that right is conditioned on something other than the passage of time.

#### CURRENT AND NON-CURRENT CLASSIFICATION

An asset or liability is classified as current if it is expected to be settled within the next 12 months, being the Shire of Menzies's operational cycle. In the case of liabilities where the Shire of Menzies does not have the unconditional right to defer settlement beyond 12 months, such as vested long service leave, the liability is classified as current even if not expected to be settled within the next 12 months. Inventories held for trading are classified as current based on the Shire of Menzies's intentions to release for sale.

#### TRADE AND OTHER PAYABLES

Trade and other payables represent liabilities for goods and services provided to the Shire of Menzies prior to the end of the financial year that are unpaid and arise when the Shire of Menzies becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured, are recognised as a current liability and are normally paid within 30 days of recognition.

#### PREPAID RATES

Prepaid rates are, until the taxable event has occurred (start of the next financial year), refundable at the request of the ratepayer. Rates received in advance are initially recognised as a financial liability. When the taxable event occurs, the financial liability is extinguished and the Shire of Menziesrecognises revenue for the prepaid rates that have not been refunded.

#### EMPLOYEE BENEFITS

Short-Term Employee Benefits

Provision is made for the Shire of Menzies's obligations for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The Shire of Menzies's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current of financial trade and other payables in the statement position. Shire of Menzies's obligations for employees' annual leave and long service leave entitlements are recognised as provisions in the statement of financial position.

#### PROVISIONS

Provisions are recognised when the Shire of Menzies has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

#### CONTRACT LIABILITIES

An entity's obligation to transfer goods or services to a customer for which the entity has received consideration (or the amount is due) from the customer. Grants to acquire or construct recognisable non-financial assets to be controlled by the Shire of Menzies are recognised as a liability until such time as the Shire of Menzies satisfies its obligations under the agreement.

ATTACHM	ENT	<ol> <li>Compliance Audit Return [12.2.1 - 11 pages]</li> <li>Summary of Issues [12.2.2 - 1 page]</li> </ol>		

# SUMMARY:

Each year, the Council is required to complete an annual Compliance Audit Return (CAR) for the calendar year immediately preceding (1 January to 31 December) as published by the Department of Local Government, Sport and Cultural Industries (DLGSCI). The CAR is then to be reviewed by the Audit and Risk Committee and a report presented to the Council prior to the adoption of the CAR.

# BACKGROUND:

This year, the CAR was reviewed and completed by Moore Australia. Tanya Browning, Associate Director, and Jessica Spark, Senior Project Officer, Local Government Services from Moore Australia attended the Shire offices on 1 February 2023, during which time the CAR was completed through interviews with senior staff and the inspection of various documents and records including:

- Minute books
- Tender Register
- Financial Interest and Return Register
- Complaints Register
- Delegations Register
- Council website

The CAR is one of the tools that allow the Council to monitor how the organisation is functioning in regard to compliance with the *Local Government Act 1995* and provides the Audit and Risk Committee the opportunity to report to the Council any cases of non-compliance or where full compliance was not achieved.

This process also provides an opportunity for the Audit and Risk Committee to consider matters that may require further review within ongoing risk framework assessments and actions.

# COMMENT:

The Audit and Risk Committee reviewed the CAR at its meeting held 23 March 2023 and resolved to recommend the adoption of the report to the Council and that the Shire President and Chief Executive Officer be authorised to sign the Compliance Audit Return 2022 for submission to the Department of Local Government, Sport and Cultural Industries. The 2022 CAR is attached to this report.

Through the completion of the 2022 CAR, there was an instance of non-compliance noted, relating to procurement under \$250,000. Whilst systems and processes are in place in an effort to maintain compliance with the purchasing policy, it is impossible to certify compliance in every instance without a complete examination of all purchases. It was noted with management that it is very difficult to declare during the review period the appropriate number of quotations had been obtained for every purchase (particularly low value purchases) in accordance with the purchasing policy.

A summary of matters noted during the completion of the 2022 CAR is attached for information. The attached summary also notes general improvement opportunities to systems and processes identified through the completion of the CAR. These improvements may assist the Shire in its risk management activities and continual improvement of administrative and compliance functions.

# Shire of Menzies 2022 Compliance Audit Return – Summary of Matters Noted

Question No.	Section/Topic	Matters Identified / Improvements	Reportable in CAR (Y/N)
1	Tenders for Providing Goods and Services	Non-compliance between procurement thresholds and purchasing requirements for low value purchases has possibly occurred during the review period. It was noted with management it is very difficult to declare during the review period the appropriate number of quotations had been obtained for every purchase (particularly low value purchases) in accordance with the purchasing policy.	Y
		Improvement: Review systems and controls to minimise risks of non compliance with adopted purchasing policy.	
-	Tenders	We noted during periods of senior staff turnover, the practice of maintaining some record keeping related to tender documentation and correspondence had not been updated to the central record keeping system at the time of our review. Previous checklists used to monitor tender compliance had not been updated as per established systems and processes.	Ν
		Improvement: Ensure systems and processes established to assist with compliance are maintained, reviewed and monitored. Consider including in routine reviews/monthly processes etc.

## PREPARATION TIMING AND REVIEW

Date prepared: All known transactions up to 28 February 2023 Prepared by: Kristy Van Kuyl (Chief Financial Officer) Reviewed by: CEO

#### **BASIS OF PREPARATION**

#### **REPORT PURPOSE**

This report is prepared to meet the requirements of Local Government (Financial Management) Regulations 1996, Regulation 34 . Note: The Statements and accompanying notes are prepared based on all transactions recorded at the time of preparation and may vary due to transactions being processed for the reporting period after the date of preparation.

#### BASIS OF ACCOUNTING

This statement comprises a special purpose financial report which has been prepared in accordance with Australian Accounting Standards (as they apply to local governments and not-for-profit entities), Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board, the Local Government Act 1995 and accompanying regulations. Material accounting policies which have been adopted in the preparation of this statement are presented below and have been consistently applied unless stated otherwise. Except for cash flow and rate setting information, the report has also been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

#### THE LOCAL GOVERNMENT REPORTING ENTITY

All Funds through which the Council controls resources to carry on its functions have been included in this statement. In the process of reporting on the local government as a single unit, all transactions and balances between those funds (for example, loans and transfers between Funds) have been eliminated. All monies held in the Trust Fund are excluded from the statement, but a separate statement of those monies appears at Note 14.

# SUMMARY INFORMATION

## SIGNIFICANT ACCOUNTING POLICES

#### GOODS AND SERVICES TAX

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with receivables or payables in the statement of financial position. Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows.

#### CRITICAL ACCOUNTING ESTIMATES

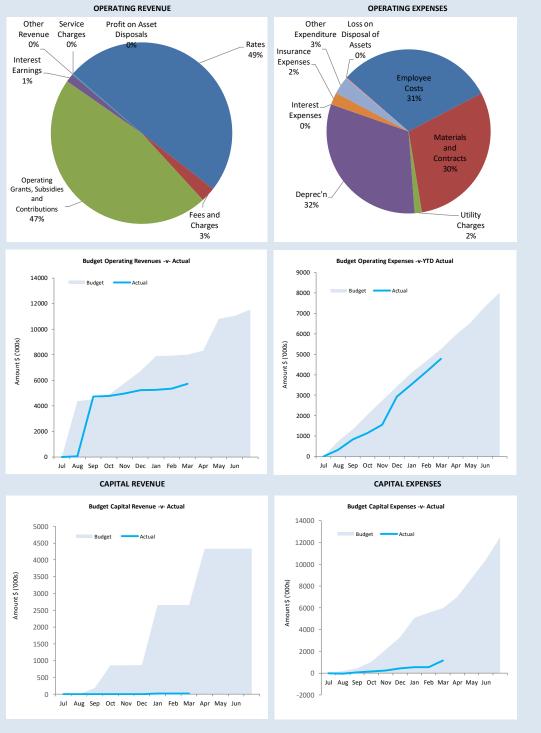

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

#### **ROUNDING OFF FIGURES**

All figures shown in this statement are rounded to the nearest dollar.

#### Land held for resale

Land held for development and resale is valued at the lower of cost and net realisable value. Cost includes the cost of acquisition, development, borrowing costs and holding costs until completion of development. Borrowing costs and holding charges incurred after development is completed are expensed.

Gains and losses are recognised in profit or loss at the time of signing an unconditional contract of sale if significant risks and rewards, and effective control over the land, are passed onto the buyer at this point.

Land held for resale is classified as current except where it is held as non-current based on the Council's intentions to release for sale.

#### CONTRACT ASSETS

A contract asset is the right to consideration in exchange for goods or services the entity has transferred to a customer when that right is conditioned on something other than the passage of time.

### SIGNIFICANT ACCOUNTING POLICIES

KEY INFORMATION

All assets are initially recognised at cost. Cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition. For assets acquired at no cost or for nominal consideration, cost is determined as fair value at the date of acquisition. The cost of noncurrent assets constructed by the local government includes the cost of all materials used in the construction, direct labour on the project and an appropriate proportion of variable and fixed overhead. Certain asset classes may be revalued on a regular basis such that the carrying values are not materially different from fair value. Assets carried at fair value are to be revalued with sufficient regularity to ensure the carrying amount does not differ materially from that determined using fair value at reporting date.

### **KEY INFORMATION**

### PROVISIONS

Provisions are recognised when the Shire has a present legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

#### EMPLOYEE BENEFITS

#### Short-term employee benefits

Provision is made for the Shire's obligations for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The Shire's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the calculation of net current assets.

#### Other long-term employee benefits

The Shire's obligations for employees' annual leave and long service leave entitlements are recognised as provisions in the statement of financial position.

Long-term employee benefits are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any remeasurements for changes in assumptions of obligations for other long-term employee benefits are recognised in profit or loss in the periods in which the changes occur. The Shire's obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the Shire does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current provisions.

#### CONTRACT LIABILITIES

An entity's obligation to transfer goods or services to a customer for which the entity has received consideration (or the amount is due) from the customer. Grants to acquire or construct recognisable non-financial assets to identified specifications be constructed to be controlled by the Shire are recognised as a liability until such time as the Shire satisfies its obligations under the agreement.

ATTACHMENT		1. CONFIDENTIAL - Rates Debtor Report February 2023 [ <b>13.1.3.1</b> - 8 pages]				

# SUMMARY:

To present a list of overdue rates of more than 12 months, through to three years plus, as of 28 February 2023.

# BACKGROUND:

Unpaid overdue rates comprise 178 properties, totaling \$371,610.96 with the following breakdown:

- 12 months arrears, totaling \$51,338.13
- 2 years arrears, totaling \$52,173.73
- 3 years plus arrears, totaling \$268,099.10

Twenty one rates assessments totalling \$70,388.83 are with debt collector AMPAC for collection.

### COMMENT:

The Shire is progressing overdue rate payments for the 178 properties noted above, which total \$1,000 or more, to debt collectors for collection.

The report also shows the 'Current' payments that are due for these long outstanding rates. This has been provided to the Council to give an understanding that these rates appear to have ongoing arrears situations.

The report shows property details and rates amount, hence needs to be treated as confidential.

Collection in some cases is difficult or not possible due to the tenements becoming 'dead tenements'.

Finance Officer Rates is continually progressing actions and processes as per policy to have overdue rates paid.

Unpaid Overdue Rates total \$371,610.96 While these remain unpaid, financial implications, apart from possible cashflow implications, are the ongoing costs associated with debt collection, staff time and an unacceptable ratio of rates not collected on an ongoing basis.

# SUMMARY:

For the Council to consider writing off rates relating to a dead mining tenement.

# BACKGROUND:

These rates have been outstanding for many years. The tenement was forfeited by the Department of Mines, Industry and Regulation on 5 April 2019 for non-payment of rent.

Mail relating to the outstanding rates is consistently returned to the Shire. Outstanding rates and debt affect the Shire's balance sheet and sustainability ratios.

### COMMENT:

The Assessment is A4696 - \$36,760.07 owing as at 31 March 2023.

AMPAC suggested Write off as they were unable to locate this person and they hold no property in Western Australia. They found he owns a business, but the tenement is in his personal name, not the business name.

# SUMMARY:

To endorse a proposal to apply 'spot rating' principles to the mine site accommodation village at the Riverina Gold Mine situated on tenement M 30/256.

# BACKGROUND:

In the past the Council has agreed to the principle of 'spot rating' to the accommodation village at the Tropicana and Davyhurst mine sites. This opportunity now extends to the Riverina Mining Village (Ora Banda Mining) located on Tenement M 30/256 and held by Carnegie Gold Pty Ltd.

### COMMENT:

The Council is required to resolve to commence formalities for changing the method of valuation for the accommodation village and associated infrastructure on M 30/256 Carnegie Gold Pty Ltd. The resolution is required as a part of the official notification to the owner of the mine site.

On the basis the Council will accept the officer's recommendation, it is then the intent to notify the company of the proposed valuation method and to seek their comment within a 28-day period. This is a requirement of the Departmental Guidelines.

# CONSULTATION:

Glenn Bone, Consultant

# STATUTORY AUTHORITY:

# Local Government Act 1995

Section 6.28 – Stipulates that the Minister for Local Government is responsible for determining the method of valuation to be used by a local government as the basis for a rate.

In determining the method of valuation, the Minister is to have regard to the general principle that the basis for a rate is to be:

- Where the land is used predominantly for rural purposes, the UV of the land; and
- Where the land is used predominantly for non-rural purposes, the GRV of the land.

Section 6.31 – Enables a local government to phase-in valuations in accordance with the provisions of Schedule 6.1.

Schedule 6.1(2) – Deals with phasing-in valuations where a determination is made by the Minister under section 6.28 to change the method of valuing land from UV to GRV. A local government may phase-in the impact (cost) of the change over a three-year period.

# POLICY IMPLICATIONS:

The Council has no policy in respect to this matter.

Minister for Local Government – Valuation of Land – Mining.

# FINANCIAL IMPLICATIONS:

Currently the land on which the Riverina Gold Mine is located, is rated on unimproved valuations. This takes no account of the infrastructure sitting on the land. A change to Gross Rental Value (GRV) will provide an increase in rate revenue when the infrastructure is brought to account. The accommodation at the Riverina mine site can accommodate up to 52 persons and is therefore a much smaller operation than Tropicana (up to 600 persons).

At this stage we do not have a notional valuation for the Riverina village to make a forecast as to rating potential. However, as a rough comparison the Tropicana village yielded rates of \$133,893 in 2022/23.

With the mining village situated on part of M 30/256, (Assessment A5456), this is currently on Unimproved Value (UV) rating with the whole of the assessment yielding rates of \$141,115. In due course a very small part of the 7,489ha area will be converted to a GRV assessment to cover the mining village. A request has already been made to Landgate – Property and Valuations to obtain a notional GRV valuation for the mining village. This will then enable the Shire to calculate indicative GRV rating for the new assessment.

Also, part of the administrative process in seeking a valuation change includes obtaining survey information that will be used for the formal gazettal of the relevant area. In the past Local Governments needed to engage the services of a licensed surveyor to obtain the formal description and this tended to be a rather expensive venture. This is no longer the case however, as Landgate – Property & Valuations is now able to provide this service at around \$700 per description.

# **RISK ASSESSMENT:**

Risk Statement	Level of Risk	Risk Mitigation Strategy
<b>Risk 1</b> Legislative and policy compliance	Unlikely	Rigorously comply with legislative requirements and the Departmental Guidelines.
<b>Risk 2</b> Reputation	Unlikely	Pursuing consistency to ensure all mining village operators are rated in a like manner to those who have been previously GRV rated.

# STRATEGIC IMPLICATIONS:

The Shire's Strategic Community Plan 2021-2031 outlines the following Outcomes and Strategies:

Outcome

2.1 An innovative, diverse and prosperous economy

Strategies

2.1.2 Continue to work with industry and stakeholders for the economic development of the district

2.1.3 Advocate for reliable essential utility services to the district

# SUMMARY:

To consider the method by which normal Council elections will be held in 2023 and to declare the Electoral Commissioner to be responsible in the conduct of the election.

# BACKGROUND:

The Shire has received a letter from the Western Australian Electoral Commission advising of the estimated costs for the Electoral Commission to run the next local government ordinary elections, as well as the Commission's agreement to undertake the elections.

Local Government elections are held on the third Saturday of October every two years. Elections in 2023 will be held on 21 October.

# COMMENT:

The CEO of a local government is the returning officer for each election, unless another person or the Electoral Commissioner is appointed. In either case, permission of the Electoral Commission must be sought.

Estimates have been obtained to undertake the elections either in person or postal.

# **POLICY IMPLICATIONS:**

4.1 A strategically focused Council, leading our community.

Attention: Ms Maureen Mertyn

Dear Mr Stewart

### Local Government Ordinary Election: 2023

I refer to your email of 24 February 2023 in which you request a cost estimate for the Shire of Menzies 2023 Local Government Election to be conducted as a postal election.

The estimated cost for the 2023 election if conducted as a postal ballot is \$13,000 inc GST, which has been based on the following assumptions:

- 200 electors
- response rate of approximately 50%
- 3 vacancies
- count to be conducted at the offices of the Shire of Menzies
- appointment of a local Returning Officer
- regular Australia Post delivery service to apply for the lodgement of the election packages.

An additional amount of \$45 will be incurred if your Council decides to opt for the Australia Post Priority Service for the lodgement of election packages.

The Commission is required by the *Local Government Act 1995* to conduct local government elections on a full cost recovery basis and you should note that this is an estimate only and may vary depending on a range of factors.

Costs not incorporated in this estimate include:

- any legal expenses other than those that are determined to be borne by the Western Australian Electoral Commission incurred as part of an invalidity complaint lodged with the Court of Disputed Returns
- the cost of any casual staff to assist the Returning Officer on election day or night

any unanticipated costs arising from public health requirements for the COVID-19 pandemic.

T | (08) 9214 0400 F | (08) 9226 0577 E | waec@waec.wa.gov.au W | www.elections.wa.gov.au

As you are aware, the Government is currently considering reforms to the *Local Government Act* 1995, which include how elections are to be conducted. In order to assist with your local government's budget planning, we have included, to the best of our knowledge, costs that will arise from the changes proposed in legislation. These include increased costs from the Commission arising from improved processing procedures and additional resources to supplement the Commission's education, complaints management, investigation and legal efforts.

In order for the Commission to be responsible for the conduct of your election, the first step required by the *Local Government Act 1995* is my written agreement to undertake the election.

As such, you may take this letter as my agreement to be responsible for the conduct of the ordinary elections in 2023 for the Shire of Menzies in accordance with section 4.20(4) of the *Local Government Act 1995*, together with any other elections or polls that may also be required. My agreement is subject to the proviso that the Shire of Menzies also wishes to have the election undertaken by the Western Australian Electoral Commission as a postal election.

In order to achieve this, your council would need to pass the following two motions by absolute majority:

- Declare, in accordance with section 4.20(4) of the *Local Government Act* 1995, the Electoral Commissioner to be responsible for the conduct of the 2023 ordinary elections together with any other elections or polls which may be required
- Decide, in accordance with section 4.61(2) of the Local Government Act 1995 that the method of conducting the election will be as a postal election.

It would be greatly appreciated if this item was considered at your March 2023 council meeting, to enable the Commission to have sufficient time to work with you to effectively conduct the election.

I look forward to conducting this election for the Shire of Menzies in anticipation of an affirmative vote by Council. If you have any further queries please contact Shani Wood Director, Election Operations on 9214 0400.

Yours sincerely

Dear Mr Stewart

#### Local Government Ordinary Election: 2023

The next local government ordinary elections will be held on 21 October 2023. While this is still some distance in the future, I have enclosed an estimate for your next ordinary election to assist in your 2023/2024 budget preparations.

The estimated cost for a 2023 voting in person election is \$22,000 inc GST which has been based on the following assumptions:.

- 220 electors
- response rate of approximately 40%
- 3 vacancies
- count to be conducted at the offices of the Shire of Menzies
- appointment of a local Returning Officer.

The Commission is required by the *Local Government Act 1995* to conduct local government elections on a full cost recovery basis. The price you have been quoted is an estimate only, and the final cost incurred may vary depending on a range of factors.

Costs not incorporated in this estimate include:

- any legal expenses other than those that are determined to be borne by the Western Australian Electoral Commission incurred as part of an invalidity complaint lodged with the Court of Disputed Returns
- the cost of any casual staff to assist the Returning Officer on election day or night
- any unanticipated costs arising from public health requirements for the COVID-19 pandemic.

As you are aware, the Government is currently considering reforms to the *Local Government Act* 1995, which include how elections are to be conducted. In order to assist with your local government's budget planning, we have included, to the best of our knowledge, costs that will arise from the changes proposed in legislation. For example, if under the amendments your local government will be required to conduct a mayoral/presidential election this has been included.

Some local governments may also note an increase in costs from their 2021 ordinary costs. These include increases arising from inflation in recent years affecting salaries for Returning Officers and other staff, printing and packaging costs as well as the increase in postage announced by Australia Post. Additional costs from the Commission have been included arising from improved processing procedures and additional resources to supplement the Commission's education, complaints management, investigation and legal efforts.

In order for the Commission to be responsible for the conduct of your election, the first step required by the *Local Government Act 1995* is my written agreement to undertake the election.

As such, you may take this letter as my agreement to be responsible for the conduct of the ordinary elections in 2023 for the Shire of Menzies in accordance with section 4.20(4) of the *Local Government Act 1995*, together with any other elections or polls that may also be required.

In order to have the 2023 ordinary election conducted by the Commission as a voting in person election, the next step will be for your council to pass the following motion by absolute majority:

• Declare, in accordance with section 4.20(4) of the *Local Government Act* 1995, the Electoral Commissioner to be responsible for the conduct of the 2023 ordinary election together with any other elections or polls which may also be required.

It would be greatly appreciated if this item was considered at your March council meeting, to enable the Commission to have sufficient time to work with you to effectively conduct the election.

DATE OF REPORT		26 February 2023

ATTACHMENT		Nil		

### SUMMARY:

To review the membership of the Tourism and Economic Development Advisory Committee.

### BACKGROUND:

At its meeting held on 29 September 2022, the Council created the Tourism and Economic Development Advisory Committee. The committee initially was created with a membership of seven, comprising four members of the Council, two staff members and one community member (other person).

At its meeting held on 24 November 2022, the Council considered the appointment of the community member and resolved:

'That the community member nominations be noted, and a community member is not appointed to the Tourism and Economic Development Committee and the committee structure be amended accordingly.'

A Council absolute majority resolution is now needed to effect the 24 November resolution.

## COMMENT:

It will be suggested that the Committee should be reconstituted pursuant to Section 5.9 (2)(a) of the Local Government Act 1995 so that the Committee has only Councillor members and that those members number three.

The Council has already noted it would be more effective to co-opt members of the community to advise the Committee from time to time. Further, the Community Service Manager has left the employ of the Council. Also, it is the opinion of the Acting CEO that

membership of a Committee by the Acting CEO, allowing that officer to vote, creates a potential conflict of interest regarding any report considered by the Committee that the officer may have prepared or influenced.

## CONSULTATION:

Although no external consultation has occurred, elected members are reminded that the constitution of this Committee was raised at the General Meeting of Electors held on 14 February 2023 at which time it was resolved:

'That Committees of the Council, whenever possible, be appointed pursuant to Section 5.9 (2) (c) (d) (e) or (f) of the Local Government Act 1995.'

## STATUTORY AUTHORITY:

Local Government Act 1995

Section 5.9 of the Act sets out the different membership of Committees appointed by the Council.

## POLICY IMPLICATIONS:

Council Policy 1.1.1 Code of Conduct refers to behaviour of Committee Members.

#### FINANCIAL IMPLICATIONS:

There are no financial implications relating to the appointment of committee members.

#### **RISK ASSESSMENT:**

Reputational risk is assessed as low.

#### STRATEGIC IMPLICATIONS:

The Shire of Menzies Strategic Community Plan 2021-2031 includes the following Strategies and Outcomes:

Outcome

2.1 An innovative, diverse and prosperous economy.

Strategies

2.1.1 Support local business and encourage further investment in the district.

2.1.2 Continue to work with industry and stakeholders for the economic development of the district.

2.1.3 Advocate for reliable essential utility services to the district.

## Outcome

2.2 An attractive destination for visitors.

## Strategies

- 2.2.1 Promote our natural attractions and heritage sites as part of a regional approach.
- 2.2.2 Maintain and enhance our local attractions.
- 2.2.3 Continue to provide and maintain visitor support services.

Accordingly, the officer's recommendation aligns with the Strategic Community Plan.

## **VOTING REQUIREMENTS:**

## SUMMARY:

An Organisation Chart was presented to the Council at its Ordinary Meeting held on 26 March 2020. A copy of this chart is attached. At that meeting the Council resolved:

'That Council accept the ongoing staff structure review 2020'

However, this Organisation Chart only partially represented the entire staff cohort and effectively was a mechanism to create the position of Deputy CEO.

The matter of an Organisation Chart was again considered by the Council at its meeting held on 21 March 2021. At the meeting the item was 'tabled', effectively deferring consideration.

Subsequently, at its meeting held on 11 May 2021, the Council postponed approving changes to the existing Organisation Chart under the mistaken belief that an Organisation Chart had been adopted in March 2020. In effect, only direct reports to the CEO were then endorsed, as shown in the attachment.

This report will therefore recommend to the Council the adoption of an Organisation Chart representing the existing funded structure of permanent and part-time permanent staff. It does not represent casual staff or contractors, such as Planning Officer, Information Technology Officer, Ranger Officer or Health/Building Officer.

If adopted, no further changes to the Organisation Chart should occur without the Council's approval by resolution.

## BACKGROUND:

There does not appear to be any record of an Organisation Chart being adopted for the Shire of Menzies.

## COMMENT:

It is preferable to have an adopted Organisation Chart so that the administration and the Council agree on funded staff positions.

Existing (funded) positions both filled and vacant are: Chief Executive Officer 1.0 Full time equivalent (FTE) **Executive Officer 1.0FTE** Manager of Works 1.0FTE Chief Financial Officer 1.0FTE Community Development Manager 1.0FTE (vacant) Projects and Building Maintenance Coordinator 1.0FTE (vacant) Works Foreman 1.0FTE Mechanic 1.0FTE Grader Operator 1.0FTE General Hand 3.0FTE Depot Admin/Cleaner 1.0FTE Senior Finance Officer 1.0FTE (vacant) Finance Officer (Debtor/Creditor) 1.0FTE Finance Officer (Payroll) 1.0FTE Finance Officer (Rates) 1.0FTE Customer Service/CRC Officer 1.0FTE Community Engagement Officer 1.0FTE (vacant) Caravan Park Caretaker 1.0FTE CRC Officer/ General Hand 0.8 FTE Work, Health and Safety Officer 0.2FTE

The Acting CEO believes some changes to this Organisation Chart are necessary to better reflect the needs of the organisation.

The position of Executive Officer will have the Position Description amended with the addition of Human Resource Management, Naturalisations and Records Management responsibilities.

Cleaning staff will all come under the line authority of the Manager of Works

The Projects and Building Maintenance Coordinator will be amended to the position of Building Maintenance Officer and report to the Manager of Works.

The council may wish to discuss some of these changes as these recommendations may cause a reduction in some service areas. For example, there is no capacity in these

suggestions for the Shire of Menzies to continue secretarial support for the Golden Quest Discovery Trail (GQDT).

## CONSULTATION:

Consultation has occurred with affected staff.

## STATUTORY AUTHORITY:

Pursuant to Section 5.36 (1)(b) of the Local Government Act 1995 a local government is to employ (other than a Chief Executive Officer) '...such persons as the Council believes are necessary to enable the functions of the local government and the functions of the council to be performed.'

Further, Section 5.41 of the Act provides that the Chief Executive Officer's functions are to (among other things) '...be responsible for the employment, management, supervision, directions and dismissal of other employees.'

## POLICY IMPLICATIONS:

Policy 3.5 Staff Recruitment

The above policy may require some amendment to ensure there is no doubt that new positions created will require a resolution of the council to amend the Organisation Chart. This ensures that any growth of the staff establishment is done with the approval of the Council.

Of course, once adopted by the Council, Section 5.41 above applies.

## FINANCIAL IMPLICATIONS:

If adopted there will be no impact on the budget as the recommendation reflects the current (funded) positions in the organisation.

## **RISK ASSESSMENT:**

It is suggested that this review of the workforce is simply the first step in ensuring that the Council's Workforce Plan strategies are met. The Workforce Plan acknowledges the difficulties in attracting and retaining staff due to competition with other industries.

The Workforce Plan also acknowledges difficulties in retaining workforce knowledge and emphasises training and workforce succession planning.

Staff turnover at 34% is not considered a problem in the Workforce Plan, however this rate exacerbates the ability of the organisation to retain knowledge and means a greater amount of time is spent recruiting/inducting/training.

Finally, the Workforce Plan sets out a Workforce Risk Assessment as follows:

Risk Issues	Likelihood	C	onsequences		Risk Category	Cross Ref: Workforce Strategies And objectives
		Strategic	Operational	Combined		
Knowledge loss due to staff turnover	Likely	Minor	Major	Major	High	2.3.1 3.4.1 4.2.1

## STRATEGIC IMPLICATIONS:

The Shire of Menzies Strategic Community Plan 2021-2031 includes the following Strategies and Outcomes.

Outcome

4.2 An efficient and effective organisation.

Strategies

4.2.1 Maintain a high level of corporate governance, responsibility and accountability.4.2.2 Provide appropriate services to the community in a professional and efficient manner.

### BACKGROUND:

Tenders were invited for Niagara Dam Maintenance Works by advertisement placed in the West Australian newspaper on 10 December 2022. The Request for Tender was initially advertised to close on 27 January 2023, extended to 17 February 2023 and extended once more to 3 March 2023.

An external organisation was engaged to oversee the Tender process.

## COMMENT:

The tender opening occurred on 3 March 2023 in the Council Office, witnessed by the Acting CEO, the Chief Financial Officer and the Executive Officer.

One complying tender was received.

A confidential selection matrix is attached based on the following criteria which formed part of the tender process:

Table 1: Weighted Price Criteria

Criteria Weighting

Tendered Price 50%

Key Personnel Skills and Experience 20%

Tenderers Resources 10%

## CONSULTATION:

Consultation has occurred with Bluemar, which is an engineering firm appointed to oversee the tender process operating out of Esperance.

Further consultation occurred with Core Business Australia; a firm appointed to provide engineering advice to the Council.

## STATUTORY AUTHORITY:

The tender process was undertaken in accordance with the Local Government (Functions and General) Regulations 1996 Part 4.

### POLICY IMPLICATIONS:

Policy 4.2 Purchasing and Tenders applies.

### FINANCIAL IMPLICATIONS:

The adopted 2022 – 2023 Budget provides an amount of \$936,374.00 at budget line CO131 for Niagara Dam Capital Works.

#### **RISK ASSESSMENT:**

There exists a low risk that if the capital works are not undertaken, the dam will deteriorate to such an extent that the structure may become unsafe.

## STRATEGIC IMPLICATIONS:

The Council's Strategic Community Plan 2021 – 2031 provides at Outcome 2.2 (An attractive destination for visitors), the following strategy:

'Maintain and enhance our local attractions'.

Further, Outcome 3.1 (A well maintained attractive built environment servicing the needs of the community) notes the following strategies:

'Maintain the integrity of our cultural and heritage assets and places.' 'Maintain and enhance our roads, built infrastructure, parks and reserves'.

Accordingly, the proposal to seek tenders for works to Niagara Dam aligns with the Strategic Community Plan.

## SUMMARY:

To consider a request from Red Dirt Metals for the closure of a portion of Mt Ida Road and the creation of a permanent diversion road around mining tenements.

### BACKGROUND:

The applicants note that Mt Ida Road currently passes directly through the planned Mt Ida mining area and the applicant's mining tenements. The applicant proposes to divert the road around the eastern side of the project. This will involve intersection modification.

The proposal is shown on the attached plan 11112-C1-DG-001A.

## COMMENT:

The Manager of Works has discussed the proposal with the proponents, and undertaken a site inspection. Further, the then Acting CEO and the current Acting CEO met with the proponents in Perth in December 2022.

It will be necessary to advertise the proposal and seek submissions so that the matter can be then presented to the Council.

## CONSULTATION:

Consultation has occurred with the proponents.

## **STATUTORY AUTHORITY:**

Land Administration Act 1997

Section 58 of the Act precludes a local government from asking the Minister to close a road permanently until a period of 35 days has elapsed after advertising and consideration of any submissions.

## POLICY IMPLICATIONS:

No council policy relates to the permanent closure of roads.

## FINANCIAL IMPLICATIONS:

All costs associated with the proposal will be met by the proponent.

### **RISK ASSESSMENT:**

No particular risk is identified.

If the road isn't closed there will be an impact on the proponent who will be unable to extend mining operations.

If the road is closed there will be some minor inconvenience to road users who will be required to use the diversion road to be constructed to the east of the operations.

### STRATEGIC IMPLICATIONS:

The Council's Strategic Community Plan 2021 – 2031 provides at Outcome 3.1 (A well maintained attractive built environment servicing the needs of the community) the following strategy:

3.1.1 Maintain and enhance our roads, built infrastructure, parks and reserves.

### SUMMARY:

To consider sponsorship of the 2023 Goldfields Cyclassic event.

## BACKGROUND:

From its inauguration in 1928, the event we now know as the 'Cyclassic' was known as the Menzies-Kalgoorlie Road Race. Initially, the starting point was Menzies, but is now Kalgoorlie to Menzies to Leonora.

Last Thursday 23 March 2023, the Shire President and Acting CEO met with representatives of the Eastern Goldfields Cycle Club Inc to discuss this year's event and Sponsorship support by the Shire of Menzies. The Cyclassic will be held over the weekend of Saturday 3 June and Sunday 4 June 2023. Those discussions revolved around not only support from the Shire of Menzies but also the nature of the event, use of the Town Hall for presentations, the need or otherwise for a marquee, community breakfast and the Menzies Hotel being used for the dinner on the night of Saturday 3 June 2023.

## COMMENT:

The organising club is seeking a donation of \$65,000.00 from the Shire of Menzies for this year's event.

In past years the Shire has not only donated to the Club for the event but has also organised a fireworks event, paid for the hire of a marquee and provided a community breakfast.

This report is presented to the Council to give direction and authority to the Acting CEO as to the quantum of any donation towards the running of the event in 2023.

## CONSULTATION:

External consultation has taken place with the Eastern Goldfields Cycle Club Inc.

## STATUTORY AUTHORITY:

In this instance the statutory authority lies with the Council's adopted budget.

## POLICY IMPLICATIONS:

The Council's Policy Manual is silent regarding the Cyclassic event. However, Council Policy 4.4 Donations, Sponsorships and Contributions applies. This policy is attached in full for the information of Councillors.

It is assumed that there exists a Council intention to make a donation to the 2023 event as funds are included in the 2022 – 2023 adopted budget. Further, the Policy authorises the CEO to make a donation upon request where that donation is recorded in the budget and the request complies with the Policy.

## FINANCIAL IMPLICATIONS:

The 2022 – 2023 adopted Council Budget provides an amount of \$90,000.00 for the Cyclassic event. In the previous financial year, a total amount of \$107,000.00 was charged to the Cyclassic budget line, including a donation of \$65,000.000. Therefore, other expenditure relating to the event was \$42,000.00 (107,000 – 65,000). Should similar expenditure toward the running of the event occur in 2023, it follows that the maximum sponsorship that could occur in 2023 is \$48,000.00 (90,000-42,000).

## **RISK ASSESSMENT:**

Should a donation not occur there exists a medium to high risk that the event may not be held.

## STRATEGIC IMPLICATIONS:

The Shire's Strategic Community Plan 2021-2031 outlines the following Strategies and Outcomes:

## Outcome

1.1 An engaged and inclusive community.

#### Strategy

1.1.1 Facilitate, encourage and support community volunteers, groups, events and initiatives.

Outcome

2.1 An innovative, diverse and prosperous economy.

## Strategy

2.1.1 Support local business and encourage further investment in the district.

Accordingly, the officer's recommendation aligns with the Strategic Community Plan.

## VOTING REQUIREMENTS:

Simple Majority
