2. That any person desiring ground in the Cemetery for a private grave, vault, tomb, cenotaph, tombstone and railing, wall, or for any other purpose, shall apply to the Trustees therefor. If approved, the Trustees, on payment of the required fees, shall issue to such person so applying a certificate of right of burial in the form specified in Schedule B.

3. Any person desiring to place or erect any monument, tombstone, or enclosure in any part of the Cemetery shall, before obtaining permission to do so, submit a plan of such monument, tombstone, or enclosure, and specify the materials of which it is to be composed to the Trustees, and shall obtain such permission in writing before proceeding with the work, in the form of Schedule D.

(b.) Monumental masons and other tradesmen shall, before commencing any work in the Cemetery, deposit with the Secretary to the Trustees the sum of 10s., which shall be forfeited if the provisions of either of the two preceding By-laws are not complied with to the satisfaction of the Superintendent.

4. Any person who shall erect or place any monument or tombstone or enclosure upon any grave, the exclusive right of which has not been obtained, shall keep the same in repair; and if after receiving one month's notice in writing from the Trustees such repairs are not effected, then the Trustees may order such monument, etc., to be removed.

6. (a.) That all applications for interment shall be made to the Secretary of the Trustees, and six working hours shall be given to the sexton prior to the time fixed for the burial, otherwise an extra charge will be made.
