Shire President's Report

It is exciting to see the arrival of our new trees, which will enhance the beauty of our community.

Alongside this, I'm pleased to report that the Town Dam project, through the Community Water Supplies Partnership Program, has officially been approved by Hon. Don Punch, Minister for Aboriginal Affairs; Water; Climate Resilience; South West.

On 25 July, I attended the Goldfields Voluntary Regional Organisation of Councils (GVROC) meeting online. The session provided valuable updates and insights, including discussions on:

- Regional Climate Alliance Program
- Regional Drought Resilience Plan
- Proposal for the Appointment of a Shared Regional Independent Chair for Audit, Risk, and Improvement Committees (ARICs) Across GVROC Member Councils

At its Ordinary Meeting on 31 July, the Council:

- Adopted the 2025/2026 Annual Budget
- Approved an updated Organisational Chart
- Introduced restricted hours for general access to the Menzies Waste Facility
- Resolved to invite tenders for the leasing of the Goongarrie Stationmaster's house
- Expressed its support for the GVROC proposal relating to the appointment of a shared regional independent presiding member for member councils' Audit, Risk, and Improvement Committees (AuRIC)

On 31 July, Cr Greg Dwyer formally tendered his resignation from his position as Councillor of the Shire of Menzies.

I had a meeting with the Acting CEO, Rob Stewart, to discuss the progress of current projects. It was a productive discussion, and I am confident that we are on track with our key initiatives.

In terms of weather, we've seen consistent rainfall throughout the month. Fortunately, it has not led to any issues.

Paul Warner

We extend our heartfelt thanks to Lotterywest for their generous support of the Goldfields Esperance Urban Greening Program

This significant initiative, involving nine local governments, including the Shire of Menzies, is set to enhance environmental sustainability and community well-being. With a \$573,000 grant from Lotterywest, the program aims to plant over 30,000 trees and seedlings with the aim of enhancing the urban canopy and increasing biodiversity.

The Shire of Menzies is excited to be part of this collaborative effort led by the Goldfields Esperance Voluntary Regional Organisation of Councils (GVROC) in creating a greener, more resilient urban environment.

Acting CEO's Message

One of the most noticeable differences from my appointment as Acting CEO in 2023 to my present appointment is the

number of heavy vehicles going through the Menzies townsite. Of course this traffic is almost entirely related to the mining industry. Anybody witnessing this 24 hours progression, must be very aware of just great the investment in mining is.

Of course, we also witness the number of visitors to our Shire. In recent times the Caravan Park has been completely booked out. This of course can create 'unintended consequences' of visitors 'free camping' in odd locations which is not encouraged.

Getting back to mining for a moment, I have been privileged to visit a number of mining sites. The investment in equipment, machinery and personnel is staggering before any ore is taken from the ground. There is a great amount of faith in the strength of our district to warrant such investment.

Ratepayers and residents may have heard recently of a Supreme Court action seeking to ensure that Miscellaneous Licences issued to mining bodies were rateable. Miscellaneous Licences are generally issued over land that is not used for active mining, but rather other infrastructure necessary to carry out mining activities, such as effluent ponds or dams or pipes. Initially the State Administrative Tribunal held that the accepted practice

that such licences weren't rateable, should remain. On appeal to the Supreme Court, a single judge said this interpretation was incorrect and the licences should indeed be rateable.

For Councils with many Miscellaneous Licences issued (such as Menzies) this would create significant additional income. We understand now though, that the State Government is considering changing the legislation to recognise the perceived original intent of the legislation to ensure that the licences remain non-rateable.

Local government elections are coming up. In Menzies this will be an 'in person' election. The date is Saturday 18 October. Electoral rolls close on 22 August. Our website will have more information as the election comes closer about candidates, how to vote on the day and how to vote early or by postal vote or in this edition of Menzies Matters if you're thinking about being a candidate.

This will be my last contribution to Menzies Matters, with my contract expiring on 29 August. Peter Bentley will then return and hopefully the search for a permanent CEO can commence soon after.

May I say thanks to all of our wonderful residents, ratepayers and businesses who have made my time at Menzies both enjoyable and rewarding.

Rob Stewart

DOGS AT LARGE IN MENZIES

Recently a number of dogs have been observed at large in Menzies and not under proper control. A dog that is not under proper control is liable to be seized by an authorised person such as a ranger or other person authorised by the CEO.

If the authorised person is unable to identify the owner of the dog, that dog is liable to be seized, impounded and may be destroyed.

A complaint was recently received by Council officers about a dog attack.

Fortunately, the attack wasn't serious even though the dog bit the person involved.

Any dog that is in a public place must be securely tethered or otherwise controlled.

If a dog isn't controlled, the Dog Act provides for a fine of up to \$5,000.00. If a dog injures a person the minimum fine is \$1,000.00 to a maximum of \$10,000.00.

A responsible dog owner should ensure that the dog they are controlling is properly restrained when in a public place, for the safety and well-being of both your pet and the people around you. The Council's Ranger has been advised of the situation in Menzies and is being vigilant relating to dog offences.

If a dog is impounded, the costs to retrieve that dog are substantial.

**Please do the right thing by your dog
and to the residents and ratepayers of Menzies.**

Ordinary Meeting

The next Ordinary Council Meeting is scheduled to be held on Thursday 28 August at 1pm in Menzies.

This meeting will be held at the Shire Council Chambers, and members of the public are welcome to attend. At the start of each open meeting, time is allocated for Public Question Time.

The Agenda will be available to view on the Shire of Menzies website. Public questions should be submitted by 12 noon on the business day prior to the meeting by completing the form on the Shire website, menzies.wa.gov.au/council-meetings/ for more information.

The public is advised that, pursuant to Regulation 12(1)(a) of the Local Government (Administration) Regulations 1996, the Council has approved the following dates, times, and locations for Ordinary Council Meetings.

Date	Time	Location
Thursday, 28 August 2025	1 PM	Menzies
Thursday, 25 September 2025	9AM	Tjuntjuntjara
Thursday, 30 October 2025	1 PM	Menzies

EVELYN CULL

Evelyn Cull was born in Wales. She came to Australia in 1924 with her family. They settled in Karlgarin and she married an Australian. As she had a sister in Kalgoorlie and other relatives in Kookynie she visited them often. The beautiful old pepper trees and the sad deserted towns inspired her to write these poems. She says of herself: "Welsh by birth and a bard by heart, I've loved Australia from the start."

THE OLD PEPPER TREE

Old and grey she's returned and found
The town she saw born, bare, barren
ground.
Except for a tree, she planted it there
A tiny green sprig she'd watered with care.

For water was precious, not much could she
spare,
Just look at it now, so cool and serene
In that dry brown land,
A dainty green queen.

Her thoughts go back to the days of old
When she followed her man in his hunt for
gold;
How they lived in rough camps and
comfortless places,
The hardships and loneliness, prospectors'
faces.

The gold was discovered; the town quickly
grew
From the few tattered tents and the peace
that she knew
She saw it all grow with its vice and sin,
The sound of the crushers, the clamour and
din.

It thrived and it grew with her love and her
care
And somehow the place didn't seem quite
so bare.
Then tragedy struck and she lost her man;
The town she must leave now for a new life
to plan.

Now many years later the gold has run out,
The town's just vanished; not a soul is about,
The houses all moved to a township ahead
Leaving it barren, so lonely and dead.

So back to this place she has come to see
What had become of her little green tree.
Her heart fills with pleasure when her eyes
behold
The tree that to her was more precious than
gold.

There in its shadow she kneels down to pray
While over her head the green branches
sway.
"Please God, bless our land, this wonderful
place,
Endow us with tenderness, mercy and
grace."

The tree whispers softly a tender goodbye
And the old lady leaves with a tear in her eye,
She's so glad she's come once more to see
Her treasure of treasures, the old pepper tree.

2025 Local Government Elections: Candidate Information Webinar

Are you considering nominating as a candidate in the 2025 Local Government Elections? To help you navigate the process, WALGA, in partnership with the Department of Local Government, Industry Regulation and Safety (LGIRS) and the WA Electoral Commission (WAEC), is hosting a Candidate Information Webinar.

Date: Monday, 18 August 2025

Time: 6:00 PM

Venue: Council Chambers, 124 Shenton Street, Menzies

This informative session is designed to support individuals considering a nomination, offering an overview of key election processes and the responsibilities of Local Government and Council Members. You will also gain insight into the regulatory role of LGIRS.

Topics covered in the webinar will include:

- Election processes and timelines
 - Responsibilities of Local Government and Council Members
- Regulatory oversight from LGIRS

Meet the Presenters:

A panel of expert presenters will share their knowledge to ensure potential candidates are well-prepared for both the electoral process and, if elected, the responsibilities of life as a Council Member:

- Hon. Hannah Beazley MLA – Minister for Local Government; Disability Services; Volunteering; Youth; Gascoyne.
- Karen Chappel AM JP – President, WALGA
- Dennis O'Reilly – Acting WA Electoral Commissioner and Phillip Richards – Manager of Election Events, WAEC
- Erin Gauntlett – Deputy Director General, LGIRS
- Tony Brown – Executive Director, Member Services, WALGA

Participants will have the opportunity to ask questions during the session, ensuring you get the answers you need before making your decision.

To register for the webinar, please email Maureen at ea@menzies.wa.gov.au or call the Shire Administration at 08 9024 2041 no later than Thursday, 14 August 2025.

Rob Stewart

Acting Chief Executive Officer

VISIT TO NIAGARA BATTERY.

After lunch the Ministers, accompanied by the Mayor and Messrs H. Harvey, P. Watts, W. H. Ackland, and J. Walker, drove to the State battery at Niagara, where Mr Gregory found everything to be satisfactory.

Regarding the slimes at the battery, it has previously been the practice to assay them and pay customers the value, less cost of treatment. As there is a large quantity of valuable slimes accumulated, and the Government have a suitable plant idle, the Minister decided to install same, the cost of which the manager

Mr J. Leipold, estimates to be under £100. The plant is to be erected as soon as possible, and the treatment of slimes to proceed straight away. The manner of treatment will be done by mixing a proportionate quantity of residues with the slimes. It is hoped that within three months owners of slimes will have had some repayment. Customers will now be paid the value of the slimes. Slimes collected previously will be the property of the Crown.

Taken from the Kookynie Press. 13 March 1907.

Solin, P.O (1900). Group with wild flowers collected from the bush at Goongarrie, Western Australia.

Items of News

The local railway authorities are making extensive preparations to afford the public every opportunity of visiting the floral regions of the goldfields whilst the wild flowers are blooming. Reference to tour advertising, columns will show that on Sunday next specials will run from Kalgoorlie to Menzies, trains from the former station connecting with Boulder, Coolgardie, and Kanowna trains. The cheap fares prove an attraction in themselves. The flower trains on last Sunday carried over 1600 people, and had the day been fine, this number would probably have been doubled. The picnickers, returned loaded with flowers, and were loud in their praises of Goongarrie as a flower bed. Given fine weather on next Sunday there should be a record passenger traffic from all the goldfields centres. Water for picnic parties can be had in the railway tanks in Goongarrie yard.

Kalgoorlie Miner, Friday 27 July 1900

FLOWER TRAIN

So successful have the flower trains been that the Department has decided to run another—the fourth this season to Goongarrie on Sunday. A stop will be made at Cane grass—both going and returning and an opportunity afforded of gathering the fine pink flowers which grow there. The train will leave Kalgoorlie at 9.15a.m. Fares will be as usual.

Evening Star (Boulder, WA : 1898 - 1921),

Thursday 9 August 1900,

A large number of excursionists travelled to Goongarrie by the flower train last Sunday and returned loaded with flowers. The stoppage of the train two miles from Goongarrie was much appreciated. The flowers are growing very thickly in this spot, and in places between there and Goongarrie the ground is literally carpeted with them. The sight on the Kalgoorlie platform when the passengers' detrained was an exceedingly novel and pretty picture, upwards of 1000 people carrying great bunches of flowers making the station look almost like a moving field of flowers.

Kalgoorlie Miner, Thursday 16 August 1900

It's now illegal to pick wildflowers in WA

CONNECT . LEARN . BELONG

Volunteering for St John WA, St. John's Ambulance is in the process of forming a dedicated committee to support its volunteers in the Menzies area. This initiative is being launched with the collaboration of the community paramedic in Leonora, highlighting a strong community-driven approach to healthcare. The formation of this committee is expected to provide much-needed backing to the volunteers, ensuring they have the resources and support required to effectively serve the community.

Visit stjohnwa.com.au to learn more about becoming a volunteer, or come to the Menzies CRC Monday to Friday, 9am to 4pm, to speak to John Warner for more information.

Letter to the Editor

Just to share with all of you some of the issues that fate deals to me.

My water pressure pump failed and that became an inconvenience. Fortunately, I kept the box and on it was printed a three-year guarantee. Because I'm a person who keeps receipts I went to the Bunnings file and found the receipt and managed to have the pump replaced on warranty. That was the good news. The disappointment came when the particular pump was out of stock although Bunnings stock control indicated that there should be 2 available. I had to wait three weeks for a new pump.

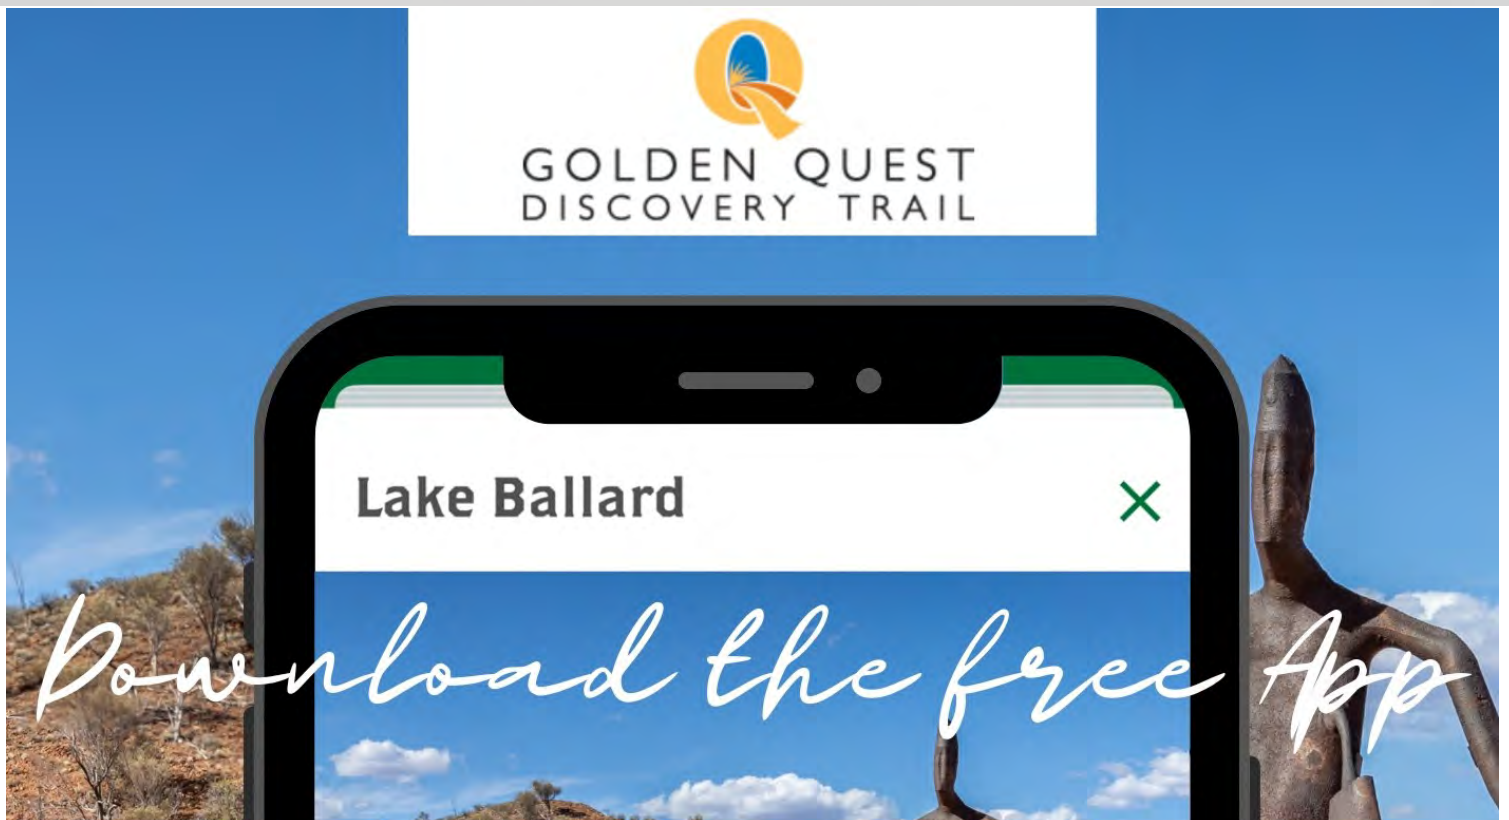

During this time, I was forced to use the hot shower at the truck stop. Driving into the shower and toilet area I noticed that the fence had been damaged and there was a considerable amount of litter. I'm pleased to say that the fence is now repaired thanks to our works manager. The litter has been reduced but it is still a problem. I don't know what is wrong with people, the bins are just there adjacent to the shower building. Perhaps the security camera can identify the culprits.

My other issue that you all know is the unsatisfactory result from Gold Rush Tours Bus Service. However, I have managed to make a complaint to the Consumer Protection Authority. They have acknowledged and will commence arbitration with the use of volunteers. I was so surprised that this department has to use volunteers. I don't expect that the resolution will be soon. However, I do have the option to take this claim to a magistrate.

I have to say that these days one cannot deal with a person. All business is online and one size fits all. Provided one can type the correct answer to a question all is well but one question I expect everyone in Menzies would fail. What is your ground line phone number? Apart from the shire I only know of one private ground line phone number in Menzies. The only way I could answer the question is to use my son's phone number.

Should any of you find yourselves in this same predicament and need some help I will make myself available.

Roy John Parfitt.
