THE SHIRE PRESIDENT'S REPORT

PRESIDENTS REPORT SEPTEMBER 2019

Friday 30 August

With the CEO we attended the Northern Goldfields Working Group meeting in Leonora at which updates on Risk Management Activities, LG Act and Review was presented by Moore Stephens. Local Emergency Management was presented by the local Police Sergeant. Other matters of importance discussed was Government Public Service Employees Housing and Maintenance and Cattle in Townsites.

Sunday 8 September

Along with CEO we accepted an invitation to attend the Community Cabinet Forum in Kalgoorlie Town Hall and meet with Ministers and their staff after a Question and Answer session.

Monday 9 September

With the CEO, members of Kalgoorlie Boulder City Council and the Shire President of Coolgardie we participated in a Lunch Workshop with the Minister of Local Government David Templeman, for greetings, answers and discussion on Reform/New Act, Amalgamations, Beneficial Enterprises, Government Employees Housing, Economic Development and a general range of topics.

Wednesday 11 September

I attended and observed a meeting of the Leonora Emergency Management Committee with the possibility of joint meeting arrangements with Leonora, Leinster and Menzies for LEMC to be continued on a more compliant basis for Menzies going forward in the future.

Thursday 19 September

I participated in discussions with the proposed Golden Quest Discovery Trail Association in Kalgoorlie over presented options of Operating Model of Administration.

THE CHIEF EXECUTIVE OFFICER

Hello everyone.

ELECTION 2019 – IN-PERSON ELECTION

Please note that the Council election this year is an in-person election.

If you wish to receive a postal vote you can download the application from the WAEC website or pick one up from the front counter of the counter at the Shire office.

I suggest you have your application in by no later than 14th October if you want to receive a voting package and have it reach the Electoral Commission by 18th October.

In-person voting will be held in the Shire office on Saturday 19th October from 8AM until 6PM.

HEALTH & WELL BEING – AVAILABILITY OF HEALTHY DIET FOODS

There has been some discussion about the community regarding matters of health and well-being. One matter that has been mentioned is the unavailability of healthy eating – such as ‘diet foods’. As an example it is expensive to get weekly food packages from Lite N Easy, which is one of the most popular diet food packages in Australia.

If we can get enough people committed to using these products, then perhaps we can negotiate a cost effective means of transporting peoples orders to Menzies on that essential weekly basis.

If anyone is interested in being a part of the Lite N Easy programme, please let us know at the Shire and then we can start some negotiation.

UPCOMING WORKS

The Shire has been busy in preparing quotes and tenders to get underway the projects that have been approved by the Council for this year.

Niagara Dam silt removal – underway mid October

Old Church building upgrade – waiting on an additional quote

House inspections – early October

New Caravan Park Units – tender issued

Truck Bay Ablutions – tender issued

Roadworks – tendering will commence in mid October

COMMUNITY INITIATIVES

We have matters before the Council with decisions pending on the purchase of a telescope which will be for use by community members and visitors (under supervision) to enable us to be come involved in Astrotourism.

This is a fascinating pastime for older children and adults as the skies around Menzies offer excellent viewing of the universe.

There is also a proposal to commence cooking sessions in which community members can assemble to enjoy cooking their favourite dishes and which will be carried out in the Shire administration kitchen.

What is cooked during these sessions is up to the individual participants.

We would like to hear from anyone who is interested in having a plot of land in a Community Garden. If there is enough interest we will (with Council approval) set up a Community garden on land on the north side of the Old Butcher Shop.

Peter Money

Chief Executive Officer

ALERT

We regret to advise that fuel is currently not available in Menzies.

The shire regrets the inconvenience to the public but the closure of this private business is beyond the control of the Shire.

Please purchase your fuel at Kalgoorlie or Leonora.

Call for Grant Applications

Minara Resources, supporting community projects

The Minara Community Foundation 2019 grant applications process is now open.

Local community groups and organisations have until 5:00pm Thursday 31 October 2019 to apply for funding.

Consideration will be given to a wide range of projects to build community capacity in one or more of the following areas in the Shires of Laverton, Leonora and Menzies:

- > Education, including training opportunities;
- > Health and other social benefits;
- > Economic development;
- > Environment;
- > Programs and initiatives for youth and future generations; and
- > Culture and heritage, including the preservation of Indigenous culture.

Ideally, grant projects should occur or commence by July 2020.

Grant applications of up to \$100,000 are invited for consideration. Smaller projects are also encouraged to apply (e.g. less than \$10,000).

TO APPLY

read the ***Grant Guidelines***

SKIES OVER MENZIES

Drive life in Menzies.

Every beat of this ordinary life is an extraordinary thing.
And we need your help to protect it.

St John Menzies urgently needs volunteer ambulance drivers to respond to call-outs, attend emergencies and perform routine patient transfers.

If you'd like to help, visit stjohnchangelives.com.au. Or, give Tania Seath a call on 0427 894 052, or email RAC.Goldfields@stjohnambulance.com.au

Life goes on.
Volunteer with St John.

Notification of Roadworks - Goldfields Highway, Menzies

Main Road WA will be conducting works on sections of Goldfields Highway from Goongarrie Road working north for 70km in the Shire of Menzies.

It is intended that the works will be undertaken from mid November 2018. The works will involve resealing the existing carriageway.

If you have any queries, please do not hesitate to contact our Customer Service Officer, Nicole Sullivan, on 9080 1473.

SEVEN GOLDEN RULES FOR PROSPECTING

1.

Put safety first

- Make sure you have enough water, fuel, maps and first aid supplies.
- Give serious consideration to taking some form of telecommunications and a global positioning system to fix locations, and a Personal Locator Beacon (PLB) – it may turn out to be your most important safety device.

2.

Obtain a Miner's Right permit

when prospecting on vacant Crown land (\$25 from any Mining Registrar's office).

3.

Obtain a 40E permit

prior to prospecting within an exploration tenement (if you don't have written permission from the tenement holder).

4.

Get written permission

from the tenement holder when prospecting on:

- a mining lease
- an exploration licence (if you don't have a 40E permit)
- a prospecting licence

5.

Comply with all legal requirements

when prospecting on a pastoral lease. You cannot prospect within 100 metres of any occupied building or within 400 metres of any livestock watering point without the consent of the pastoralist.

6.

Show respect when on Crown land

because it is used by other people or set aside for many purposes.

7.

Fill any holes

that you dug and repair ground that has been disturbed.

www.dmp.wa.gov.au/prospectingwa

**HOW TO PROTECT AGAINST
MOSQUITO BITES**

★ FIGHT the BITE ★

Prevent mosquito bites

★ **COVER UP. REPEL. CLEAN UP.** ★

COVER UP

Wear long, loose-fitting, light coloured clothing, covering as much of the body as you can. Mosquitoes can bite through tight clothes like jeans. Make sure children are also covered up.

REPEL

Use insect repellent containing DEET (diethyltoluamide) or picaridin and always follow instructions on the label.

CLEAN UP

Stop mosquitoes breeding in water pooling around your home or holiday accommodation by emptying water from

1080 BAITING IN THIS AREA IS A RISK TO DOMESTIC PETS

Please be advised that baiting programs using 1080 poison are carried out across Western Australia, including this area, and are aimed at controlling wild dogs, feral cats, feral pigs, foxes and rabbits. The poison baits remain toxic for many months. You need to exercise caution. Domestic pets should be kept close and under control at all times. Owners may consider the use of leads and muzzles for their domestic pets.

DO NOT RELY ON WARNING SIGNS

**WARNING SIGNS ARE PLACED WHERE APPLICABLE,
HOWEVER THEY MAY BE DAMAGED, REMOVED,
VANDALISED OR DESTROYED**

1080 baiting is part of an integrated pest management program protecting livestock from death and injury; reducing the impact on pastoral and agricultural production; and helping to preserve the unique flora and fauna of WA. Baits are not intentionally laid in public areas such as road reserves, parking bays, rest stops or roadhouses however can be inadvertently moved into these areas by animals and birds.

1080 is an S7 Poison

CARAVAN & CAMPING

The Menzies Caravan Park is conveniently located next to the Visitor Centre which is also the booking agent. Entry via Brown Street, Menzies.

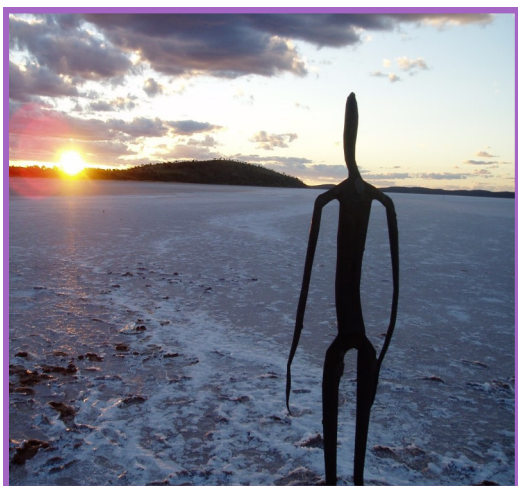

Modern amenities including twenty nine powered sites, and a two bedroom chalet, six unpowered sites, two ablution blocks and a disabled access ablution and a Camper's Kitchen. There is a black water dump point within the park and dogs are welcome but must be on leads at all times. For bookings and enquiries call **(08) 9024 2702** or

Email cso@menzies.wa.gov.au

Free camping sites are provided by the Shire of Menzies at Lake Ballard (51kms West of Menzies) and Niagara Dam (65kms North East of Menzies).

Facilities at these sites include toilets, BBQs and rubbish bins. Non-potable water is provided at Lake Ballard. Please respect these facilities and put rubbish in the bins provided, and only use facilities for the purposes they are intended.

TRAVELLING WITH PETS

Please be aware that there regular aerial drops of 1080 poison baits in the Goldfields area in attempt to combat feral animals.

Please use caution and take care when in these areas.

That time of the year to keep your eyes to the ground

Dugites are mainly found in tree stumps, firewood, rubbish heaps and sheds.

- Can grow to more than 2m long;
- A large slender to moderately stout snake, ranging from dark brown, yellow, olive green or black with a whitish belly;
- Adult dugites are usually quick to avoid people but will bite if trodden, harassed, cornered or handled; An alert fast moving diurnal snake.

King Brown (Mulga Snakes) are mainly found in sheds, rock heaps and fallen timber.

- A large snake that can grow up to 3m long, the average is about 1.5m;
- Colour varies from pale brown to almost black, The belly is cream to yellow;
- Can be encountered both day and night;
- If provoked it may become defensive, flattening the forebody in a striking stance;
- Oviparous (lays eggs).

Tiger Snakes are mainly found around ponds, in shade houses or irrigation pits.

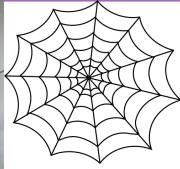

- A large stout snake with broad blunt head;
- Ground colour black or dark-brown with cream, yellow or orange bands;
- Maximum length about 2m, although generally 1.2m;
- Often observed in water;
- It is not inclined to bite unless touched;
- It is diurnal and nocturnal;
- More tolerant of cold weather.

Western Brown Snakes (or Gwardar) are mainly found in rock heaps, fallen timber or rubbish heaps.

- This species includes 12 to 16 colour and pattern variants; Southern populations undergo seasonal tonal colour changes; The most common is creamy to rich brown body with a paler head; Can grow up to 1.6m; When unable to escape and pressed, it can bite rapidly before turning to escape; Mainly diurnal, but becomes nocturnal during warm weather; Oviparous (lays eggs).

Misgolas Rapax -Trapdoor Spider

A trapdoor is often confused with the funnel web spider, the brown trapdoor can be distinguished by its chocolate brown colouration, less robust body and the presence of distinct boxing glove-shape palps in the males. The body and legs are covered in tiny hairs. The female is around 35mm in length, while the male is usually around 20mm and of slimmer build. Where the aggressive funnel-webs trapdoors are usually shy and retiring, although the occasional individual will stand up and present its fangs.

Habitat

Trapdoor spiders dig a burrow in the ground that is lined with silk, despite their common name. Most trapdoor spiders, but not all, are misleadingly named, as not all trapdoor spiders make door for their burrows. For the species that do make a door for their burrows these are highly camouflaged entrances are almost undetectable, unless the door is open. They use these burrows to raise their young and for protection. Their burrows may reach 250mm in depth and around 25mm in width. Some of the trapdoor spiders dig simple burrows, while others excavate additional side tunnels for extra hiding places.

Diet

Trapdoor spiders eat a variety of insects and other arthropods. The spider waits inside the burrow adjacent to the entrance, pounding any prey that walks past, injecting it with its fast acting venom and then dragging the unfortunate victim back into the burrow.

Reproduction

Male trapdoor spiders leave their burrows in search of a mate during humid weather. The male dies shortly after mating with the female. The eggs are kept in the mother's burrow in a cocoon. After hatching, the spiderlings stay in the burrow for some time and eventually emerge to disperse and fend for themselves.

Come and have a look at the burrows in the rock room that was found by Paul Warner.

MENZIES SCHOOL FACTION CARNIVAL

On Friday 6th of September the Menzies Community School hosted their annual Faction Carnival down at the Town Oval. It was quick event with races and team games also an adult race. We finished the day with a Sausage Sizzle lunch kindly donated from the Achievable Outback Café, followed by the Presentation. We would like to say a huge thank you to Justin, Vashti, Stanley, Ethon, Torrance for helping us with cooking and setting up tents and the equipment.

Results from the day:

Junior Runner-up Boy	Lance Ashwin
Junior Champion Boy	Dazaniel Velickovic
Intermediate Champion Girl	Kayleisha Waston
Senior Runner-up Girl	Angie Harris
Senior Champion Girl	Kahteecia Kelly
Senior Champion Boy	Dominic Sinclair
Open Runner-up Girl	Teniel Harris
Open Champion Girl	Lori Harris
Open Runner-up Boy	Gary Cameron Tucker
Open Champion Boy	Kentwahn Kelly

Warriors defeated **Aces**

INTERSCHOOL CARNIVAL

On Friday 13th September the Menzies School staff, students and parents attending the annual Northern Goldfields Interschool Carnival hosted in Leonora. It was a very hot day which the Carnival got cut short and some games weren't finished. Menzies won the Handicap shield once again.

Congratulations to Menzies students
Kahteecia Kelly - Senior Runner-up Girl
Lori Harris - Open Champion Girl
Kentwahn Kelly – Open Runner-up Boy

We would like to thank Miss Kasey Driver who has filled in the Principal position for the Term while Stacey was away on leave. We appreciated all your hard effort you put in during your time here getting things done and making sure the School is operating efficiently on a daily basis.
We hope you enjoyed your time here and make sure you come back to visit us soon.
