## THE CHIEF EXECUTIVE OFFICER

This month we have farewelled some of our valued residents. Diedre, Melissa and their families have relocated to Kalgoorlie. It goes without saying that we will miss them all. Also moving away last week was Baz (Barry) Bell. Baz, a long time resident of Menzies, and more recently living at Goongarrie. Baz has moved closer to family in Northam. As many of us did not have the opportunity to say good bye, a farewell card for Baz is at the Post Office. Any one wishing to sign it, please drop in during this week. We will be sending it to him on Monday 18 March.

This week we will also saying good bye to Deborah and Greg Whitehead who, after two and a half years in Menzies are returning to family in Tasmania. We wish them well as they take the next step in their lives.

I have been approached by residents interested in joining others to create a Community Garden. Anyone wishing to participate in this activity should have a chat to Debbie Pianto at the Lady Shenton. We are looking for participants and ideas how to join with others who have also expressed an interest in this project. Depending on the level of interest in active participation I am sure this project can be progressed with the approach of cooler weather.

Our Youth Officer Sethen, is working with Head Space to provide activities from the Ngalipaku Building. We have been working toward attracting service providers to Menzies for some time. I invite every one to join in with the activities, as without participation, the providers will not continue to visit.

During the Rodeo last year, a number of sponsors donated goods to be raffled or auctioned off to raise funds for the charity "Dolly's Dream". Tickets are now being printed, and will be on sale until 1 June. The winners will be drawn during the Cyclclassic 2019 in Menzies.

Thank you to all entrants in the Ngalipaku Logo. We have some great entries. The entries will be displayed at the Lady Shenton. Winners will be notified towards the end of the month.

Menzies will be hosting Visage productions at the end of the month. They will be in town to film for a five minute promotion to be shown on television during April or May.

Finally, best wishes to Vashti as she participates in fund raising this week. The World's Greatest Shave will claim Vashti's wonderful locks to raise funds for the Leukaemia Foundation.

## 'LOCAL HERO' - STACEY MILLER

**Stacey Miller** was born in Leonora, the second youngest child in her family. She has two brothers and three sisters. It was not easy for her Mother raising a large family and when Stacey was six the family relocated to Menzies where Stacey would return to live often over the years. Originally when the family arrived in Menzies they lived on what was known as the "Reserve" which is where the village is now located. At the time there was approximately one hundred and fifty people living in Menzies. Stacey and her siblings grew up with many families helping raise them. Not all the families caring for them were indigenous and to this day Stacey retains a strong tie with many of them, in particular the Henderson's.

Stacey commenced schooling in Menzies and completed all her education to year 10. After leaving school her first job was at the Menzies school as an Early Childhood Assistant. The teachers taught her how to write up her own lesson plans. They also provided assistance to Stacey to enable her with distance education to complete years 11 and 12.

Her eldest sister Marcia was, and still is, an inspiration to her. Stacey and her siblings slept outside on the verandah of her sisters house year round. Her sister lived in one of the platelayers cottages. This was when there were four cottages, before one burnt down.

At 18 years of age Stacey left Menzies to live in Perth. She was completing a bridging course for University at Churchlands College and lived with a sister whilst studying. She found the city too big and busy after the bush and when Stacey returned to Menzies on her first break, she never went back to Perth.

She once again commenced employment at the Menzies School, however this time as an Aboriginal Education worker. Whilst working at the school this time she completed her Education Certificate in Early Childhood.

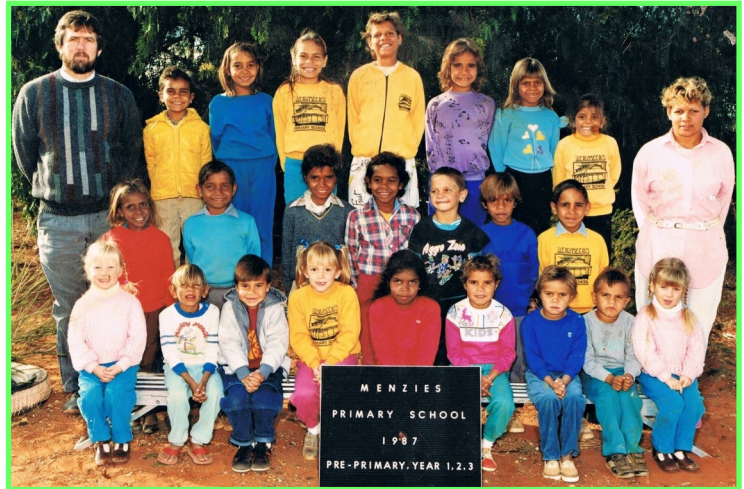

Stacey relocated to Port Hedland aged 22 and attended Pundulmurra College to study for an Office and Business

## 'LOCAL HERO' - STACEY MILLER

Technology Certificate. By the time Stacey moved to Port Hedland she already had two daughters. Her third daughter was born whilst they were in Port Hedland. The family remained in Port Hedland for 5 years.

During this time she was employed at the Yandeyarra Community outside South Hedland as a Payroll/Office worker. It was also during this period of time in her life that Vashti Sambo came to live with her. Stacey and Vashti remained closely linked ever since.

After a break-up Stacey moved back to Menzies but eventually ended up in Kalgoorlie where she was employed at BEGA Garnbirringu Health Services as a Finance clerk. Whilst employed there she applied for and was successful in obtaining the position of Link-up Officer. This work reunited stolen generation with their families and required her to travel all around Australia. This service was so successful that when a reunion was held in Mt Margaret in later years almost 8,000 people attended. She continued in this role until Government funding dried up which ended the program.

The next move saw Stacey living and working in Laverton where she was employed at the Murrin Murrin mine where she worked in the stores. During this employment she obtained a Forklift and Bobcat license and loaded and unloaded trucks but eventually ended up as Personal Assistant to a Director of the mine.

Throughout her entire career Stacey has continued to study and obtain qualifications and she eventually completed her Degree in Education. At different times Stacey has been a Teacher, Truancy Officer for up to four schools in Kalgoorlie, an Aboriginal Islander Education Officer (AIEO), a Personal Assistant to a Mine Manager, worked with the School of the Air, been an Environmental Health Worker and Principal but her journey has always brought her back to schools. She has taught in Menzies, Laverton, School of the Air in Kalgoorlie, South Hedland, East Kalgoorlie and Mt Margaret.

During her time at School of the Air it was normal for teachers to travel to visit their students for a week each visit. She visited students in Esperance, Wiluna and was even sent to Mundrabilla which is where she saw her first wombat.

During her last posting at Mt Margaret School Stacey applied for Long Service Leave. It lasted just 1 day before she was seconded to assist at Menzies. She was Acting Principal from January 2018 and was appointed to the position full-time in November 2018. Stacey readily acknowledges this has been a learning curve but has been hugely rewarding. She also acknowledges that without the unwavering support of her sister, her mother and passing of her daughter she would not have been able to have achieved so much.

## SEVEN GOLDEN RULES FOR PROSPECTING

**1.**

### Put safety first

- Make sure you have enough water, fuel, maps and first aid supplies.
- Give serious consideration to taking some form of telecommunications and a global positioning system to fix locations, and a Personal Locator Beacon (PLB) – it may turn out to be your most important safety device.

**2.**

### Obtain a Miner's Right permit

when prospecting on vacant Crown land (\$25 from any Mining Registrar's office).

**3.**

### Obtain a 40E permit

prior to prospecting within an exploration tenement (if you don't have written permission from the tenement holder).

**4.**

### Get written permission

from the tenement holder when prospecting on:

- a mining lease
- an exploration licence (if you don't have a 40E permit)
- a prospecting licence

**5.**

### Comply with all legal requirements

when prospecting on a pastoral lease. You cannot prospect within 100 metres of any occupied building or within 400 metres of any livestock watering point without the consent of the pastoralist.

**6.**

### Show respect when on Crown land

because it is used by other people or set aside for many purposes.

**7.**

### Fill any holes

that you dug and repair ground that has been disturbed.

**DID YOU KNOW**

**HOW TO PROTECT AGAINST MOSQUITO BITES**

## ★ FIGHT the BITE ★

**Prevent mosquito bites**

★ COVER UP. REPEL. CLEAN UP. ★

### COVER UP

Wear long, loose-fitting, light coloured clothing, covering as much of the body as you can. Mosquitoes can bite through tight clothes like jeans. Make sure children are also covered up.

### REPEL

Use insect repellent containing DEET (diethyltoluamide) or picaridin and always follow instructions on the label.

### CLEAN UP

Stop mosquitoes breeding in water pooling around your home or holiday accommodation by emptying water from containers.

## 1080 BAITING IN THIS AREA IS A RISK TO DOMESTIC PETS

Please be advised that baiting programs using 1080 poison are carried out across Western Australia, including this area, and are aimed at controlling wild dogs, feral cats, feral pigs, foxes and rabbits. The poison baits remain toxic for many months. You need to exercise caution. Domestic pets should be kept close and under control at all times. Owners may consider the use of leads and muzzles for their domestic pets.

### DO NOT RELY ON WARNING SIGNS

**WARNING SIGNS ARE PLACED WHERE APPLICABLE, HOWEVER THEY MAY BE DAMAGED, REMOVED, VANDALISED OR DESTROYED**

1080 baiting is part of an integrated pest management program protecting livestock from death and injury; reducing the impact on pastoral and agricultural production; and helping to preserve the unique flora and fauna of WA. Baits are not intentionally laid in public areas such as road reserves, parking bays, rest stops or roadhouses however can be inadvertently moved into these areas by animals and birds.

**1080 is an S7 Poison**

## CARAVAN & CAMPING

The Menzies Caravan Park is conveniently located next to the Visitor Centre which is also the booking agent. Entry via Brown Street, Menzies.

Modern amenities including twenty nine powered sites, and a two bedroom chalet, six unpowered sites, two ablution blocks and a disabled access ablution and a Camper's Kitchen. There is a black water dump point within the park and dogs are welcome but must be on leads at all times. For bookings and enquiries call **(08) 9024 2702** or

**Email [cso@menzies.wa.gov.au](mailto:cso@menzies.wa.gov.au)**

Free camping sites are provided by the Shire of Menzies at Lake Ballard (51kms West of Menzies) and Niagara Dam (65kms North East of Menzies).

Facilities at these sites include toilets, BBQs and rubbish bins. Non-potable water is provided at Lake Ballard. Please respect these facilities and put rubbish in the bins provided, and only use facilities for the purposes they are intended.

### TRAVELLING WITH PETS

Please be aware that there regular aerial drops of 1080 poison baits in the Goldfields area in attempt to combat feral animals.

Please use caution and take care when in these areas.

# VALENTINES TEA PARTY

On the 14 February we had a small Valentines Tea Party at the Visitor Centre between 2pm— 4pm. We also sold raffle tickets for Dinner for Two kindly donated by the Menzies Hotel which was won by Carmichael Johnston.

# Youth Activities at the Ngalipaku Building

The last few weeks have been quite warm in Menzies so the air conditioning of the Ngalipaku Building Youth Centre has been a source of relief for those persevering though the extreme weather.

Here are some of the young people making Play Dough in the

# Menzies Community School

Half way through Term 1 the Menzies Community School staff and students have been very busy. We welcome back Ms Sheehan to the Marlu and Warnampi class after taking Long Service Leave in 2018. We are looking forward to a wonderful year. Here are some photos from Bush Day and the Big Picture Design.

# Menzies Community School

On Friday 22<sup>nd</sup> of February the Menzies Community School students, staff, parents and community members join together at the local spot “Three Rock Holes”. Everyone helped collect fire wood, cook the Kangaroo meat stew in the camp oven and made their own dampers to eat with cream and jam. Once everyone finished having a cuppa tea and relaxing under the shade they cleaned up, washed the dishes and pack the bus up and headed back to School. A big thank you to MAC for lending us the bus, parents for helping and staff for supervising and organising on the day.
