Wednesday 27 March

Along with representatives from City of Kalgoorlie Boulder, Shire of Leonora and Kyran O'Donnell MLA, I flew to Warburton to attend a Joint Councils/Shires Meeting that was organised in response to Mayor Bowler's letter to Cr Damian McLean. A Delegation to Canberra being organised to seek support from the Government and Opposition to reinstate the CDEP or similar scheme.

THE CHIEF EXECUTIVE OFFICER

Greetings

It is with great pleasure I announce the winners of the Logo competition for the Ngalipaku Building. The theme "All of ours".

The winner of the open section is Nadine Tucker, and for the Juniors is Teniel Harris. The entries have been on display at the Lady Shenton for the past month. Thank you to all who entered. The entries will now be forwarded to a graphic artist to produce the final logo. The Logo will be incorporated into the signage for the building.

School holidays and Easter are almost upon us again. A week of activities will be offered to all those of school age. As ever, we need the support of volunteers to ensure that these activities can take place. We need two volunteers for at least for each event. Any child under five years must be accompanied by an adult carer or they will not be able to participate. Keep an eye on the Shire Facebook page for details of the activities.

Paul and the crew will soon be commence planting trees. The last program saw most trees survive thanks to the care taken by the crew, and the community support ensuring that no damage was suffered by vandalism or carelessness. This program will see more kurrajong trees planted on the streets and approaches to Menzies. Again, we will need your support to ensure that these trees are cared for by all.

I am sure most of you will have noticed the electronic sign on the corner of Wilson and the Goldfields Highway advising of works to commence on the Truck Bay in late April. This has been a long time project, and it will be exciting to see it finally underway.

With only six weeks to the Cyclclassic, anyone interested in having a stall on the Saturday, or volunteering to help on the day with the children's activities, please drop by and let me know.

It is great to see that Tuesday evening games on the hard courts have commenced for the season. Even if you don't play, it is a great evening of fellowship and amusement. Badminton will be starting soon, please contact Kaylene at the Shire office if you are interested in playing.

Finally, I take this opportunity to thank the community for the support you have given me over the past three years. Kevin and I will leave Menzies soon with memories of a wonderful community, and happy and fulfilling three years. I know you will support the new Chief Executive Officer as you have supported us.

Once again, thank you all.

SEVEN GOLDEN RULES FOR PROSPECTING

1.

Put safety first

- Make sure you have enough water, fuel, maps and first aid supplies.
- Give serious consideration to taking some form of telecommunications and a global positioning system to fix locations, and a Personal Locator Beacon (PLB) – it may turn out to be your most important safety device.

2.

Obtain a Miner's Right permit

when prospecting on vacant Crown land (\$25 from any Mining Registrar's office).

3.

Obtain a 40E permit

prior to prospecting within an exploration tenement (if you don't have written permission from the tenement holder).

4.

Get written permission

- from the tenement holder when prospecting on:
- a mining lease
 - an exploration licence (if you don't have a 40E permit)
 - a prospecting licence

5.

Comply with all legal requirements

when prospecting on a pastoral lease. You cannot prospect within 100 metres of any occupied building or within 400 metres of any livestock watering point without the consent of the pastoralist.

6.

Show respect when on Crown land

because it is used by other people or set aside for many purposes.

7.

Fill any holes

that you dug and repair ground that has been disturbed.

HOW TO PROTECT AGAINST MOSQUITO BITES

★ FIGHT the BITE ★

Prevent mosquito bites

★ COVER UP. REPEL. CLEAN UP. ★

COVER UP

Wear long, loose-fitting, light coloured clothing, covering as much of the body as you can. Mosquitoes can bite through tight clothes like jeans. Make sure children are also covered up.

REPEL

Use insect repellent containing DEET (diethyltoluamide) or picaridin and always follow instructions on the label.

CLEAN UP

Stop mosquitoes breeding in water pooling around your home or holiday accommodation by emptying water from containers.

1080 BAITING IN THIS AREA IS A RISK TO DOMESTIC PETS

Please be advised that baiting programs using 1080 poison are carried out across Western Australia, including this area, and are aimed at controlling wild dogs, feral cats, feral pigs, foxes and rabbits. The poison baits remain toxic for many months. You need to exercise caution. Domestic pets should be kept close and under control at all times. Owners may consider the use of leads and muzzles for their domestic pets.

DO NOT RELY ON WARNING SIGNS

WARNING SIGNS ARE PLACED WHERE APPLICABLE, HOWEVER THEY MAY BE DAMAGED, REMOVED, VANDALISED OR DESTROYED

1080 baiting is part of an integrated pest management program protecting livestock from death and injury; reducing the impact on pastoral and agricultural production; and helping to preserve the unique flora and fauna of WA. Baits are not intentionally laid in public areas such as road reserves, parking bays, rest stops or roadhouses however can be inadvertently moved into these areas by animals and birds.
