GOLDFIELDS CYCLASSIC

When: 01 & 02 June 2019

THE CHIEF EXECUTIVE OFFICER

Hello to Menzies

I would like to introduce myself to Menzies as I am new to the Goldfields. I have accumulated more than 25 year's experience in local government firstly as an elected Councillor and Deputy Mayor in the City of Geraldton for 15 years.

I then moved to the Murchison at the Shire of Cue as Deputy CEO then as CEO for 6 years.

Following that I moved to the Mid West farming community of Perenjori as the Manager of Corporate and Development Services for just over 5 years.

I also have several year's experience in local government consultancy.

The primary role of a local government CEO is to manage the day to day activities of the Shire, advise the Council of legal and statutory obligations and implement the decisions of the Council.

Local government is a community service and in this respect, I like to see the staff provide excellent customer service, support local businesses and people as much as possible.

It is also my responsibility to ensure that the Council, who are the community representatives, are able to fulfil their obligations under the Local Government Act by being kept informed and knowledgeable about the activities of the Shire employees.

I look forward to being part of this community.

This being budget time, with the support of the staff, I am beginning to assemble information for works and services for the coming financial year for Council's consideration.

Any residents who would like the Council to consider matters of interest to themselves that will require a budget allocation, should contact one of the Councillors and talk to them about what they would like.

Soon I will be seeking quotations for repairs to the fencing for the town dam, which was budgeted for in the Council's 2018/2019 budget.

I understand that people like to go and swim in the dam especially during the hot summers but unfortunately in this age of litigation the Council has an obligation to ensure that water sources such as these are secured.

Should an incident occur and someone is seriously harmed or drowns in the dams, the repercussions on the Shire and individuals within the Shire are very serious.

Another reminder about:

SEVEN GOLDEN RULES FOR PROSPECTING

1.

Put safety first

- Make sure you have enough water, fuel, maps and first aid supplies.
- Give serious consideration to taking some form of telecommunications and a global positioning system to fix locations, and a Personal Locator Beacon (PLB) – it may turn out to be your most important safety device.

2.

Obtain a Miner's Right permit

when prospecting on vacant Crown land (\$25 from any Mining Registrar's office).

3.

Obtain a 40E permit

prior to prospecting within an exploration tenement (if you don't have written permission from the tenement holder).

4.

Get written permission

- from the tenement holder when prospecting on:
- a mining lease
 - an exploration licence (if you don't have a 40E permit)
 - a prospecting licence

5.

Comply with all legal requirements

when prospecting on a pastoral lease. You cannot prospect within 100 metres of any occupied building or within 400 metres of any livestock watering point without the consent of the pastoralist.

6.

Show respect when on Crown land

because it is used by other people or set aside for many purposes.

7.

Fill any holes

that you dug and repair ground that has been disturbed.

Kalgoorlie Soldier Stomp arrive in Menzies

Stomp back to raise funds for good cause

By Shannon Verheijen

A local military veteran is lining up his team for this year's Kalgoorlie Soldier Stomp.

The event — which raises awareness of post-traumatic stress disorder and raises funds for the Veterans Trust — will be the third of its kind, following previous stomps in 2015 and 2016.

The inaugural stomp saw eight army veterans and a group of Goldfields army reservists trek from Perth to Kalgoorlie-Boulder across 17 days and raise more than \$100,000 for the trust.

This year, Mr Collins plans to trek the 100km stretch from Kalgoorlie-Boulder to Menzies across four days with a small group — but this time, they'll be walking with wheelbarrows.

"It was a pretty common thing in the Goldfields in the rush — it's something that wasn't done 100 years ago," he said.

Reservists spent more than a decade in the army and another 15 years in the army reserves, post-traumatic stress is an issue Mr Collins faces strongly about. "After 30 years of service, it's not something you just get over," he said.

"We're still losing people every month to PTSD — there's still a lot of work to do."

Mr Collins said the generosity of people during previous stomps had been overwhelming, and he was looking forward to taking on this year's trek.

People can donate for this year's event through the link on the Kalgoorlie Soldier Stomp Facebook page. "We just ask that in the comments they mention Kalgoorlie Soldier Stomp," he said.

Dean Collins is gearing up for the year's trek to Menzies, featuring wheelbarrows as a callback to the gold rush era. Picture: Jenny Day

To help raise money for the Kalgoorlie Soldier Stomp on Thursday the 11 April 2019 a cake stall and a mystery raffle was held at the Visitor Centre. This was a great success with an amount of \$250.00 raised.

The winner of the mystery raffle was Carol McAllan (the prize was a Menzies T-shirt, cap, stubby holder, magnet, hat pin a bottle of water and a packet of chips).

As they walk into town pushing wheelbarrows like they did 100 years ago in the gold rush on Saturday 13 April, they were greeted by some of the local community and the smell of the sausages cooking on the BBQ.
