FROM THE ORDINARY MEETING OF COUNCIL

WEDNESDAY 23 APRIL 2013

LOCAL PLANNING POLICIES AND STRATEGIC COMMUNITY PLAN: Council has now revised and adopted their Local Planning Policies and Strategic Community plan. These documents were previously advertised asking for public comments and now will be submitted to the Western Australian Planning Commission and Local Government Department respectively.

MENZIES RAILWAY STATION: Council has Resolved to terminate the agreement they have with Westnet Rail for the lease of the old Railway Station. Discussions with Westnet Rail have indicated that they would not be agreeable to passing ownership of the station to the Shire. Under the new laws governing the compulsory care and maintenance of buildings that are listed on the State Heritage Register, it is not acceptable that the Council funds be spent on a building that the Shire does not, and will probably never own. Instead, Council will consider seeking funding to restore the old Post Office building which is a Shire owned property. More information will be forthcoming as progress in this matter is realised.

CONSTRUCTION OF PUBLIC TOILETS: Council agreed to award Landmark Engineering and Design the contract for the supply and erection of the new public toilets. These units will be located in the southern end of the existing playing field facing onto Shenton Street. It is expected that the toilets will be operational by 30 June this year.

OLD MENZIES POLICE STATION: Council has received an application from Stratum Metals to lease or purchase the old Menzies Police Station. The purpose of this application is to provide housing for staff who will be in the Menzies locality carrying out drilling and assaying of their tenements. Council has referred this application to their Housing Committee who will provide a recommendation to Council at the May Meeting.

VECTOR RESOURCES / EVANSTON MENZIES ROAD: An application has been received from Vector Resources to haul gold bearing ore from their Gwendolyn Project out near Diemals along the Evanston Menzies Road into Menzies then down south to Kalgoorlie for processing. A number of conditions were attached to the Resolution including Vector Resources' written acceptance of the conditions imposed. Expenditure on the road will be sourced from the current Commodity Routes Supplementary Funds program which is already allocated for the year 2012/13 and Vector's own contributions. The upgrading and extra maintenance of the road will be at nil expense to the Shire.

IMPOSITION OF DIFFERENTIAL RATES 2013/2014: Council agreed to impose differential rates for the 2013/2014 financial year. A public notice will be displayed shortly giving details of the rate increase and inviting submissions.

COUNCIL MEETING DATES

The following dates, times and locations have been appointed as the Ordinary Council Meeting dates for the period ending 30 June 2013:

Thursday 30 May 2013	10.00 am	Tjuntjuntjara
Thursday 27 June 2013	10.00 am	Menzies

OPENING OF NEW COUNCIL CHAMBERS

Former Shire President, Mr John Tonkin and his wife Maxine were the official guests at the opening of the new Council Chambers on Tuesday 23 April 2013. Councillors and staff from some of the surrounding shires also attended as well as Mr Stephen Tonkin (a former President of the Shire of Menzies) and Wendy Duncan MLA, Member for Kalgoorlie. After the ceremony, a light lunch was provided and guests were presented with a copy of the book 'No Sign of the Time' -a collection of stories of the Menzies district, written by former Shire Clerk Pat Rodgers and his wife Brenda.

John Tonkin officiating at the opening

CEOs Ian Fitzgerald (Sandstone), Eddie Piper (Coolgardie) and Peter Crawford (Menzies) listening to John Tonkin's speech.

Finding Bowel Cancer Early

Throughout the Goldfields region of WA, the *Find Cancer Early* Campaign is urging people to pay attention to changes in their body and if they notice differences that may be symptoms of cancer, to tell their Doctor.

This month we're focussing on the common signs and symptoms of bowel cancer:

- Blood in your poo
- Looser or runnier poo (diarrhoea)
- Pooing more often or a change in when you normally poo
- Swelling, pain or an unexplained lump in the tummy
- Tiredness or looking pale
- Unexplained weight loss
- Loss of appetite

If you have had any of these signs or symptoms, tell your doctor. It doesn't mean you've got bowel cancer – usually they turn out to be something less serious. But it's important to tell your doctor and get them checked.

Remember, if it is bowel cancer, the earlier it's found, the earlier it can be treated.

Bowel Cancer Myths and Facts

Myth: Age doesn't matter when it comes to bowel cancer.

Fact: More than 8 out of 10 bowel cancers are diagnosed in people over 60.

Myth: Bowel cancer only affects men.

Fact: Bowel cancer can affect both men and women. Almost as many women as men are diagnosed with bowel cancer every year.

Myth: I haven't got any pain, so I haven't got bowel cancer.

Fact: Not everybody that has bowel cancer experiences pain.

Myth: I've had some bleeding but it's probably just piles.

Fact: Blood in your poo can be a sign of bowel cancer.

Myth: I've been tired for a long time but it's because I work too hard.

Fact: Tiredness can be normal but unusual tiredness can be a symptom of bowel cancer.

Myth: My symptoms are just normal signs of getting older.

Fact: Getting older does cause changes, but anything unusual or long lasting should be reported to your doctor.

"It's probably just haemorrhoids or irritable bowel syndrome..."

If you have blood in your poo or looser poo, tell your doctor.

Turn over to find out more information

Tell your doctor if you have any of these symptoms for more than 4 weeks:

- ☐ Blood in your poo
- ☐ Looser or runnier poo
- ☐ Pooing more often or a change in when you normally poo
- ☐ Swelling, pain or an unexplained lump in the tummy
- ☐ Unusual tiredness or looking pale

These symptoms might be due to bowel cancer and the earlier it's found, the greater the chance of successful treatment.

Deputy Speaker of the Legislative Assembly

Media Release

BREAKTHROUGH FOR GOLDFIELDS ARTS CENTRE – DUNCAN

19 April 2013

Member for Kalgoorlie, Wendy Duncan has thanked the Minister for Training and Workforce Development, Terry Redman for brokering an early breakthrough in allowing the Goldfields Arts Centre to commence taking bookings after August.

"We had the crazy situation where everyone from the Premier down had made a commitment to keep the Arts Centre open, but no-one was willing to take responsibility for bookings after 31 August when management by Curtin University ceased," Ms Duncan said.

Ms Duncan said the City of Kalgoorlie-Boulder came to the party and made it known that they were willing to underwrite bookings, but still the edict for no bookings remained in place.

"I thank the City for their commitment to the Arts Centre and I am pleased that I was able to convince Minister Redman that an exchange of letters to this effect was sufficient to get the Arts Centre back in action."

Prior to the election the Minister for Arts made a commitment of \$5m for upgrade and maintenance of the Centre as well as a contribution to operation expenditure of \$200,000 per year.

"Straight after the election I followed up this promise with the offices of the Minister for Arts and the Premier and was concerned that the no bookings edict was going to be in place until the funding commitment went through Cabinet.

"Thankfully common sense prevailed and I congratulate all those involved in making this happen."

"Now hopefully we will be able to see Kevin Bloody Wilson return home to Kalgoorlie for a performance as well as many other great shows in our beautiful Arts Centre," Ms Duncan said.

Ms Duncan said that The Nationals promise of \$16m for regional arts, including support for regional arts centres, arts groups and projects, will be delivered and she could see a great future for arts in Kalgoorlie-Boulder and the goldfields.

What's on the horizon

ENERGY EFFICIENCY

Simple ways to save

Many of us have more than one computer and the average Australian household spends over 7% of their energy consumption to run computers and associated communications.

Here are some simple ways to help you save:

- Adjust your computer's power settings: reduce the amount of time before the screen saver comes on, or before your computer goes into hibernation mode. Generally, these settings can be found in the control panel.
- Turn off your computer when you have finished using it – it will continue to use power even if the screen is black.
- Turn off printers, scanners, modems and other devices at the wall when not in use.
- Unplug chargers from the wall after use – many chargers use standby power even when they are not charging.
- Put printers and scanners on a separate power board or socket so that they can be turned on separately to your computer.

For more energy saving tips, sign up for your Energy Saving Toolbox at www.switchthefuture.com.au

READING YOUR ELECTRICITY BILL

Does your bill seem higher than normal?

Check your bill to see how many days it covers and compare this with previous bills. The bill may cover a longer period.

Compare your average daily use with previous bills. You may have used more electricity in the summer months to keep cool.

Check the Reading Type at the top of page two on your bill. If this reads 'estimate' then your bill will be adjusted when we next read your meter.

If you would like help checking your consumption, or if you think there may be an error on your bill, please contact your local Horizon Power office on **9941 6299**.

Call for Grant Applications

Giving important community projects a chance to get off the ground

The Minara Community Foundation 2013 grant applications process is open.

Local community and interest groups have until 5:00pm Wednesday 8 May 2013 to apply for funding.

Consideration will be given to a wide range of projects which are of a general charitable or benevolent purpose and support one or more of the following areas in the Shires of Laverton, Leonora and Menzies:

-  Educational benefits;
-  Economic, social, cultural and heritage benefits;
-  Economic development, training and education opportunities;
-  Transport and communication services;
-  Programs and initiatives for future generations; and
-  Protection of Indigenous culture.

Projects applying for a grant should commence or occur prior to 31 December 2013. Grant applications of up to \$100,000 are invited for consideration. Smaller projects are also encouraged to apply (e.g. \$1,000 to \$10,000).

To apply complete the Grant Application Form 2013 and address the *Grant Guidelines 2013*, which are available at:

GLIMPSES OF THE PAST

CRUSOE

This mine, which comprises a lease of 44 acres, is situated in a westerly direction from Menzies, and is the property of Menzies Crusoe Gold Claims Ltd.

The plant consists of a 10 head battery, supplied by Fulton and Co., a winding engine and a cyanide plant capable of treating 500 tons a month. The mine has been working for 6 years. During this time about 17,000 tons of ore have been treated, from which 22,000 oz of gold have been obtained. The returns for June 1901, show that 145 tons of ore were milled, the yield obtained being 166 oz of gold. The main shaft is down to 333 feet.

The average of the Crusoe Reef is about 2 foot, and the value of the stone about 1 and 1/2 oz to the ton. Latterly the mine has shown better development, and arrangements are being made by which 300 tons per month can be treated.

Crusoe G. M. Menzies.
North Coolgardie G.F.

GRT EXPRESS

*Conditions of Travel

- This ticket is issued to and accepted by the person named in the ticket (the holder), subject to the relevant By-Laws, Regulations and these Conditions.
- This ticket is not transferable.

MUM

A hundred hearts would be too few
To carry all my love for you.

Here are a couple of great ideas for
Mother's Day!

Cut out the picture on page 26
and write your Mum's name on
it and give it to her as a gift for her
special day.

Or, ask Dad or another older person
to help you make some of these
Rainbow Fruit Jelly Cups—Mum will love
them!

RAINBOW FRUIT JELLY CUPS

Ingredients:

- 1 kiwifruit
- 5 strawberries
- 1 apple
- 1 pear
- 2 nectarines
- 1/2 punnet blueberries
- 6 tsp gelatine
- 1 litre fruit juice

1 Method:

1. Prepare the fruit. Peel kiwifruit, quarter lengthways and slice.
2. Remove top from strawberries, halve and slice.
3. Dice apple, pear and nectarines.
4. Dissolve 3 tsp of the gelatine in 1/4 cup boiling water. Whisk well until dissolved.
5. Cool for 5 mins then stir in 2 cups of juice.
6. Spoon some of the prepared fruit and blueberries into the base of each plastic cup. You can use a mixture of fruit if you like.
7. Pour a cup of juice over fruit to cover.
8. Place a spoon into the juice. Chill in the refrigerator for about 20 mins until set.
9. While the first layer of jelly is setting, dissolve the remaining gelatine in boiling water as before. Repeat layers of fruit and jelly.

Local Information

FREE CAMPING

Free camping sites in the Menzies area are available at Lake Ballard (51km west of Menzies) and Niagara Dam (65km north east of Menzies). Facilities at these sites include toilets, barbecues, rubbish bins.

Potable water at Lake Ballard only. Please remember to preserve these areas for future generations and
