THE CHIEF EXECUTIVE OFFICER

As I write to you this month, the weather has finally cleared. With two clear, warm days the Shire Crew have the opportunity to get out and about, mowing the grass, cleaning gutters and checking our facilities.

We have found a couple of areas where minor damage has occurred that is not the result of natural forces. These include quad bike tracks on the Menzies airstrip, and some damage to the safety fence at the playground. I ask that the community support us to reduce this type of activity. The time and money spent on repairs could be used to a better purpose.

For those of you who need a track for dirt bikes and quads, please consider the old golf course. Even better, drop in and speak to either Paul Warner or me about what can be done to ensure safe riding with no damage to our important spaces. Riding unlicensed vehicles on the town streets is not an option.

Student activities on Tuesday and Wednesday afternoons have recommenced. If you have ideas for these (town based) activities, please see Nadine.

We are also hoping to commence adult activities – perhaps art, photography, cooking or mild exercise. All those interested should leave their details with Debbie at the Lady Shenton so that we can easily contact you.

Please don't forget to speak to either me or your Councillors for any projects you would like to see considered for next year's budget.

The slab for the new Youth Centre has been poured, and is in the yard at TR Homes in Maddington. Plans for the building are available for viewing in the History Room of the Lady Shenton. The staff at the Lady Shenton, (especially Debbie, Bev and Kevin, ably assisted by the Works Crew) have been busy brightening up the rooms. The results are fantastic. Thank you each and every one of you involved in this program.

We are about to undertake a stock take in the library. The stock in our Library is owned by the State. The Shire will have to pay for any missing books or DVDs, so if you have any library items at home, even if they are damaged, please return them as soon as possible.

The Rock Collection is open for viewing.

SEVEN GOLDEN RULES FOR

1.

Put safety first

- Make sure you have enough water, fuel, maps and first aid supplies.

2.

Obtain a Miner's Right permit

when prospecting on vacant Crown land (\$25 from any Mining Registrar's office).

3.

Obtain a 40E permit

prior to prospecting within an exploration tenement (if you don't have written permission from the tenement holder).

from the tenement holder when prospecting on:

- a mining lease
- an exploration licence (if you don't have a 40E permit)
- a prospecting licence

because it is used by other people or set aside for many purposes.

7.

Fill any holes

that you dug and repair ground that has been disturbed.

TJUNTJUNTJARA NEWS

RAIN RAIN RAIN

From mid-January to mid-February Tjuntjuntjara Community received a total of 354ml of rain in two rain events. The yearly average for Tjuntjuntjara is 125ml.

Over the 4 weeks there were a spate of bogged cars and stranded occupants. On two occasions which gained some media attention the police spotter plane was called in to locate community members bogged in vehicles and a SES helicopter brought in to pick up the people and ferry them to Tjuntjuntjara. As in 2017 at the same time emergency food drops had to be organised as the regular stores truck was unable to deliver to Tjuntjuntjara.

While the rain is always welcome to refresh the country and revive plants and native grasses the rain significantly disrupted the housing and essential services construction project which is running about 3 weeks behind schedule. The rain has prevented the movement of building materials to Tjuntjuntjara from Perth and Kalgoorlie. Over the life of the project, scheduled to finish at the end of June, 150 semi-trailers will be making the return trip to Tjuntjuntjara. At the end of the project Tjuntjuntjara will have a community housing stock of 23 houses at lock up stage – a combination of refurbishments, replacements and new builds. Also scheduled for construction are new water mains including a dual system, mains sewerage and upgraded electricity grid.

TJUNTJUNTJARA NEWS

DESERT STARS PERFORM AT THE MENZIES TOWN HALL

On Saturday 10th February the Tjuntjuntjara rock band, Desert Stars, performed at the Menzies Town Hall. Between 7.00-10.00 pm the Desert Stars performed the 11 songs from their new album "It's On Tonight" and several songs from their first self-titled album. About 40-50 people came through the doors at various times during the evening.

The Desert Stars hired Kaleidoscope Studios from Mullewa to provide the sound engineering, lighting and recording gear. The recording equipment was of studio standard such that the recording of the concert could be mixed and mastered into a live album.

The concert at Menzies was the first time the band has performed the entire album at a venue before an audience and could be regarded as the Desert Stars CD launch. However the main objective of the event was to produce music videos to promote their new CD. The Desert Stars engaged Tristan Pemberton from Flywire Films in Woolongong to produce videos for two songs off the album and Tristan also filmed the entire concert. Tristan had previously made several short films at Tjuntjuntjara around good food and nutrition, gambling and drugs and generously provided his services free for the Menzies trip.

A video for the song "Tjuntjuntjara" was shot in Menzies town, Lake Ballard, Lakewood and a location about 20km south of Menzies which looked similar to country around Tjuntjuntjara. Originally it was planned to bring Tristan out to Tjuntjuntjara but the heavy rains prevented this. A second video for the song "Ananguku" is currently being edited using footage from the concert. When completed both videos will be uploaded to Youtube, iTunes and other internet sharing platforms to promote the Desert Stars music.

The Desert Stars and their support crew would like to thank Menzies Shire for the use of the hall and the Councillors and Staff for their time and support around the concert and especially for the accommodation and meals provided during the visit. It was much appreciated by the group and we are anticipating that the music videos will get out there nationally and promote the Shire of Menzies as well as the Desert Stars.
