THE CHIEF EXECUTIVE OFFICER

Greetings

This month my focus is on activity and wellness. But before I start I thank all the residents of Menzies (particularly the children) for keeping away from the building site at the Oval. I know it must have been hard not to take just a little look. A big Thank you to everyone.

Our Youth Centre Building is now in place and will be open for business during August. Opening times and activities will be agreed.

All young people and their carers together with anyone interested in becoming involved in the activities are invited to meet with me at stage at the building on **Tuesday 14 August** at 3pm. I ask that anyone reading this pass on the message to your friends and family.

The official opening will be in December, but we will be using the building well before that time. There will be lots of jobs that need to be done before the opening, and we will need lots of help to get ready.

With support from GBF, we now have a gym in the Butcher Shop and Tea Rooms in Shenton Street. The facility is for any resident 18 years of age or older who meets the basic criteria.

- Employee or nominee of BGF
- Employee or Councillor of the Shire of Menzies
- Volunteer of the Shire of Menzies
- Member of Emergency Services Organisation

How to join -

Contact us at the Shire Administration. You will be asked to complete a form, and away you go.

This facility is unattended, so where possible I ask that you find a buddy to go with you. Particularly if you are lifting weights. I also ask that you follow some basic rules.

- Take and use a towel to wipe equipment after you use it (even if you never sweat)
- Replace weights onto the weight storage pegs when you finish
- Don't leave equipment in door ways
- Please make sure no one under 18 years of age is in the building – this is really important as failure on this one will close the facility.

WANTED Volunteers to step forward to form a working group for the Cyclclassic in June 2019. Whatever your skill or talent please consider either nominating as a volunteer or a Committee member.

Put safety first

Obtain a 40E permit

prior to prospecting within an exploration tenement (if you don't have written permission from the tenement holder).

Menzies Youth Centre

The Shire of Menzies Youth Advisory Committee
Cr Ian Tucker, Cr Justin Lee, Greg Whitehead, Deidre Spratt and Nadine Tucker pictured with Chief Executive Officer Rhonda Evans.

The Menzies Youth Centre arrived in Menzies on Wednesday morning 18 July 2018 on the back of a truck. It was wonderful to see it arrive in town. It caused quite a stir for a short time, with locals turning out to take photos whilst they positioned it into place.

The shade structure lays on the ground awaiting the crane to move it into position over the outdoor area.

The truck reversing the building onto the grounds ready for removal.

The building prior to the roof and stage being completed, and after the roof has been lifted on. Landscaping and paving will commence shortly.

Women's Leadership Forum

Presented by Kalgoorlie Boulder Chamber of Commerce and Industry

Cr Jill Dwyer pictured with Dr Fiona Wood 2005 Australian of the Year and Director of the Burns Service of Western Australia. Dr Wood once operated on Cr Dwyer's son Matt and she remembered his case.

On Friday 13 July the Shire of Menzies provided the opportunity for some staff and Councillors to attend the recent Women's Leadership Forum in Kalgoorlie.

This was a wonderful day filled with many fabulous women speakers who at times inspired and amused the audience with their stories.

The journeys many of the women had taken over the years were so varied. Some had been raised in other countries, some had been homeless, others were survivors of domestic abuse.

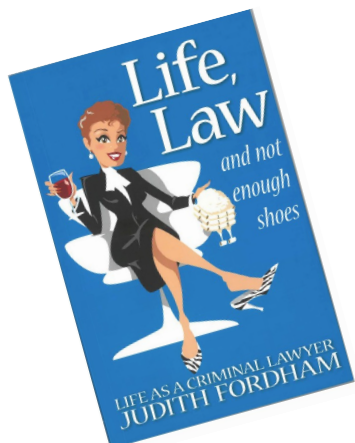

The Master of Ceremonies Kitty Prodonovich, CEO of Regional Chambers of Commerce and Industry of WA since 2012 pictured here with Deborah Whitehead and Carol McAllan.

All of the speakers had positive and uplifting messages to share with the many who attended. If you left with a catch phrase, a photo or perhaps a book the most important thing you could take away from that forum is that no matter where you are in your life there is always hope if you persevere.

A really wonderful event and we look forward to next

Bev Golding with Michelle Cowan 2013 Football Woman of the Year and Inaugural Senior Coach of Fremantle Football Club's Women's Team and Deborah Whitehead.

Judith Fordham is a leading WA Criminal Lawyer/ Barrister, Associate Professor of Forensic Science at University of Western Australia and author and speaker.

NEW SATELLITE DISHES

Shire of Menzies contracted Satellite Television & Radio Australia Pty Ltd to install two new high satellite dishes. This occurred on Monday 30 July 2018.

SBS DTV channels are now back on air. These dishes will be more resistant in heavy rain so less rain fade issues. Enjoy your TV services. This upgrade was from MPEG 2 to MPEG 4. The change may require you to do a retune on your television.

We remind you that this is very sensitive equipment and request that until they are fenced again you ask the children to stay clear of the dishes.

We hope this brings you better coverage but if you have any problems please contact the Shire on 9024 2041.

TOY COLLECTION

The displays items have been found in and around the Menzies area and donated by locals and visitors.

In our toy collection we have a handmade dolls pram made from fencing wire and a handmade train and some store-bought metal cars. Kindly loaned to the Shire from Bev Golding.

The handmade dolls pram and train would probably have been made by a father for his daughter or son, as they could not afford to go to the shops and buy toys. The children back in the early to mid-1920's did not have many toys as they worked along with their parent out in the fields or around the home.

Other toys that they would have played with, would most likely be marbles, wooden dolls or cars, balls made from inflated pig's bladders, knuckle bones and old wheels that they pushed along with a stick

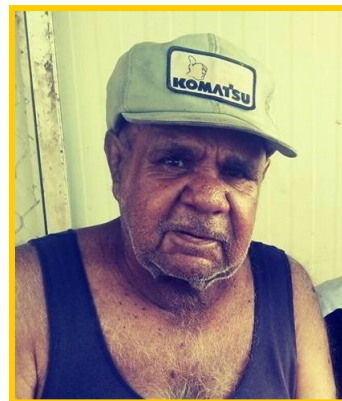

LOCAL HERO

Ronald (Hogie—Yogie Bear) Hogarth

Hogie was born in Leonora in 1953 and at the age of only six months was removed from his family and taken to Karalundi Seventh-Day Adventist Native Mission. Karalundi was situated on the Great Northern Highway north of Meekatharra.

His grandfather visited him regularly until he was about five years old at which time he took him with him on the train to Menzies. He was raised by Myrtle and Jimmy Brennan. When he

arrived his sister Joan recalls he was only a little fellow dressed in overalls. He only spoke Aboriginal and Myrtle worked with him at home for six months teaching him to speak English. After that he was enrolled at Menzies School.

When Hogie was around ten years old the family moved to Gwalia and when the mine closed in 1965 he moved to Kalgoorlie where he finished school. Hogie was a very good sportsman and excelled at running and high jump. His special sporting skill was boxing. Ian tells the story of four blokes who went over east to make their living boxing and upon their return Hogie beat them all in fights.

When he left school he took a job working on the Railways for the "Ways and Works". He painted everything from railway building to bridges and was a general labourer for years. It was after that he moved back to Menzies and lived with his sister Joan and husband Ian. He worked on the rail line with Ian laying sleepers and doing other jobs.

This is where he and his partner Lorraine (Ninny) Williams had their only child Josie. Josie still lives in Menzies and has worked at the school there for almost eighteen years.

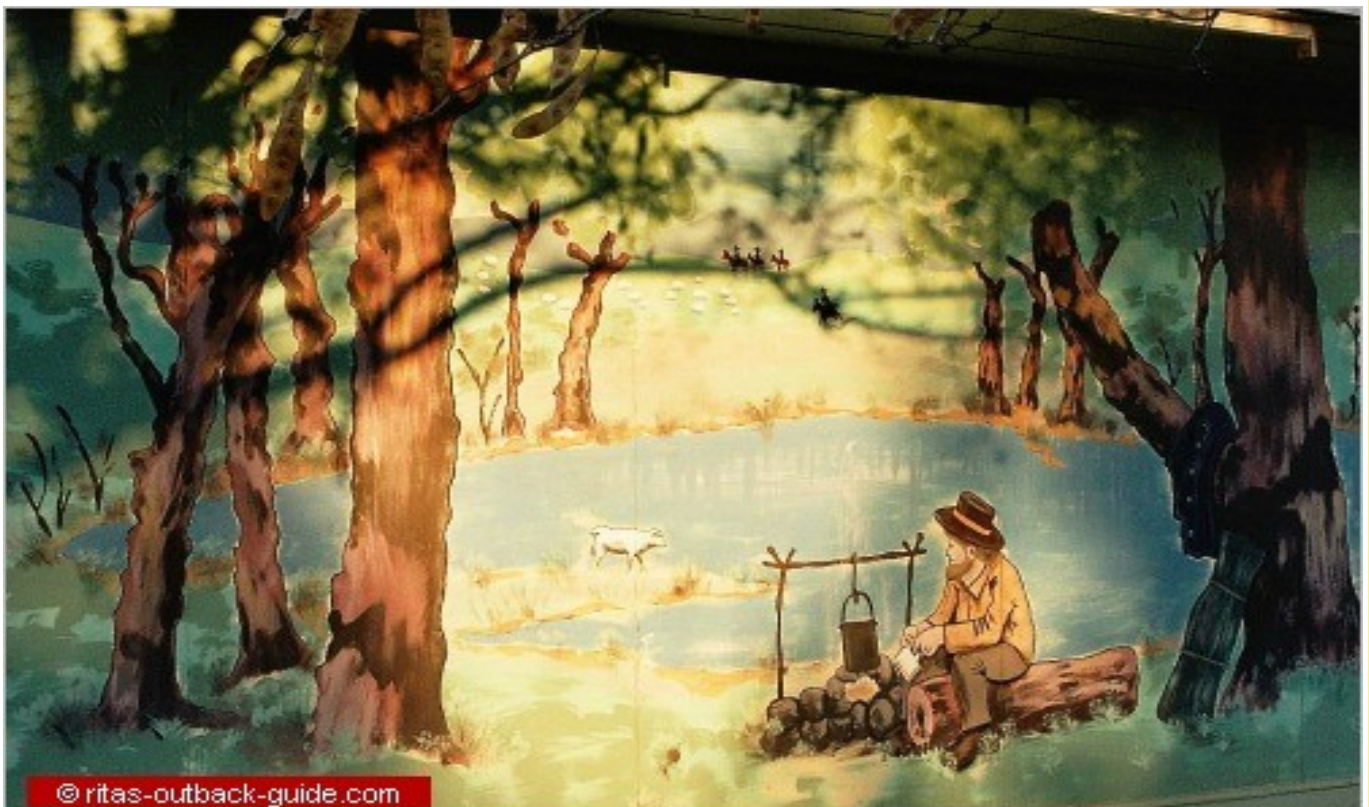

Hogie has four granddaughters, and to date he has two great-granddaughters and two great-grandsons. Hogie eventually retired and still remains living in his little house in Menzies.

Menzies School Holiday Program

The Menzies Shire provided the Lego blocks which made for an entertaining day at the CRC for one of our School Holiday activities. There were different sizes and a lot of creative pieces made on the day.

On Tuesday July 10, our School Holiday Program Activity was a second trip to Kalgoorlie to watch the second instalment of The Incredibles. The movie was enjoyed by the children and the volunteers. A quick play and stretch at the skate park was exciting for the Children before we attended the Cinema. After the Cinema we had some lunch and returned to Menzies.

Menzies School Holiday Program

Our final School Holiday program activity was a Bush Day, the children were treated to a bus ride out to Goongarrie National Park where they got to run around and explore before trying their hand at Damper making, the weather was beautiful so we spent as long as we could there until it was time to go home and unpack.

Thank you to all the children who participated in all our activities you were well behaved and helpful throughout. Thank you to our volunteers and staff at Menzies Aboriginal Corporation and a big thank you to the Shire of Menzies once again for funding the July 2018 School Holiday program.

A SIX YEAR OLD BOY NAMED MENZIES

Each year on his birthday the Shire receives a birthday photo and message from Menzies.

It is a joy to see how he has changed each year.

Menzies grandfather was a former resident and he is named after the Town.

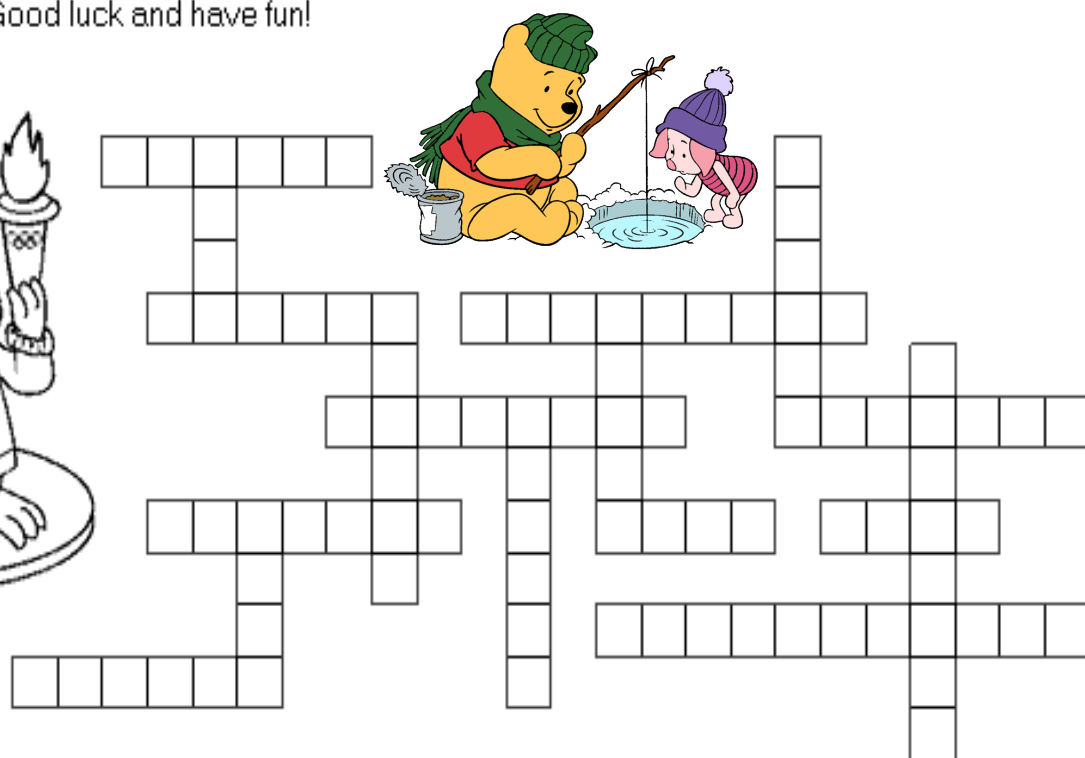

We wish Menzies a great year and hope that in the future he and his family can visit Menzies.
